McCredie's dauntless warriors, elated with their previous successes of the week, went after that luckless tribe of Angels yesterday afternoon, and before rain made it necessary to call the game at the commencement of the seventh Portland had handed Elmer Thorsen roughly enough to amass six runs, while "Speck" Harkness administered the fourth straight coating of white-wash suffered by the visitors this week.

Incidentally, Portland moves into second place, by virtue of the phenomenal record established against the Angels. Yesterday's shutout also breaks all Coast records for similar performances between two clubs in a single series. The performances of the home team was all the more interesting for the reason that while it advanced us a notch up the ladder, it was seen by over 4000 rabidly enthusiastic fans who were highly pleased with the swiftness and many of whom were loath to leave when the deluge plastered the field with such a coating of water and mud that further play was impossible.

Four Runs in Opening.

It did not require much time for the home team to get to Thorsen, for the first inning was his Waterloo. However, he was kept on the hilltop and his performance after that disastrous chapter was not so bad, though McCredie's huskies bunched some more bingles in the fifth chapter and counted two more tallies.

Before the opening reception tendered Thorsen had concluded, four of the hustling bunch had crossed the place where runs are registered and game won. The crucial inning was attributed to good hitting and base running by the home guard.

Ivor Olson, the first man up, worried Thorsen for a free ticket, easily as he did as no one thought to cover first, both runners were safe, for Jud Smith had to throw to Delmas at second instead of the initial catch. Del might have had Olson had he used his thinking apparatus, for Olson had overrun the bag, amid the cheers of the big crowd. Olson's feat of Saturday's game, came to bat, and his effort was a three-base drive between center and right, on which Olson and Spear made home.

McCredie went out, Delmas to Dillon, without Ryan being able to advance, and Ote Johnson's effort was a pop fly to Orendorf. Three catches, Ryan passed ball and Ryan scored. Ote was punctured by a wild shot and took first, stealing second a moment afterwards. Ryan walked and Mike Lynch scored. Ote ended the strife with a grounder to Delmas. Total, four runs.

Johnson Gets Two Sacks.

In the meantime, Harkness seemed after a no-hit game, and for four innings not an Angel reached first base. In the fifth, the first two were easily secured, but Jud Smith took first on Johnson's error. Harkness then fanned Delmas. In Portland's half, Spear opened by getting a pass. Ryan singled to left, and McCredie put both along a peg with a neatly executed sacrifice. Orendorf then tried to catch Ryan off second and Spear scored, Ryan taking third on a record that, and Johnson slammed one for two sacks, which registered Ryan and Portland's total was six, for Ote was mugged trying to steal.

The Angels got a late start, for the first two men up in the opening of the seventh reached first base; Dillon, on an infield hit, and Delmas, on a single, over the elements butted in at this juncture and the deluge chased players, umpire and spectators to cover. After waiting the regulation time of 30 minutes, rain was still falling, so Umpire Van Halten announced that the game was called.

Record for Coast League.

Yesterday's shut-out makes a total of 27 innings in which the Angels have been held runless by the Portland team. Starting with Carson's famous no-hit game, as well as the last two innings of the Wednesday game, Garrett, Graney and Harkness have accomplished shut-out ball against the Los Angeles team. Something of a record, that, and it will be some time before it is equalled on the Coast. This is the first time in the history of the Pacific Coast League that a Los Angeles team has lost an entire series, and the fact that the club was well in second place when the series started, adds to the glory of the achievement.

Portland's success has been due to the wonderful fielding and gingery work of the players, as well as to the splendid fielding of the star quartet of twirlers. The fielding of Olson and Breen has been especially remarkable this series.

Portland, commencing tomorrow afternoon, Bill Reidy's rejuvenated Oakland team will be the opposing nine on the Vaughn-street lot. From the manner in which the Portland team is playing, the boys should take the series, though a clean sweep is hardly to be expected.

Dillon and his saddy-be-grassed Angels left for home last night, where, commencing Wednesday,

they meet the Vernon club at Los Angeles.

SPOKANE, Wash., July 25.—(Special.)—With Killaly pitching, strong game and with the Indians pinching everything in the field, there was no chance for Portland to escape a seventh straight drubbing. Score, Spokane 2, Portland 1.

Seven straight games won has been equaled only once this season, Aberdeen being the club that accomplished this feat. The series, however, has not been without a contest. Two games ran overtime, one 17 and one 15 innings, and two others have been decided by a margin of one run only.

Rooters Boost for Portland.

The crowd was practically up to the seating capacity of the grounds, although perhaps 1500 short of the last Sunday with Seattle. Like a lot of other crowds at Portland games, there was a strong home delegation rooting for the visitors. There was actually a greater demonstration in the stands when Portland tied the score than when Clydes drove in the winning run.

Seaton pitched good ball for Portland, but the hits against him counted. The Indians should have had another run, but for bum coaching by Jensen, who sent Altman home to sure death on the latter's long drive to the fence. Nobody was out and Altman could easily have walked in from Thorsen's long fly just following.

Crowd Yells at Umpire.

Killaly yielded but three hits, fanned six, and his wildness was not costly. Portland did not get another man past second until the fourth inning, though, who has been hitting like a demon this week, drove in that run with a double, Kennedy scoring from first, after two were out. Two base decisions helped the Indians. Altman slid into third base in the first inning and Seaton backed away from him instead of jabbing the ball on him. Frary properly called him safe, but the Portland boosters howled like scared pups. It was a bone play by Seaton, and he got a call from his captain, but the crowd would not let him go. Altman easily scored on Brinker's grounder to Kennedy.

Outfield bounced one off Seaton's shins in the fifth, prospect called him safe, a sacrifice and scored on Clydes' solid rap to center. Crocker made a nice return and the play at the plate was close, but again, Outfield slid under the receiving fielder. The score:

CLEAN SWEEP OF THE SERIES

Los Angeles has been the fortune of McCredie's bunch, but the poor Colts, hitless and leaderless, suffered instead at the hands of Spokane.

However, the home fans will forget the Colts' performance in view of the fine series played at home. They saw what happened to Los Angeles, but not the Colts, which makes the difference.

WOODBURN, Or., July 25.—(Special.)—A large crowd saw Seio and St. Paul play ball today. Only four Seio men showed up, and in order not to disappoint the crowd, local players hurried into uniform and filled in and put up a rattling good game, and with the superb pitching of Schermer shut St. Paul out, 1 to 0.

St. Paul 0; Seio 1.

HOULTON, Wash., July 25.—(Special.)—The St. Helens ball team added another victory to its long string of victories today by defeating the crack Portland Gun & Bike Company team by a score of 6 to 4. Denneff, for the visitors, struck out nine men, and hit three, and allowed but four hits. Score: Portland 4, Gun & Bike 6.
