Heavy Drinking During Celebration of Fourth Makes Almost Reign of Terror in Seacoast Town and Police Force Is Augmented.

NEWPORT, Or., July 7.—(Special.)— The City Council has granted a license to Winant & Bilyou, and also to John T. Forter, allowing them to sell fiquor if the city and Federal laws are observed. The renewal of Porter's license was a sur-prise. Certain Councilmen are quoted as saying it was done to have the City Mar-shal see that Porter obeys the laws to the letter in the future. The vote stood five against two. The past several days have been the

The past several days have been the most exciting in Newport's history. The heavy drinking of Saturday night made almost a reign of terror. Many blame City Marshal Burdette for failing to do his duty. On Saturday night, among other people, 160 Indiana arrived for several days of recreation. Most of the Indians got drunk and raised a disturbance. They made no bones about asking anybody to drink—even a Councilman was invited. The white folks also joined in, and about 11 o'clock fire was discovered in

The saloons were closed tight on Sunday, but many drunks were seen on the street. On Monday, July 5, more deputies, Berry, Cartwright, Jenkins and Brennen, were also sworn in to assist the other Marshals during the day. Winant & Bilyon paid Brennen themselves, in order that he might preserve peace in their saloon.

There is much indignation among the citizens on the action of the Council last night in granting Porter a liquor license.

PIONEER DENTIST IS DEAD

Dr. Daniel Siddall, Well-Known Lodge Man, Passes at The Dalles.

THE DALLES, Or., July 7 .- (Special.) -Dr. Daniel Siddall, a pioneer resident of this city, and one of the best-known dentists in Eastern Oregon, died yesterday morning at the home of Mr. and Mrs. A. S. McAllister, friends of many years, 422 East Fourth street, this

Dr. Siddalı was born January 27, 1832, in London, Canada, and came to California by way of the Isthmus of Panama, during the days of the first discov-ery of gold in that state. He returned to Canada several years later and was married in 1857 to Miss Mary Hopkins in his home town. No children were

A Toledo man, said to be responsible for the fire, was very drunk. Later, Ed Abbey, of a local hotel, upbraided Night-waithman Beach for neglecting to do his duty, and Beach resigned, but not until morning. Deputy Todd also resigned, as the brunt of the work had been assigned to him.

When seen Sunday morning Mayor Bensell said he was up against it for policemen. Three, Whitmore, Ratsburg and Bradshaw, were sworn in to assist Burdette and Turnbull. Nothing was done about Porter's barkeeper, who knocked drunks right and left with bottles and abussed Marshals Beach and Turnbull in the presence of the people on the sidewalks.

It was necessary to empty the jail to get ready for more. One drunken squaw fought like a tiger while being arrested; another got away before the Marshal arrived.

The salcons were closed tight on Sun. way of St. Michaels, returning on the last boat coming out in the Fall of the same year. After his third unsuccessful attempt in seeking gold—each trip proving disastrous financially—Dr. Siddall resumed his practice of dentis-try. He retired two years ago on ac-count of failing health and had been
