Water Board-J. C. Alnsworth, resident United States National Bank, and Captain W. B. Mackay, manager North Pacific Mill. Theodore B. Wilcox, previously named by Mayor Simon, and R. B. Lamson, a hold-over member, complete the

Civil Service Commission-Profess P. Armstrong, principal Portland Business College, to serve six years.

Mayor Simon yesterday afternoon appointed a complete new Board of Health, to succeed the former Board, the members of which resigned in a body at the last session, held just after the new administration went into office. The new members are Drs. Alan Welch Smith, George B. Story and R. J. Chipman, J. C. Alnaworth and Captain W. B. Mackay were appointed to the Water Board and Professor A. P. Armstrong to the Civil Service Commission

The new Board of Health will hold meeting in the near future, at which Dr. C. H. Wheeler will be confirmed as City Health Officer, and he, with Chief Police Cox, will complete the membership. This will put the new administration into full power in this office, not one of the old members rereason the fact that their interests demand their sole attention. The Mayor requested each of them to continue, but they could not do so.

#### R. B. Lamson Alone Remains.

With the appointment of two new members of the Water Board, that branch of the city service is also greatly changed as to personnel, Theodore B. Wilcox having been appointed as chairman previously by Mayor Simon, and R. B. Lamson alone remaining of the old Board. Radical changes in the policy of the Board are certain to follow, and it is already rumored that a number of important changes in the engineering department will occur.

The appointment of Professor Armstrong came as the result of the vacancy in the Civil Service Commission by the expiration of the term of J. W. Blain. The latter is absent on business and could not serve longer. Professor The other members of the Commission are P. L. Willis and W. L. Brewster. W. W. McIntosh is secretary. The Commission has charge of all matters pertaining to civil service, through which the Board of Health, secure employes.

#### Health Board Well Known.

The members of the new Board of Health are all very well known in Portland and Oregon. Dr. Smith is president of the City and County Medical Society and has always been deeply interested in matters pertaining to the progress of the profession. Drs. Story and Chipman are widely known prac-

ticing physicians. With the appointment of the new Board of mealth, the question has arisen as to what will follow. Dr. Esther Pohl, who has served for two years and was appointed by ex-Mayor Lane, will drop out when the Board meets, and Dr. Wheeler will take up the active duties of the position. Whether or not other changes will occur is unknown, but there are rumors that other employes of this important department will be supplanted. Dr. H. G. Parker, who has served with Dr. Pohl as Assistant City Health Officer, and Dr. Fred J. Zeigler, City Physician, may or may not be retained. The new members of the Board take the places of Drs. A. J. Glesy, George F. Wilson and R. C. Yenney.

#### Former Members Resign.

The appointments on the Water Board were made to fill vacancies caused by resignations of former members, Dr. C. Raffety, Judge G. W. Allen and James D. Hart. Prior to assuming the active duties of office, Mayor Simon named Mr. Wilcox and designated him as chairman of the Board, asking him personally to direct the work of laying the second pipe line from Bull Run River, construction of reservoirs and general improve ments to the water system, which will

OREGONIAN NEWS BUREAU, Washngton, July 6.-News that Francis W. Jushman, Representative from Washington, had passed away last night in New York, came as a great shock to his host of friends in both branches of Congress today. In conformity with Mrs. Cushman's wish, there will be no Congressional esort appointed to accompany the remains to Tacoma, but the body will be taken across the continent by a representative of the Sergeant-at-Arms of the House, who went to New York this morning. The House will not meet until Thursday. At that time, Cushman's death will be anunced, and adjournment probably be taken out of respect to his memory.
