LIONS DISTURB COUNCIL

Roaring Beasts Bother Vancouver Session. VANCOUVER, Wash., Sept. 6.—(Special.)—Roaring of lions in a nearby sandstone house, and a noisy spot between Mayor Kiggins and Councilman Rowley furnished excitement at the Council meeting here tonight. The lions which caused the commotion early in the session belonged to Mrs. Schell's show, and their incessant roar frequently interrupted proceedings by drowning the voice of the clerk as he read the resolutions or called the roll. Several viva voce ballots had to be repeated because of the impartiality of the lions in roaring for both sides of the question. When the lions ceased to roar, the

Mayor and Councilman Rowley became entangled in a noisy bout which threatened serious consequences until his honor insisted that the disgraceful proceedings had gone far enough and ordered the regular business to proceed.

Mayor Kiggins attempted to force a report from Chairman Rowley of the water committee started the fireworks. Rowley pleaded delay, and said he wanted to save the city money. Other members wanted to know why the Mayor held up the paving contracts. To a pointed question from Rowley, Kiggins replied: "I don't have to answer to you or to any one else."

Rowley was again on his feet and in the sparring between the Mayor and the Councilman.

ACTORS ON STRIKE

More Pay Is Demanded in Small Chicago Houses. 300 PERFORMERS ARE OUT

Movement May Involve 2500 Members of Actors' National Protective Association—Juggler Is Brutally Attacked and Beaten.

CHICAGO, Ill., Sept. 6.—(Special.)—More than 300 members of the Actors' National Protective Association, an organization of performers in 5 and 10-cent theaters, went on strike tonight, the walkout having been preceded by desertions of the boards in a score or more of scattered moving-picture playhouses in the afternoon.

The calling of the strike to compel theaters to pay a wage scale of \$20 a week for single acts and \$30 for double acts followed almost immediately by one reported instance of violence which members of the union charged to sluggers in the employ of managers. Charles Lane, a professional "cannon ball juggler," was attacked, according to the officers of the union, at Clark and Randolph streets, and knocked to the sidewalk. His face is said to have been severely lacerated. The police were told that Lane was attacked by two men, one of whom used brass knuckles.
