ERECTING CHURCH GYMNASIUM

The Brotherhood of the Vernon Presbyterian Church, Rev. George W. Arms pastor, is erecting a gymnasium and kitchen, and has the work well advanced. The structure is between the church and the manse on East Nineteenth street near Wygant. The gymnasium is 30x40 feet and will be provided with benches, lockers, modern equipment, while the kitchen will occupy a space about 20x12 feet. So far no contract has been let, but the members of the brotherhood are doing the regular employment. Ordinarily it would have cost \$1000 by contract but by doing the work themselves the members of the Brotherhood are getting the building put up at much less expense. The Boys' Brotherhood contains about 50 active members.

FESTIVAL CHORUS TO REHEARSE

A call has been issued by Conductor William H. Boyer that every member of the Portland Festival Chorus attend a rehearsal tonight at 8 o'clock at Eilers Hall, Park and Washington streets, on which occasion the music to be rendered at the A-Y-P Exposition at Seattle, Wash., July 9, will be sung. The soloists for Sullivan's "Golden Legend" are: Mrs. M. J. Montgomery, soprano; and W. A. Montgomery, baritone; and for Rossini's "Stabat Mater," Mrs. Rose Bloch-Bauer, soprano; and M. J. Montgomery, baritone. The other musical selections are "Hail, Bright Abode," from Tannhauser, and "Father Dominic's Beautiful Willamette." Steps are being taken to raise the balance of \$2000 required to pay the expenses of the trip to Seattle and return.

PLAN TO FIRM Mrs. FASLER

The efforts of John D. Rocker to avoid execution of a court official who sought to summon him to appear in a case against the Standard Oil Company two years ago are as nothing compared with the efforts to get service on Mrs. E. P. Preble, wife of E. P. Preble, of the Frakes Millinery Company, according to the police officer who has a subpoena calling for her in the Municipal Court. Mrs. Preble is wanted as a witness in the case against Louis J. Hall, the defendant in the examination yesterday morning on a charge of larceny by bailor. G. D. Tomahlin, of 323 Hickock street, counsel for that Hall collected \$150 on a note from Mr. Preble, which he did not turn over to him.

HAND SURFACE FOR DIVISION

The improvement of Division street, between East Tenth and East Fortth streets, with hard-surface pavement is now considered assured. The city engineer, who will probably be followed by other improvements in that portion of the city. Division street is the city end of the section line road, and carries heavy travel for the entire year. It runs through a portion of the city that is building up rapidly.

DEPENDANTS DECLARED

J. Abel, the pioneer Seaside Island resident, who was arrested two weeks ago on complaint of his nephew, charged with having threatened the latter's life, was discharged after a preliminary examination yesterday afternoon by Justice Bell. Mrs. Josie Godwin, sister of the complainant, and Silas Crumley, a brother-in-law, and Lewis Bronser, a hired man, were arrested at the time, charged with trespass. They were also discharged. J. L. Reeder, another Seaside Island resident, was the complainant in all of the cases. The trouble all grew out of an attempt to break the will of Mrs. Kathryn Reeder, who left the larger portion of her estate to her son, J. L. Reeder, the complainant.

WILL DISCUSS BROOKLYN SEWER

The Seventh Ward Improvement League will meet tonight in the hall on Powell and Milwaukee streets to discuss the situation of the Brooklyn sewer. All members and others interested are invited to be present. At this meeting some plan will be adopted by which the big sewer may be repaired so it can be accepted and the property owners be permitted to put in laterals. This is the most important question before the people of the district, and a large attendance is expected. It is hoped to have some of the city officials present and the contractors also are invited to attend and explain the situation.

REYNOLDS PAYS \$30 COSTS

—Will the troubles of H. S. Reynolds, a grocer at 331 Alberta street, never cease? After being arrested on two separate complaints of assaulting his wife and one of assaulting his daughter, he effected a reconciliation and both the complainants agreed not to appear against him. When the case was called in Justice Olson's court yesterday afternoon it was found that neither the wife nor daughter was present. Justice Olson, on application of Assistant District Attorney Hennessy, issued a bench warrant for them. They were brought into court and given a lecture by the justice on observing the power and dignity of the law, after which the cases were dismissed at a cost of \$30 to Reynolds.

KEATS IS EXONERATED

—After investigating the manner in which Walter Reffling, the 7-year-old son of A. Reffling, of Cedar Hill addition, met his death Tuesday morning by being run over by an automobile driven by H. L. Keats, the well-known auto dealer, Coroner Norden decided that it was not necessary to hold an inquest, and Mr. Keats was held blameless of the accident.

PUMP ENGINEER IS OUT

SHARP DISCHARGED ON INCOMPETENCY CHARGE. Action by Water Board is Unanimous, Although Allen is Not Heartily in its Favor. Chief Pump Engineer Sharp, of the City Water Department, was discharged from his position by the Water Board at a special meeting yesterday afternoon at 2 o'clock. General incompetency and failure to give proper care and attention to the pumping stations under his charge were the grounds for his removal. Assistant Engineer Randell, who was promoted to the place made vacant by Sharp's dismissal, and will superintend the maintenance of the department, being subordinate only to Superintendent Dodge. While the action of the Board was unanimous, as to the members present, G. W. Allen was not very heartily in favor of the discharge of Mr. Sharp. R. B. Lamson made the motion to dispense with Sharp's services, including in the motion that Sharp be given 15 days' vacation, to which each employe of the city is entitled. This was carried, and Mr. Lamson moved the promotion of Mr. Randell.

MANY JUNE BRIDES

Marriage License Record of Month Sets New Mark.

TOTAL IN MULTNOMAH, 362

Last Day Swells Figures With 29

Permits Issued—Clerks Overworked and Create Diversion by Guessing at Number.

It was with aching hearts, but hearts

cheerful with the feeling that they had been permitted to do at least a little good in the world, that County Clerk Fields' deputies wended their several ways homeward last night after a strenuous day at the marriage license counter. During the day 29 bachelors, some young, some old, who had found their several stood under the wedding bell in the County Clerk's office with a witness in each case to swear that the lady was of legal age and that there was no legal impediment to the marriage. This brought the total marriage licenses issued during the month up to 362. This is the largest number ever issued in the memory of the present county officials.

Early in the day there was much speculation

as to the number of licenses which would be needed to supply the extraordinary demand, and more than one couple was frightened upon hearing one deputy ask another if he had "used that last marriage license." Deputy Clerk Wilde guessed the total number of marriage licenses within one of the correct number. He said 28 couples would secure licenses to be married. County Clerk Fields guessed 300, few, and Deputy County Clerk Allen overreached the mark. For a time Deputy Wilde was kept constantly at the counters, writing the names of the prospective brides and grooms, but later in the day Deputy Clerk Rose, familiarly known as "Cupid," was called upon to relieve him.
