FOR SALE-FARMS

"ON TO"

RICHLAND.

Theodore Roosevelt, on the subject of frrightion, said, even 5 acres is enough to support a family and keep them busy.

THIS IS TRUE.

The benefits derived from irrigation are now so well known that practical farmers from all over the East and South are seli-ing out to reinvest in lands subject to irrigation.

It is now only a question of location.

We ask you to compare Richland with the elder fruit districts for instance, Heed River to the southwest, or Wenatches to the north, five-pay from \$400 to \$1000 an acte net per year from \$400 to \$1000 an acte net per year

RICHLAND IS THE PEER

of them all. And when you see the Bich-land gardens, archards and fields and then come to realize that only a few years ago unthing hut sagebrush grew, where fruits and howers now ripes and bloom, you, too, will become enthumastic as to the future of this bleased spot. this bleased spot. Next Saturday, August 14, our 5th

EXCURSION TO RICHLAND
