FIELDS IS TO BE SUED

COURT TO SETTLE MOOT QUESTION OF FEES.

Judge Webster intimates Judge McGinn is to be retained by County Court.

Plans are being laid by the County Commissioners to settle in Circuit Court the mooted question as to whether or not County Clerk Fields has the right to retain fees received from issuing citizenship papers, and whether or not he is entitled to the interest upon county money which he has deposited.
It is Mr. Fields' contention that as he is held personally responsible for the funds in his care, and must make good any loss, he is entitled to the interest for his personal use.
County Judge Webster was asked about the matter last night, and while declining to make any definite statement, saying he desired to talk the matter over a little more with the Board, he intimated that Judge Henry E. McGinn will soon be retained by the County Court to bring action against Mr. Fields in the Circuit Court.
County Commissioner Lightner was non-committal about the matter last night, preferring that any information about the case should come from the County Judge. Judge Webster said the court is the only place where the question Mr. Fields has raised can be settled, and although Judge Webster is a court himself, he said he would not undertake to say whether or not the money should be turned over to the county. The amount involved runs into four figures.

KNUDSON CLUB CAPTAIN

MULTNOMAH FOOTBALL TEAM NAMES LEADER.

Backfield Star Is Selected by Unanimous Vote to Head Eleven This Year.

J. A. Knudson, one of Multnomah's star backfield men of last year's football team, was chosen captain of the club's eleven for the coming season at a meeting of the gridiron enthusiasts held at the club last night. All of the members of last year's team, with the exception of Jack Oswald and Paul Rader, both of whom are out of the city, were present, and the selection of Knudson as captain was unanimous.
"Jack" Knudson, while comparatively a new comer here, has proved himself to be one of the best football players who ever wore a Multnomah uniform. He is

popular with the rank and file of the team as well as with the club members.

George W. McMullan, who was elected manager of the team soon after the annual election of officers at the club, was present and outlined some of the plans for the season. Those at present are more or less indefinite.

Gets \$500 on Horse Deal.

Charles Gittere was awarded \$500 damages by Circuit Judge Gantenben yesterday in his suit against W. Brunzel. He charged Brunzel with having sold him a balky team. Gittere said he did not discover until he was six miles from home that the team was balky. When he returned it he said Brunzel refused to give him his money back. Brunzel said he offered Gittere that he was at fault the second team would be worse than the first.

FRANK L. SMITH MEAT COMPANY

"FIGHTING THE BEEF TRUST"

You eat fish one or two days out of the week—at least most everybody does when you can get it fresh caught—right from the gill-net. SMITH has his own fishermen on the lower Columbia River, who ship to him each morning the fish they have caught during the night. When you eat Chinook Salmon out of a SMITH market, you are eating fish that has been taken from the water within 24 hours.

We call special attention to a fine lot of lambs, which are now being distributed among all our markets—but be sure you go to a SMITH market.
