OFFICERS GIVEN BLAME
Davao Mutiny Fault of Commanders, Says Court.
MANILA, Aug. 12.—The high ranking Constabulary Board, which sat at Zam-

boanga from July 26 to August 6, investigating the Davao mutiny, which occurred June 4, submitted today a report recommending severe punishment for four of the officers who had charge of the mutinous company.
The board examined numerous witnesses, including several of the captured mutineers, and its report is approved by

Brigadier-General Harry H. Bandholtz, chief of the Philippine Constabulary. The investigators demand the resignation of Captain Platka and Lieutenant Dunsworth, on the ground that they are lacking in the proper qualifications of officers, and recommending the dismissal of Lieutenant Deblaine for unjustly punish-

ing privates before the mutiny and for abandoning his post.
The report also recommends the reduction of Lieutenant Golocoria to the bottom of the list of Lieutenants and his suspension for a month. Special leniency was shown in the case of Golocoria, on account of his youth and the bad example set for him by his superior officers.

EXPERT BURGLAR CATCHER
Gotham Woman Tells How She Got Four in Three Weeks.
NEW YORK, Aug. 12.—Mrs. Freda Jacobs, who has caught more burglars

than any other woman on record in New York, explained to Magistrate Cornell her methods of taking prisoners. Mrs. Jacobs said: "I have caught four of them in the last three weeks, and I have caught each of them in the same way. To begin with, a burglar is more frightened than the people whose property he is stealing. The owners of the property may forget this, but I always remember it. So, whenever I see a burglar in the house I shout at him and startle him. Then I run for him. I run till I catch him. I then punch him until a policeman comes. His nerves are always unsteady."
Charles A. Boyer was Mrs. Jacobs' latest prisoner. He was held in \$100 bail.
