The packers are in the market for the entire output of the heese factories in the Coos Bay and Tillamook district. Poultry was firm to-day, but no higher. Two hundred large crates of Hawalian pineapples reached the street today. Strawberries were scarce and the pror-est berries offered sold as high as \$1.75. with the prevailing price on common stock \$2. Clark's Seedlings were as high the full in many other portions of the state. Brewster Flats fruitgrowers state the crop will be nearly normal there and will be ready in about three weeks.

I cure all diseases of men by methods of my own devising. These methods are a radical departure from the ordinary medical practice, which attempts to cure every ill of mankind by stomach drugging and thus kills more people than are cured. In my practice I do not drug the stomach at all, but I apply healing medicines of my own directly to the diseased region, and thus effect a complete and permanent cure in a very short time. My treatment never fails, as my unbroken record, covering a period of over 25 years, fully proves. Don't be practiced and experimented upon by physicians, druggists, electric belts and incompetent specialists. My large prac-tice and quick, thorough methods enable me to cure men's diseases in half the time and about one-fourth the usual fees asked. My guarantee is:

DR. TAYLOR, The Leading Specialist.

Not a Dollar Need Be Paid Until Cured

NO STIMULANTS FOR "WEAKNESS"

My success in permanently curing that condition commonly known as "weakness" fully demonstrates the absolute correctness of my method freatment, which is a method employed by myself alone. I do not stimulate the functions to temporary activity by the use of strong in-practitioners and specialists, and is a treatment that cannot pos-sibly result in a permanent cure. "Weakness" is merely a symptom of chronic inflammation in the prostate gland brought on by excesses, early dissipation or by the improper treatment of some contracted brought and complete and radical cure is therefore a question of re-proved absolutely effective by the use of internal remedies. My treat-ment is a local one entirely. It is original and scientific, and has been proved absolutely effective by thousands of tests. I am convinced that y no other method can full and permanent restoration of strength and wigor be accomplished.

CONTRACTED DISORDERS

The serious results that may follow neglect of contracted diseases could scarcely be exaggerated. Safety demands an absolutely thorough cure in the least possible time. I have treated more cases of contracted disorders than any other physician upon the Pacific Coast. My cures are thorough and are accomplished in less time than other forms of treatment require in producing even doubtful results. I employ reme-dies of my own devising and my treatment is equally effective in both recent and chronic cases.

VARICOSE VEINS

There is no necessity for surgical operations in the treatment of Vari-cose Veins. This disease yields completely to my mild and painless method, and results are far better than were ever attained by the harsh and dan-gerous practice of cutting. But one week is required, and seldom is it even necessary to detain the patient from his business.

CONSULTATION AND DIAGNOSIS FREE

I do not charge for advice, examination or diagnosis. If you call for private talk with me, you will not be urged to begin treatment. If im-lossible to call, write, Office hours-9 A. M. to 9 P. M. Sundays, 10 to 1 only.

Not only its proven ability to cure, but its absolute safety as a remedy, has made S. S. S. the most extensively used of all medicines in the treat-ment of Contagious Blood Poison. Unlike the strong mineral mixtures, which temporarily remove the outward symptoms and shut the disease up in the system, there to carry on its destructive work on the delicate and vital organs, S. S. S. strikes directly at the root, and by purifying the blood of every trace of the virus, completely and permanently cures the trouble. S. S. S. is Nature's blood purifier, harmless in its action and certain in its good results. It is made from a combination of roots and herbs, each of which has a definite and specific action in purifying the blood. Years were spent in selecting and proportioning the different ingredients, but when S. S. S. was perfected it soon demonstrated its superiority over all other blood medicines, and now, after 40 years, it is still the one and only certain cure for Contagious Blood Poison. While driving out the poison from the circulation S. S. S. builds up and strengthens the system by its fine vegetable tonic effects. If you are suffering with Contagious Blood Poison S. S.
