THROUGH MEXICO

Sudden Unrest in Government Circles Gives Rise to Rumors of Civil War.

REYES IS IN RETIREMENT

Troops Hastily Mobilized and Sent Into His Home State Following Reports of Receipt of Guns.

MEXICO CITY, Aug. 19.—Much unrest is reported in the States of Coahulla and Nueva Leon, in Northern

Revistas Petition Diaz.

The Revista party has petitioned President Diaz, asking that full political liberty be granted in state elecished for denying franchise rights to qualified electors. The President has announced that the petitioners should take their grievances to the proper State officials.

The administration organ says editorially today that intelligent Mexicans do not want peace disturbed, but adds significantly that the thousands of miles of railways and telegraph lines built during the Diar administration will enable the quick transference of the standing army of 27,000 men in case of a rebellion, and that modern artillery and rapid-fire guns will do the rest.

Troops on Move. A dispatch from Linares, State of Nuevo

A detachment of the Eighth Regiment left tonight for Galeana on special or-ders, after visiting the home of Mayor Francisco Flores, who furnished a guide to the commandist officer. Speculation has arisen as to the outcome of the visit of the troops in Galeana, General Reves of the troops in Galeana. General Reyes is already reported to have left that place. The regiment took the old San Antonio road. This is considered as sig-

MERCHANT FIGHTS POLICE

Refused to Be Arrested on Charge of Blocking Sidewalk.

MOSCOW, Idaho, Aug. 19 .- (Special.) -N. Williamson, proprietor of the largest mercantile establishment in this city, and Chief of Police John Canham engaged in a bloody fistic fight this afternoon in the Boston Store, when Williamson resisted arrest on a charge of having blockaded the sidewalk.

Last week Williamson was arrested for the same offense, and the case was oned. Today, it is alleged, he unchandise on the walk in front of his store, part of which remained there all Marshal Canham secured a warrant for Williamson's second arrest, and when he attempted to take Williamson from his store the two men mixed and the Marshal says he was interfered with by Williamson's clerks, who took his club and held him while Williamson dealt him several blows. Williamson says the Marshal is a "tool" of his competitors, and that he will fight the case bitterly. Williamson remains unarrested.

OREGON MARKSMEN IN EAST

Rifle Team From Beaver State Reaches Camp Perry Range.

CAMP PERRY, Ohio., Aug. 19 .- (Spe cial.)-The Oregon Infantry team of 18 officers and men arrived here this morning after an uneventful trip of five days from Portland. The team was in excel-lent condition, and took up practice at once. In the morning the Oregon men

lent condition, and took up practice at once. In the morning the Oregon men will take their place on the National range for preliminary practice, which will occupy all day and all Saturday. Manday morning the National team match will be entered. Being one of the 15 leading rifle teams of the United States, the Oregon men will have to fight for the National trophy in class A, being pitted against the Regular Army, Navy, Marins Corps and the pick of the National Guard teams. One thousand riflemen, representing all branches of the United States service, are now assembled United States service, are now assemble here for National matches.

BOATPULLER IS DROWNED

Hugh Mattson Falls From Narrow Walk at Hammond.

ASTORIA, Or. Aug. 19—(Special.)— Hugh Mattson, a boatpuller who had been employed during the season with Ed Siek, was drawned in the Columbia River bear Hammond at an early hour this morning by failing overboard from a narrow walk leading from the shore to the net racks. leading from the shore to the net racks.

Fred Borin, who was with Mattson at the time, lumped overboard, but was unable to rescue his companion and nearly able to rescue his companion and nearly lost his own life in the attempt. The body was recovered shortly afterward by members of the Point Adams life-saving crew.

Matison was a native of Sweden, 23 yars old and namarried.

BLOW OF SOLON MISSES

(Continued from First Page.) Army veterans were also present, urging the removal of the Orting home, but the bill falled on final passage by a vote of \$2 to 31. Thirty-three were absent and the vote for the bill fell short by 18 of the constitutional majority.

Second Bill Introduced.

This measure was recommended by Governor Hay in his message to the reg-ular session of the Legislature. The bill was presented in the June meeting and was held up pending an investigation by

Kitsap County members have not yet given up the fight. Senator Bryan of that county this afternoon introduced a bill appropriating an additional \$50,000 the Draxal 3d and Yamhili

for the maintenance of the Veterans' Home at Port Orchard. This sum, it is asserted, if granted, will give the Veterans' Home a sufficient maintenance fund to care for all who desire to enter, and it is predicted that the old soldiers at Orting will desert that institution for the

Orting will desert that institution for the new one if given the opportunity. Ward, of Kitsap, tried to introduce a similar bill in the House, but was denied the privilege under a resolution adopted yesterday shutting off new bills.

The Haisey Supreme Court investigating committee falled to make any report today as instructed by the House yesterday, Chairman Haisey, in a statement, said that it was necessary to secure further evidence before an intelligent report could be made.

Palmer Quits Committee.

Palmer Quits Committee.

Palmer Quits Committee.

The situation was cleared somewhat by the resignation from the committee of E. B. Palmer, whose name has been dragged into the Supreme Court rumors as an alleged go-between in the Ramsey quiet-title case, in which Dr. J. Eugene Jordan. P. F. Morrow and others of Seattle have been witnesses. Palmer's resignation was accepted, and the House adopted the resolution continuing the committee with instructions to report to the Governor when ready if the Legislature is not then in session. To give the ture is not then in session. To give the committee power to act after the session committee power to act after the session ends, the Senate must join in the resolution and that body has not yet acted. Without extended discussion, the Senate late this afternoon passed the Ghent House bill amending the Edge marriage law. The bill, its friends declare, has an emergency clause which retains all the restrictions of the present much-condemned law as to the intermarriage of imbeciles or persons afflicted with tuber-Nueva Leon, prominently mentioned as the successor to President Diaz, has retired to a mountain retreat.

El Imparcial, the Government organ, says \$75,000 was sent to him secretly yesterday.

A special train carrying \$60 cavalrymen will leave here tomorrow aftermoon under sealed orders. Its supposed destination is Sabinas, in the State of Coabuila, where anti-Administration riots are reported.

Revistas Posistor.

The Senate also passed House bills which dispense with the necessity of state employes swearing to salary vouchers; amended the drainage district law so that work must not necessarily be commenced at the outlet as af present; permitting the reinstatement upon payment of 125 pen-alty of corporations stricken from the Secretary of State's books for nonpay-ment of fees; providing for a method of building viaducts by assessing property benefited, and a bill re-enacting the act of the regular session vetoed by Governor Hay, because President Ruth, of the Senate falled to sign it. This bill authorizes countles to condemn gravel

pits for rock-building material.

The House passed the Senate bill recommended by the Governor permitting the acquirement of an additional rock quarry for the working of state convicts.

BILL FOR PRIMARY FAILS

Bell Will Move for Reconsideration in House Today.

OLYMPIA, Wash., Aug. 19.—(Staff Correspondence.)—The bill especially designed to provide for a special pri-mary election to choose nominees for mary election to choose nomined the election to fill the vacancy caused by the death of Congressman Cushman was lost in the House today, 45 to 13,

jority.

Bell, the author, voted on the pre-vailing side, in order to move recon-sideration, and the bill will be a spe-cial order tomorrow morning.

DYNAMITE IN POCKET KILLS

Lewiston Road Overseer Meets With Horrible Death.

LEWISTON, Ida., Aug. 19.-Through the accidental discharge of dynamite this morning. James A. Vernon, a resident of the Lewisten country for the past 25 years, was instantly killed and horribly mangled. No one was present. Vernon was road overseer of this disched and lived on the porth side of the Vernon was road overseer of this district, and lived on the north side of the Clearwater River near Lapwal Creek. He evidently started early this morning to do some work on the Uniontown grade, when he stopped to discharge a biast just opposite this city along the county road, where he had been widening the road. The view is expressed that he was crimping the cap on the fuse, which was attached to a stick of dynamics, and that the walloded from the concussion. He genit exploded from the concussion. He gen-erally carried his dynamits in his coat pocket. This probably exploded and caused instant death.

The horse and buggy, which he had been driving, continued down the road.

ROCKS IN POCKET; DROWNS

Julius Sorenson Commits Suicide at North Aberdeen.

ABERDEEN, Wash, Aug. 19.—A man supposed to be Julius Sorenson, a cook, committed suicide this morning by leaping into the Wishkah River at North Aberdeen. An engineer of a dirt train and several boys saw the man go to his death, but could not receive and in time.

man go to his death, our count not render aid in time.

Sorenson deliberately filled his pockets with stones before making the jump into the river. The body has not been recovered. Despondency induced by heavy drinking is believed to be the cause of the rash act.

BALLINGER TALKS COOLLY (Continued from First Page.)

that none withdrawn under the former administration have been 'grabbed.'

"There was no controversy between Mr. Pinchot and myself at the meeting of the Irrigation Congress in Spokane. I was invited there to make an address on the work of the Interior Department as it. work of the interest of the irrigation-ists are interested. I delivered the ad-dress as requested on the attitude of the administration toward the reclamation of the atid lands of the West. I did not enter into defense of my course as com-pared with that of an official in another department. Those who expected a con-troversy were disappointed, so far as I

POWERS ASK GUARANTEE

Cretan Government Says It Will Promise Flag Will Stay Down After Order Has Been Restored on Island.

TURKS READY TO BOMBARD. Turkish fleet has been concentrated a short distance from Crete. The representatives of the Powers today renewed energetic warnings to the Forte against leopardizing the peace by pushing her relations with Greece to the extreme.

CANEA, Crete, Aug. 19.-The armed inhabitants of Candia, the largest city of Crete, today reholsted the Greek flag in the present of a squad of militia, who were powerless to prevent the proceed-

A conflict was averted through the in tervention of the metropolitan, who to their barracks.

The Consuls of the powers have de-manded that the government of Crete give a written guarantee that the Greek flag will not be hoisted after the departure of the international squadron.
The government replied it will The government replied it will do so when order has been restored at Candia.

GREECE TO RELY ON POWERS Tells Turkey She Will Act as They

Advise Regarding Crete.

LONDON, Aug. 19.—Greece's reply to the last Turkish note regarding Crete has been communicated to the Powers. has been communicated to the Powers. The note regrets that after Greece's previous assurances the Turkish Government still complains of the attitude of Greece in Roumelia and Crete. It says the Greek Government deplored the anarchy and agitation that have ruined and declimated the population of Macedonia, and points out that as soon as the new Turkish regime gave Greece grounds for the hope that the situation would be improved, the Greek Government did all in its power to assist in the re-establishment of

to assist in the re-establishment of order in Macedonia.

Regarding Crete, the note reiterates that the Greek Government will con-form entirely to the decisions of the four protecting Powers.

THUGS HOLD UP AUTO PARTY

Rob Spokane Men of Watches and \$55 in Coin.

SPOKANE, Wash., Aug. 19.—(Special.)
—Blocking the road with a plank on which they placed a lighted red lantern as a danger signal, five men, masked and armed with revolvers, tonight held up an automobile party composed of Mr. and Mrs. Fred Grinnell, their daughter, Miss Helen Grinnell, and Mr. and Mrs. Samuel Galland.

The Grinnells are wealthy and in

Mr. and Mrs. Samuel Galland.

The Grinnells are wealthy and in the exclusive society set. Mr. Grinnell lost his watch and \$15, and Galland his watch and \$40. The robbers were finally frightened away by the approach of another automobile.

The robbery occurred at the Spraguestreet trestle. When the driver saw an obstruction where he had a clear road going out a few moments before, he stopped. Two masked men appeared

SOUTHERN COLORADO CANNOT ESCAPE FLOODS.

Lake George Dyke Bursts, Letting Loose Torrent-Hundreds of Tourists Stranded.

DENVER, Aug. 19.-Cloudbursts in Southern Colorado caused further damage by floods late today. The downpour in Trinidad was said to be the worst since 1904. Several bridges over the Purgatoire River were washed out and tracks of the Colorado & Southern Rall-road were torn away. Another cloud-burst occurred at Four-Mile Creek this afternoon, which again transformed the stream into a raging torrent.

The water has sufsided somewhat in

broken and an immense body of water had been released. The Lake George dam is located above the Cheesman dam. the latter controlling the main source of water supply for this city.

A heavy sterm tenight on the Sangre

de Christo range is adding to the flood

de Christo range is adding to the flood in the Arkansas River.

At Salida 500 tourists, many of them returning from the Grand Army reunion at Salt Lake, are floodbound. No Eastern trains are being operated and traffic to the West continues via the Southern route. This necessitates the retaining of Dalbara standards. Pullman sicepers here, as the Southern route is a marrow gauge.

HILL LETS IN MILWAUKEE

Deal Completed for Valuable Depot Site in Spokane.

SPOKANE, Wash., Aug. 19 .- (Special.)-Terms have been made between the Great Northern and the Milwaukee whereby the Great Northern surrenders all of the ground it owns in the heart of the city the Royal Gorge, though the bottom is west of the old Sacred Heart Hospital covered with tangled debris. The famous hanging bridge is covered with sand and waukee, which will build its big depot at debris three feet deep.

Word reached Denver that the dykes at Lake George, at the head of the south fork of the South Platte River, had for the Great Northern, will arrive to-

Cor. Fourth and Morrison Sts.

morrow to complete the details of this

agreement.

This will give the Milwaukee two more valuable blocks of ground, almost in the heart of the retail center, and will in-

heart of the retail center, and will increase the cost of the company's grounds in Spokane by perhaps \$1,000,000.

Just what the terms of the agreement are could not be learned, as none of the local Great Northern officials know anything about the deal, which was made direct between James Walsh for the Milwankee, and L. C. Gliman for the Great Northern. Mr. Walsh declined to give out any information regarding the rimored coal. It is not believed the Great Northern would surrender this valuable Northern would surrender this valuable property for a money consideration and for that reason the agreement is believed to be in the nature of a trade.
