KEENE'S SWEEP IS

Leads Candleberry by Five Lengths and Carries Off \$27,000 Purse.

FIGHT FOR SECOND PLACE

Grassmere, Sweep's Stable Mate, Loses It Only by Length-Sweep Rushes to Front and Wins \ as He Pleases.

NEW YORK, Aug. 30.-James R. Keene's Sweep, a son of Brush-Pink Demino, won the 22d running of the Futurity at Sheepshead Bay today. Five lengths back, ridden out with whip and steel to heat Sweep's mable mate, "Grassmere, a short length for the place, staggered the Montpeller stable's candidate. Candisberry, also a son of Sweep's sire. Ingerona, an added starter, was a fairly good fourth, but the other nine contestants were beaten off and well strung out over a furlong. The time for, 200 FAST BANGTAILS ENTERED the six furiongs was 1:11 4-5. Sweep's share of the purse of \$31,000 was \$27,000.

Sweep Is Hot Favorite.

Of the horses amnounced as starters, three, Big Stick, Dull Care and Glenne Deane, were scratched, but two other eligibles, Angerona and Sandrian, were suddled in the hope that they might saddled in the hope that they might land a portion of the rich prize. The Keene entry was installed a hot favorite in the betting and the opening odds. 7 to 5, found the multitude swooping down on the money brokers with such bundles of money that the layers were forced to cut the price until at post time 5 to 10 was the best price in eight. Candleberry was well played at 3 to 1, but his price had risen to 4 at the close, with 8 to 5 that he would not run sec-

The trascible temper of Sweep resulted again in his being led to the post while the other candidates paraded past the stand and received the plaudits of the speciators. Sweep, by his unruliness, delayed the start ten minutes. Then the horses were away to a fine start.

Sweep Soon Goes to Front.

Sweep was off on his tiptoes, closely followed by Barley Thorpe, Grassmere, Malatine and The General Armstrong, There was a good deal of crowding, how-ever, and Sweep fell back behind Grassmere and Barley Thorpe into third posi-tion. Candleberry got away badly, but was making his way through the jumble and striking out for the leaders.

In the quarter, Grassmere still was leading, and Barley Thorpe was at his withers and coming fast. Butwell on Sweep then straightened out his mount and for a few seconds gave him his head. Sweep answered with gameness and at the five-furiong pole led by a length and a half with Candleberry second. At this point the race ended so far as first place was concerned, for But-well put his charge under wraps and simply galloped home

will be a Country Club Derby—one and one-eighth mile—in which several star performers from Eastern tracks will take part. Among the events will be a three-eighths-mile dash, one mile, one and one-quarter-mile dash and several furiong races.

The stables now competing in British Columbia are heading southward and will appear at both Portland and Salem. Eastern stuff is on its way out here and will join the circuit in the next week or so.

A fine line of advertising posters is being distributed by the Portland Fair leafs to the unfortunate on second at that luck to the unfortunate on second at that stage of the game cannot be explained.
