ROOSEVELT FOR MAYOR?

JOHN S. WISE SAYS HE HAS EX-PRESIDENT'S PROMISE.

Republicans Believe if Colonel Wants to Run Against Tammany He May Get Chance.

PARIS, July 23.—John S. Wise, Jr., of New York, who is now in Paris, says that ex-President Roosevelt, just prior to his departure from New York on his African hunting expedition, promised him and other Republicans in New York that he would return in time for the Mayor's campaign.

NEW YORK, July 23.—The views of John S. Wise, Jr., as cabled from Paris today on the possibility of ex-President Roosevelt entering the New York Mayor's campaign this fall, are in line with a report circulated here last Spring, and again within the past few weeks.

Colonel Roosevelt's friends in the local Republican ranks have long had him in mind as a candidate, provided he can be induced to lead the fight against Tammany. They believe he is the most formidable nominee that could be put in the field.

It was said in influential circles today that if Colonel Roosevelt were to run for Mayor it would be difficult to keep the nomination away from him.

DAUGHTER DENIES CRIME

Mrs. Mayfield Intimates Mother In-sane and Shot Self.

CHICAGO, July 23.—Mrs. Agnes C. Mayfield, wife of a mining promoter of Mapimi, Durango, Mexico, who is under arrest in connection with the mysterious shooting of her mother, Mrs. Ger-

trude A. Hinkley, here on Wednesday, spent the night in the police station. Mrs. Hinkley's statement that the bullet which entered her neck and came out through her mouth was fired by her daughter, is vigorously denied by Mrs. Mayfield.

"My mother's whole story is ridiculous," said the prisoner today. "I came to Chicago from Mexico to give her stock in the mining company, not to sell it to her. My mother either accidentally shot herself while planning to shoot me, or tried to commit suicide."

Mrs. Mayfield intimated that it might be well to inquire into her mother's mental condition, and continued: "I have six sisters, Mrs. J. L. Hutchinson, of Street-or, Ill., which will help me. In each of these letters my aunt warned me to keep away from my mother."

Mrs. Mayfield quoted from one of the letters as follows: "Dear Agnes—If I were in your place I would avoid your mother because I feel that she will do you mischief if your husband does not come to her terms."

In a second letter, Mrs. Hutchinson is quoted as saying: "You know how your mother is—she will stir you up and I fear for you if you refuse to turn over the 200 acres of mining land in Mexico."

Mrs. Mayfield stated that her mother's hatred for her began in Chicago when she married Dr. Mayfield.

Mr. Roosevelt's purpose was to make a collection of dead birds and mammals for the National Museum, working in connection with the Smithsonian Institution, his visit to Jaji farm, near Nairobi, recently, where he and his party were guests of W. Mr. Roosevelt has accepted the gift on behalf of the park, and Assistant Superintendent A. B. Baker will leave New York tomorrow on the steamer Arabo for Nairobi to take charge of its transportation to this country. Idebeni-Colonel Edgar A. Mearns, of the Smithsonian party, has written to Sec-

During the trial of the occurrence at the Imperial Institute on the night of the tragedy the prisoner sat in the dock listening unconcernedly.

As the Lord Chief Justice concluded sentence, the prisoner drew himself up in military style and saluted. He said: "I thank you, my Lord. I am proud to have the honor of laying down my humble life for my country. Your sentence of death is perfectly illegal. You are all-powerful and can do what you like; but remember we will have the power some time. That is all I have to say."

A. F. Howey, printer of the Indian Sociologist, accused of publishing a seditious newspaper, the avowed object of which was to "support the Indian Nationalist movement for the liberation of India from oppressive alien rule by the use of physical force," pleaded guilty today and was sentenced to four months' imprisonment.
