Defends Compromise for Income Revenue and Postpones Conservation.

an inheritance tax, but the objection that the states had preempted that field had sufficient weight to defeat the proposition.

The President then continued:

Income Tax Proposed.

A part of the Republicans and all of the Democrats of the Senate united in opposing for consideration a general income tax on individuals throughout the United States.

The law was as near as could be made to that income tax law which had once been considered by the Supreme Court some ten years ago and which was held to be unconstitutional by a vote of five to four.

It was concluded that the tax would raise \$1,000,000,000, which was far in excess of the needs of the Government.

It is further objected in the income tax amendment that it had been declared unconstitutional by the Supreme Court and to invoke a second decision upon that question was to question the uniformity of the decisions of the Supreme Court and to drag the court into a political discussion.

Pay \$50.00 Elsewhere Or Only \$39.50 Here

That's the story of our \$39.50 suit in a nutshell. We made an enormous purchase from one of the best style producers in the New York market and made our own price. Other stores would tell you (and tell you the truth, too) that there was little profit in such suits as these at \$50.00. Examine them and compare the quality of most \$50.00 suits that you see; in most cases these are better.

They come in plain broadcloths, black or a large variety of colors, or mannish effects in all wool worsteds. Look where you will, be as earnest as you please in the determination to get the most for your money, and in the end we're sure that in no other place in the Northwest will you find embodied in one suit such splendid style, such good material and such superb value for..... \$39.50

Howd & Le Beau Corsets

By all means the best front-lacing corsets to be had today on the American market. We have them ranging in price from \$5 to \$25, and our Howd corset at \$5 is the superior of any front-lacing corset in Portland sold at \$10. The superiority of Howd & Le Beau corsets is apparent at a glance. Their construction completely eliminates nipping or pressure of the spine, which is so frequent a cause of complaint in ordinary front-lacing corsets. Quality and value considered, these are practically the only corsets to choose; we're proud to offer them to our discriminating clientele at from \$5 to \$25.

Endless Assortment Silk or Wool Dress Fabrics

Fancy mixed worsteds for smart tailored suitings, plain-colored broadcloths and kindred fabrics for ultra clever afternoon and calling costumes; silks, satins, messalines and evening weights and shades in wool goods. Also taffetas and fancy silks for waists or neat tailored or shirt waist suits.

Gloves-Trimings

Additions to miladi's toilette, that cost little and mean much. The correctly garbed woman recognizes in these offerings the same of quality and authoritative style. We carry a full line of the famous Alexandria-made Kid Gloves, perfect in every detail, from the first treatment of the leather to the finishing touches added by expert workmen. Here in all Fall shades. Have the best gloves for your new pair, stamped "Alexandria Made."

Women's Shoes \$3.50 \$4.00 and \$5.00 the Pair

We're enthusiastic enough about the styles and values we offer at these prices, goodness knows, but our customers say more in their praise every day than we do.

SPRINGFIELD, Ill., Sept. 21.—(Special.)—Determination to wage a bitter fight against the Anti-Saloon League of Illinois, on the part of the Illinois Retail Liquor Dealers' Association, was expressed by Ernest Knude, of Chicago, president of the association, in his address, delivered at the annual convention, which was opened in Chatterton's Opera House here today.

THEATER RANG WITH THE CHEERS OF THE DELEGATES AND VICTORS WHEN HE MADE THE ANNOUNCEMENT.

The convention opened with 231 delegates in attendance, of whom 200 are from Chicago. Mayor Schnepf delivered an address of welcome on behalf of the city and Rudolph Van Achen, of Peoria, vice-president of the association, made the response. President Knude, Secretary Michael J. McCarthy, of Chicago, and Treasurer Thomas J. Murray, of Springfield, read their reports.

Secretary McCarthy reported a decrease of 1,150 in membership since last year, owing to facilities voting "dry," but expressed the belief that the liquor interests would make a gain at the elections next Spring. The secretary said the convention would take no action on the Supreme Court election.

SECRETARY MCCARTHY REPORTED A DECREASE OF 1,150 IN MEMBERSHIP SINCE LAST YEAR, OWING TO FACILITIES VOTING "DRY," BUT EXPRESSED THE BELIEF THAT THE LIQUOR INTERESTS WOULD MAKE A GAIN AT THE ELECTIONS NEXT SPRING.
