PARK SITES CONSIDERED

EAST SIDE TRACTS BROUGHT TO BOARD'S ATTENTION.

City May Acquire Four Blocks of Hawthorne Property at Cost of \$100,000.

The first session of the Park Board since its reorganization by Mayor Simon was held yesterday morning. Dr. J. R. Wetherbee, Dr. E. G. Clark, Ion Lewis and L. Lang, the members, were all present. Owing to the unusually large number of citizens wishing to lay matters before the Board, the meeting was held in the Council chamber instead of in the Executive Board committee room.

Mayor Simon first gave an opportunity for citizens to be heard, and several spoke in regard to the proposed purchase of what is left of the old Hawthorne Park, urging the Mayor and members of the Board to buy the four blocks still available, the price of which would aggregate \$100,000. After hearing the statements of those interested the Mayor announced that the matter will receive consideration by the members of the Board, who will make a special trip next Tuesday morning to various sections of the city for the express purpose of viewing this and other sites that have been proposed.

Residents of the Seventh ward were present to urge the Board to purchase one or two tracts in that district, and this matter will also be investigated by the members of the Board. The proposal of President Josey, of the Portland Railway, Light & Power Company, to sell the city the ground at Twenty-third and Washington streets for \$100,000 was rejected, and the communication placed on file. The price is considered to be too high.

Mayor Simon submitted to the members of the Board the proposition made by C. K. Henry for the purchase of 30 acres of ground in the Hazel Fern farm tract, lying north of the East Lane road in Sunnyside at \$2000 an acre, and they will consider this offer when making their trip next Tuesday

GETS OFF WRONG SIDE

San Jose Man Hit by Car and Very Seriously Injured.

William Kirkpatrick, aged 60 years, of San Jose, Cal., was run down and seriously injured by an eastbound Hawthorne avenue car at East Thirty-seventh street early yesterday morning. The injured man was taken to Good Samaritan Hospital, where he is in a critical condition, not having regained consciousness since the accident. Kirkpatrick was visiting his brother, G. L. Kirkpatrick, of Mount Scott.

The accident was due to an unknown man opening the safety gate on the left side of the car. When the car stopped at East Thirty-seventh, Kirkpatrick attempted to alight on the wrong side and stepped out in front of the eastbound car. He was knocked down and dragged several feet before the motorman could stop the car. Dr. A. M. Webster was summoned.

PORTLAND AFTER PRIZES

ODDFELLOWS WILL SEND DEGREE TEAMS NORTH.

Special Train May Be Chartered to Take Local Lodges to Seattle Session.

Portland Oddfellows will make a strong bid for some of the big prizes and valuable cups that will be awarded for the prize drill and degree competitions during the session of the sovereign grand lodge in Seattle, September 20 to 25. It is possible that members of the order living in this city and vicinity will charter a special train to make the trip north. Several of the local degree staffs and uniformed teams of the various branches of the order have determined to go after their share of the premiums set aside to stimulate the interest in the prize contests.

There is a total of \$5000 in cash prizes for Cantons from the Patriarche Militant, and numerous cups for excellence or display, both in the drills and parade. The cups will be suitably engraved.

A battalion drill, open to all battalions, will be a feature of the competitive exhibitions. Each battalion must contain at least three cantons and have a full complement of officers. This drill will be in full uniform. Major-General E. P. Edson, commander of the Department of Washington, has offered a gold medal as an incentive to individual proficiency in drill. This medal will be each year and will be awarded to the winner of an individual competitive drill, open to all Chevaliers below the rank of captain. For the excellent display of the degree work by subordinate lodge teams there are first and second prizes of \$200 and \$100 for each of the four degrees. There are also cash prizes of \$200 and \$100 to the encampment teams exemplifying the work of the three encampment degrees. For the Rebekah degree work there are three prizes of \$200, \$100 and \$50, with a special prize of \$100 open only to teams from the jurisdiction of Washington. All entries for the prize contests must be in the hands of the Oddfellows' executive committee in Seattle on or before September 1. The judges in all the contests are to be selected from among military men.

SUMMER WEATHER COMES

August Days Drive Mankind Into Cooler Raiment.

Six days behind schedule, August weather opened up yesterday, when the thermometer crawled up to 81 degrees. Between the hours of 2 and 5 in the afternoon the temperature remained stationary. At 6 o'clock it had dropped but one degree. Shirts and negligee costumes replaced the heavy wearing apparel of the day before and summer clothing was in keeping with the weather. Similar conditions are promised for today. The weather man predicts fair weather, with Northwest winds. The same forecast is made for the entire Northwest. There is a slight prospect of thunder storms in Southern Idaho. The hourly temperatures for Portland yesterday were:

8 A. M. 80 P. M. 78
9 A. M. 80 P. M. 81
10 A. M. 80 P. M. 81
11 A. M. 80 P. M. 81

EXPERTS TO GO WITH PARTY

State Department Men to Inform Japanese Visitors.

The local Chamber of Commerce has received a communication from C. W. Burks, secretary of the Associated Chambers of Commerce of the Pacific Coast, informing it that his request made to the Secretary of State at Washington for a delegation of trade experts from that department to accompany the party of Japanese on their tour of the United States has been granted.

One of Portland's most prominent business men—a man whose advertisement you see in the paper every day—whose name appears in great big letters around town—said to Mr. Frank L. Smith not long ago: "My wife always goes to one of your markets for her meat—not so much because it's cheaper, but because we like the flavor better. Our boys can tell the difference as soon as they taste it. I'll tell you, Mr. Smith, your meats have got that sweet, fresh flavor that the other butchers' meats don't produce."
