OTHER TOWNS FEARED LOST

Monterey Has Only Polluted Water From Pools to Drink.

MEXICO CITY, Aug. 20.-Further re-norts indicate that other river settlements have been swept away. The town of Cadareyta, situated in the river bottom, is said to have been destroyed and it is feared there has been heavy loss of life

situated in the heart of the entire block of frame buildings. Had the flames gained headway the local fire department would. It is believed, have been unable in the country district adjacent to the Santa Catalina River. The fact that the water mains are roken in Monterey has forced the people o use old polluted wells for drinking to cope with it. The origin of the fire is a mystery, as the storeroom was kept water. The local Young Men's Christian Association and the members of the American colony are aiding in the work locked and no one is known to have enared the place throughout the day. The # or more guests of the hotel ushed into the streets dressd only in hotel of rescue. thir night clothes at the call of fire. Some of them became so alarmed that

oneer, Blows Out Brains.

LA GRANDE, Or., Aug. 30 .- (Special.) Tiring of life just two days before he had reached his \$2d birthday, G. B. Curtright, a pioneer of this valley, blew

his brains out in his lonely cabin near Alicel this morning. When the lifeless body of the old man was found it was lying face upward on the bed and a newly olled and pollshed revolver was lying where it had fallen in his lap. A bullet had been sent crashing into the brain from the left side of the head two inches above the ear.

The aged man had spent the night at the home of his daughter, Mrs. Thomas Clark, on the farm on which his cabin was built. He complained of suffering from heart trouble and rheumahism, and declared that they would find him dead some time. He left the cabin

dead some time. He left the cabin early and shortly afterward a shot was heard in the direction of the cabin. No thought was given to the incident

until evening, when, upon going to the home of the old man to inquire after his welfare before retiring, his daugh-ter found him dead.
