the pleasure-seeker, will see its magnificent bay dotted with craft from East and West.

The value of the bay to BAYOCEAN cannot be estimated in dollars. It is one of the peculiar Natural Advantages of BAYOCEAN—one of the reasons why there can never be another resort equal to BAYOCEAN on the Pacific Coast.

SUB-JAIL IS NOT NEEDED

COUNTY TO ABANDON KELLY BUTTE ROCK PILE.

Road Work Within Hauling Distance of Crusher Almost Completed—Use Linnton Quarry.

The sub-jail at Kelly Butte will soon be a thing of the past, according to County Commissioner Lightner. He says that the complaint of the Grand Jury that the sleeping quarters are inadequate and that the air space allowed the prisoners at night is insufficient, is unjust and not borne out by facts.

"The last time I visited the place there were 55 prisoners at work," said Mr. Lightner. "Of these about 35 were county prisoners and 20 city prisoners. If the place is crowded it is not the fault of the County Court, as the Sheriff is not obliged to keep the city prisoners there."

"It will be but a short time when the county will have no place to put the rock from Kelly Butte, except as it is needed now and then to keep in repair roads already made. We have completed almost every road within hauling distance of Kelly Butte. There is a strip 1-2 miles long on Section Line Road yet to be macadamized, another strip between Kelly Butte and Lenta, and about 2 miles on the Powell Valley Road."

Judge Webster said it was the plan of the County Court to put city prisoners at work at the new Linnton quarry, but that there might be a

ROBBERS STILL AT LARGE

Detectives Say Perpetrators of Two Hold-Ups Have Left City.

Although all suspicious places were visited and every effort made to apprehend them, the six "crooks" who perpetrated two bold holdups in Portland early yesterday morning have not been caught. The detectives express the belief that all have left the city.

The attempted cracking of the safe in the building of the Doernbecher Manufacturing Company by four yegmen early yesterday morning, is said by Detectives Mallet and Maloney to be one of the boldest crimes yet undertaken since the surge northward of criminals to the A.-Y.-P. Exposition at Seattle.

Fred W. Luttmeler, proprietor of a saloon at 49 Union avenue, who, with R. Hartman and C. Johnson, two of his patrons, was held up and robbed by two masked men an hour prior to the attempted wrecking of the safe, were unable to furnish the detectives with an accurate description of the men and little hope is entertained of catching them.

CUPID AIDS BOLD GROOM

BRIDE IS CLAIMED BEFORE ANGRY FATHER ARRIVES.

Robert H. Murray Weds Miss Helena M. Dunckley, of Centralia, Secretly.

Another unsuccessful crusade against the plans of Cupid was recorded in Portland Tuesday night, when Robert H. Murray claimed Miss Helena M. Dunckley as his bride in the manse of the pastor of Calvary Presbyterian Church. The bridegroom is the son of W. L. Murray, and is associated with his father here in the manufacture of machinery. The bride is the daughter of Colonel T. H. Dunckley, publisher of the News-Examiner, of Centralia, and a niece of W. H. Dunckley, of Ladd & Tilton's bank. The ceremony was performed by Rev. Mr. Walker.

The romance which culminated in Tuesday night's wedding commenced two years ago when young Murray, who is 25 years of age, met Miss Dunckley in Centralia. He met with parental opposition from the first, but persisted, and went into business with his father, thinking to win over Miss Dunckley's parents, but without favorable result. Two months ago he returned to Portland and became associated in business with his father.

Tuesday afternoon Miss Dunckley told her father she intended remaining over night with a friend. She took the midnight train for Portland, was met at the Union Depot by young Murray and his father, and they were married, leaving here early yesterday morning on their honeymoon.

SPEND DAY AT OREGON CITY

Elopers Evidently in Fear ofirate Father of Bride.

OREGON CITY, Or., Aug. 18.—(Special.)—Robert H. Murray and his blushing bride passed the afternoon in Oregon City. Manifesting extreme nervousness over the fear that Thomas Dunckley, father of the bride, would find them and interfere with their new-born happiness, Murray and his wife reached the Electric Hotel early this afternoon and engaged a room. They registered under protest, stating to Manager Tobin that Dunckley was after them and they were trying to evade pursuit.

The happy pair had dinner at the hotel, and soon after they left they city on an interurban car for Portland, departing from Oregon City on the 7 o'clock car. Murray told Manager Tobin they might return, but it is thought that the newly-married couple will put as many miles as possible between themselves and the pursuing parent.

PRINTING TRUST FOILED

COUNTY COURT REJECTS BIDS ON BLANK BOOKS.

Six Concerns Make Identical Prices of \$14.40 on Articles Purchased Last Year at \$9.80.

Finding evidence that six of Portland's printing and bookbinding concerns had combined to hold up the county when it came to awarding the contract for 100 half-bound books, the County Court rejected all the bids yesterday morning, and it is probable the needed books will be purchased from some firm in the East or in San Francisco. The six firms whose bids were rejected were: Lovejoy & Lincoln, Busbong & Company, Glass & Frudhomme, Irwin-Hodson Company, Portland Printing Company and Howe, Davis & Kilham.

For the books used by County Clerk Fields in recording deeds, mortgages and like instruments, and for which bids were advertised, the County Court has been paying \$14.40 each. Six months ago the county bought 50 of them for \$9.80 each. Every one of the six bids opened yesterday demanded \$14.40 apiece for the books.

A queer circumstance in connection with the affair is that Bernard & Company, of St. Louis, sent a certified check with a letter saying their Portland agent would place their bid for the books. But the agent failed, for some unaccountable reason, to make the bid.

MAYOR HEARS COMMITTEE

He Promises to Consider Purchase by City of Hawthorne Park.

A committee consisting of Rev. Nelson Allen, W. R. Bishop and C. A. Bigelow appeared yesterday before Mayor Simon and the Park Board for the purpose of urging them to consider favorably the purchase of the Hawthorne tract for a city park. C. A. Bigelow states the Mayor promised to consider the subject carefully if the committee

would set a price wanted for the land. This the committee expects to do soon.

Residents in the vicinity of Hawthorne Park are desirous of having a city park in the neighborhood and are not anxious as to what particular tract is purchased. The nearest pleasure-ground, Holladay Park, is one mile and a quarter from Hawthorne Park. A mass meeting will be held next Monday evening, probably in Hawthorne Park, for the purpose of obtaining expression of the sentiment of residents concerning the purchase of Hawthorne Park by the city.

WELCOME WORDS TO WOMEN

Women who suffer with disorders peculiar to their sex should write to Dr. Pierce and receive free the advice of a physician of over 40 years' experience—a skilled and successful specialist in the diseases of women. Every letter of this sort has the most careful consideration and is regarded as sacredly confidential. Many sensitively modest women write fully to Dr. Pierce what they would shrink from telling to their local physician. The local physician is pretty sure to say that he cannot do anything without "an examination." Dr. Pierce holds that these distasteful examinations are generally needless, and that no woman, except in rare cases, should submit to them.

Dr. Pierce's treatment will cure you right in the privacy of your own home. His "Favorite Prescription" has cured hundreds of thousands, some of them the worst of cases.

It is the only medicine of its kind that is the product of a regularly graduated physician. The only one good enough that its makers dare to print its every ingredient on its outside wrapper. There's no secrecy. It will bear examination. No alcohol and no habit-forming drugs are found in it. Some unscrupulous medicine dealers may offer you a substitute. Don't take it. Don't trifle with your health. Write to World's Dispensary Medical Association, Dr. R. V. Pierce, President, Buffalo, N. Y.—take the advice received and be well.
