Mayor Simon Vetoes New Ordinance and Upholds Old.

REVENUE LOSS THE CAUSE

Executive Declares Adoption of Latest Law and Repeal of Other Would Bar Collection of Licenses-The Veto Message.

Holding that ordinance No. 20,000. passed by the City Council September , entitled "An Ordinance to License Vehicles," and repealing ordinance No. 13,138, covering the same subject, will materially reduce the revenue derived from the licensing of vehicles, and that by repealing ordinance 13,138 it will be impossible to collect the licenses due the City of Portland from

delinquents. Mayor Simon yesterday vetoed the proposed law.

The Mayor states that under the ex-isting ordinance there should be \$16.748 due for the year 1908 from the licens-

No. 20,000, now returned to you for fur-ther consideration, is about the sum of \$8055. During the present year, 1909, there has been collected on account of vehicle licenses but the sum of \$1690.70, which, it must be apparent, is a very insignificant sum. The licenses so collected are based on ordinance No. 13,138, the only license ordinance now

effective.

As above stated, the amount of revenue that would be derived from the ordinance that has recently been passed by the City Council (No. 20,000) is about \$8955, and this ordinance contemplates the payment of licenses by the owners of free delivery wagons who in the past, have not been subjected to the payment of any license. It will thus be apparent that the ordinance under consideration materially reduces the revenue derived from the licensing of vehicles. This is a feature of the subject that required earnest consideration at the hands of the Council.

of the Council.

There is to my mind, however, a still greater objection to ordinance No. 20,000. The ordinance provides in section 8 for the absolute repeal of ordinance No. 18,188, which is the ordinance now in effect, and under which licenses are, and can be collected. There is a large amount of revenus due and payable to the City of Portland from the owner or owners of vehicles in use in the City of Portland in accordance with No. 18,188. By the repeal of ordinance No. 18,188 it will be impossible to collect the licenses due the City of Portland from delinquents.

BID AWARDED AFTER CUT Barber Asphalt Company to Install Main on Hawthorne Avenue.

Oscar Huber, of the Barber Asphalt Company, yesterday was awarded the contract for the construction of the water main on Hawthorne avenue when he agreed to cut down his bid of \$6525.90 to \$6275.90 or \$250 less than the first bid. The Mayor states that under the existing ordinance there should be \$16.748 due for the year 1908 from the licensering of vehicles, and the revenue that could be derived from ordinance No. 20.000 is only \$8955.

The Mayor's veto message to the Council is as follows:

This ordinance contemplates a complete revision of the amount of licenses to be paid by the owner or owners of vehicles; which is city and repeats ordinance working in uses in this city and repeats ordinance working in uses in this city and repeats ordinance working in uses in this city and repeats ordinance working in uses in this city and repeats ordinance working in the city and repeats ordinance with the paving until the water which licenses of this character can be collected.

I find upon examination of the search in the first bid. Huber's first bid was made at a session of the Water Board a few days ago when he said he would construct the sewer for the actual cost of labor and materials with 10 per cent for profit added.

The Barber Asphalt Company filed a contract to pave Hawthorne avenue for lay water mains before hard-surface to lay water mains before

SHE FILES LONG AFFIDAVIT

Attorney's Wife Makes Sensational Charges Against Him in Advance of Fred Frederickson's Second Sult for Divorce.

> Mrs. Eliza M. Mendenhall has filed in the Circuit Court an affidavit to the effect that she believes Fred Frederickson is about to file a new divorce suit against his wife, Maud Frederick-son, formerly Maud Cobb, which will link the names of the Mendenhalls with link the names of the Mendenhalls with the Frederickson family affairs. Mrs. Mendenhall previously filed a divorce complaint in the Circuit Court against Attorney Ed C. Mendenhall. Judge Bronaugh took under advisement yesterday morning a motion made by Mrs. Mendenhall's attorney for \$2000 suit money, \$500 attorney's fees and \$150 a month allmony, after extended arguments had been made. She declares her husband is well able to pay these amounts, as he is worth \$200,000. She says her income is now only \$17 a She says her income is now only \$17 a month. BANK HEAD IS ARRESTED

L. O. Ralston Nabbed by Patrolman Because Stable Is Unclean.

L. O. Ralston, president of the American Bank & Trust Company was arrested yesterday noon and was required to deposit \$20 cash bail to prevent his incarceration in the city prison. The arrest arose from the ownership by Mr. Ralston of a stable on Kirgs Heights, which he leased to Kneeland & Miller, teamsters and contractors. Many complaints had been filed with the authorities by people living in the vicinity who alleged the stable is unsanitary. Notice was served upon Mr. Ralston by Patrolman Inskeep but the conditions complained of not having been remedied the patrolman swore out a warrant in the Municipal Court and the banker was taken into custody.

Mr. Raiston will be required to make an appearance in the Police Court today and explain why his stable was not kept clean. He was amused over his arrest.

"If I had not had \$20 in my pocket I suppose they would have locked me up in jail." he said. "When the policeman notified me about the stable I went to see my tenants and told them they would have to keep the place in the condition prescribed by the officers. They promised they would and I supposing that it had

NO LONG WINTER SCHEDULE

Championship of Pacific Northwest to Be Decided in Two Days. Director Grilley Tells Results of Conference.

Announcement of the schedule of Winter sports adopted by the Young Men's Christian Associations of the Pacific Northwest was made yesterday by A. M. Grilley, physical director of the Portland association, on his return from Tacoma where he attended a conference of phy-sical directors of this district. Arrangesical directors of this district. Arrangements were made for contests in several branches of athletics which will decide championships among the Pacific Northwest Y. M. C. A's. Mr. Grifley, as retiring president of the Physical Directors' Association, presided at the conference. Baskethall competitions were put on a new basis at the Tacoma conference. Instead of holding a series of games between the various cities, extending stead of holding a series of games betwen the various cities, extending through the Winter, the champlonship will be determined by a two-day tournament to be held in Tacoma February 18 and 19. It is expected that Portland, Seattle, Victoria and Vancouver, R. C., Tacoma, Everett, North Yakima, Hoquiam and Bellingham will enter basketball teams and that all will compete in the other sports scheduled for this Winter. A basketball tournament is an entirely new thing on the Pacific Coast, although they have proven successful in the East. If the results of the experiment this year are satisfactory, these tournaments will probably become a ment this year are satisfactory, these tournaments will probably become a regular event. The new plan will eliminate much of the expense necessary to carry out a series of games in which long trips are necessary. Another advantage is that the players will not have to give up so much of their time to the sport

sport.

The Tacoma tournament will be on the same plan as a tennis tournament. All of the teams entered will meet, draw places and carry out a schedule that will definitely establish the championship.

The only event scheduled for this city is a championship aquatic meet to be held in the new building of the local association Issuing 22. This will be one sociation January 22. This will be one of the most interesting competitions of the Winter and all of the cities will have teams entered. The list of events has not been made out but the new swimming

Another feature that was outlined by the directors of the Portland association is a telegraphic indoor track meet to be held December 29. This will include five events, pole vault, running high jump, il-pound shot put, 120 and 440-yard potato races. The results of each event will be telegraphed from each association to all of the other cities in the league and ing and ran to engine 3. His proall of the other cities in the league and the championship determined. The regular gymnasium meet will be

held this year at Tacoma on Decem-ber 4. The Northwestern wrestling cham-pionships in the various classes will be settled at a meet to be held in Scattle March 19. In all of the competitions to be held the Portland association from its large membership expects to select teams that will make strong bids for

first honors.
Outside the arranging of athletic meets. the physical directors took up much other business at Tacoma, electing the fol-lowing officers: President, Harry Booth, of Tacoma; vice-president, B. V. L. Wil-son, of Victoria; secretary and treasurer, A. G. Donthitt, of Seattle. Several papers were also read, including one on "Athletica," by Assistant Director Lee, of Port-

The directors also provided for a circulating library of books pertaining to the work of the physical department, and made arrangement for a newsletter to be edited by President Booth.
