We received a shipment of 10,000 yards embroideries; the surplus pieces of a Swiss manufacturer in St. Gaul. This importation was not due to arrive in Portland until about the middle of September and was intended for a monster Fall Embroidery event. These goods were received Wednesday.

The manager of our embroidery department was so enthusiastic over the lot that he persuaded us not to wait until September, but to place them on sale Friday; claiming that the values were so great, and the patterns so dainty, that although it is the dullest month in the year, this sale is bound to be a success; and that all women who share in this bargain sale, will receive the greatest embroidery bargain ever offered.

In this immense shipment will be found swiss, nainsook and cambric, 18-inch flounces, demi-flounce, bands, insertions, corset cover embroideries, in Anglaise and French effects in hundreds of pretty, artistic, neat patterns. The values of these embroideries run easily to \$1.00 a yard. Friday the entire lot goes on sale for only 25c a yard.

Persch Case Widens When Investigated by Jury.

### JEROME SEEMS TO BE OFF

Theft Said by District Attorney to Be "Just Vulgar Steal" Emmeshes Trio of Business Men.

NEW YORK, Aug. 19.—Ripples from the big splash in the financial pool created by the arrest of Donald L. Persch, a note broker, on charges of grand larceny, continue to widen. In spite of the fact that District Attorney Jerome has pronounced the case "just a vulgar steal."

Late today Charles Katz, president of the Eastern Brewing Company of Brooklyn, was indicted by the grand jury for complicity in the alleged theft of 2000 shares of copper stock. This stock disappeared from the custody of the Windsor Trust Company—with whom it had been deposited as collateral for a loan of \$20,000 to M. M. Jones, a broker for F. Augustus Heinze—and bobbed up again in the curb market, when Heinze bought it back again.

W. L. Clark, the broker who represented the trust company for Joyce, was also indicted. For several days he has been out on \$12,000 bail, charged with grand larceny.

Another development was the issuance of a warrant for Sterling Birmingham, the trust company's discharged loan clerk, who is accused of having accepted \$200 for putting the loan through. To accept such a fee is a misdemeanor.

### GAS CONCERN PAYS CLAIM

Court Overrules Demurrer Based on Orchard's Confession.

SAN FRANCISCO, Aug. 19.—After five years of litigation the San Francisco Gas & Electric Company has accepted the confession of Harry Orchard, now serving a life sentence for the murder of Ex-Governor Steiensen, as a perjured statement, and today the corporation paid to Attorney Walter H. Linforth \$13,904 for the damages sustained upon his property on Washington street in November, 1904. During the trial of Orchard, he told of having attempted to kill Fred W. Bradley, an enemy of the Western Federation of Miners, by blowing him up with dynamite.

At the time mentioned by Orchard, Bradley was living in one of Linforth's flats. The explosion, however, was attributed to defective gas fixtures, and Linforth brought suit for \$10,000, obtaining judgment for that amount. After Orchard's confession, the corporation sought to obtain a new trial based upon the statement made in the Idaho courts. The Court of Appeals, however, refused to rule that Orchard's confession was grounds for a reversal of judgment.

### NEW TARIFF WORKS WELL

Treasury Officials Find Little Complaint With New Law.

WASHINGTON, Aug. 19.—The new tariff law has gone into operation with surprising smoothness, according to Assistant Secretary of the Treasury Reynolds. "We expected to be overrun with questions, many of them silly," said Mr. Reynolds yesterday. "but the number of inquiries each day has been little more than we have had under the Dingley law."

This is ascribed by the Assistant Secretary to the bills having been passed by a Republican Congress. The phraseology is much the same as under the old, only the rates have been changed. The operation is rendered easy for the collectors.

### MESSAGE FOUND IN FLASK

Man Wrote That He Was Facing Death in Sinking Boat on Sound, but Wife Thinks Letter is Fake.

ST. LOUIS, Aug. 19.—Mrs. J. Oscar Franz, of this city, does not believe she is a widow, despite the fact that a note supposed to have been written by her husband as he was facing death by drowning near Seattle, Wash., was delivered to her today. The note was dated July 4, and Mrs. Franz declares that she had evidence that Franz was visiting her mother, Mrs. M. J. Ullery, in Moberly, Mo., early in August.

The message, which was found in a floating bottle by a resident of Seattle and forwarded here, read as follows: "Finder of this note will please notify Mrs. Tiefenbrunn, 1218 Papin street, St. Louis, that while I, J. O. Franz, was out boat riding about 27 miles from Seattle harbor, my boat struck a log and began to sink rapidly, with result that I must face death, for I cannot swim. God help me, for I am lost. Good-by."

Mrs. Tiefenbrunn is Mrs. Franz's mother. Mrs. Franz said tonight that she was married in September, 1907, and resided at Moberly, Mo., until the last of March, when Franz claimed inability to support her. She said that she has no explanation to offer for her husband's strange note.

Seattle Doubts Story. SEATTLE, Aug. 19.—The report of the drowning of J. Oscar Franz, sent to his wife in St. Louis, is discredited here, as no such accident was reported at any Sound port during July.
