The Portland Beavers celebrated their home-coming by administering a coat of whitewash to the Los Angeles crew yesterday, t to 0. Howard Guyn occu-pled the mound for the Beavers, and the Los Angeles herd could not touch him when hits counted. The boy worked like a major leaguer, and the rest of the team played like demons behind him. Their opponents didn't have a ghost of a show at any stage of the game. On the other hand, Thorsen, the Angels' offering, was in hot water in nearly every inning, for the Beavers nad 10 men left on bases. The South-ern crowd is badly crippled. Beall, their regular right fielder, was on first yesterday and George Wheeler played

right field.

Los Angeles got only five hits off the: Beaver slabster, and three of those were infield singles. The closest the visitors came to connecting with the register was in the second frame. Howand tripled to left center with one man out, but died there due to two brilliant stops on the part of Olson, the scrappy shortstop. Once, again, they got a man to third base, only to have him left at the post. That was when Smith beat our a bunt to Johnson, took second a bunt to Johnson, took second Delmas' sacrifice and third on a

bunt to Cooney.

Cooney got a hit in the first inning,
was sacrificed to second by Oison, but died there because Graney and John-son flew out. In the second the Beaver boys put one over the pan on Manager McCredie's three-bagger and Howard's error. Ort heat out an in-field hit to the pitcher in the fourth frame and when the latter threw it to the netting the first baseman took third and scored on Spess' long fly to

The locale got another in the fifth a base on balls, a wild pitch, an The Beavers had three men on bases it this inning with two men out. Fisher played off first to draw the throw and to try for a triple steal, but John-son, who was on third, was caught at the plate. The Beavers scored their inst one in the eighth canto on an error, a free pass, a hit and another free ticket that forced the runner in. The sacks were loaded at this junc-ture, but the best Olson could do was to whiff at three and the side was out

SAN FRANCISCO, Sept. 81 .- (Special.)—The San Francisco bunch of baseball players is in a badly crippled condition, and, while there is no feelcondition, and, while there is no feeling on the part of the management that the pennant will be lost, the fans are none too sure of their ground. through the hand in the third inning, when Carroll slid into second base. Mohler also quit. It may be several weeks before he will be able to get back into the game, and the infield will suffer in consequence.

The outfield is also crippied. Bodie has a bad knee that keeps him on the bench, and Melchlor's throwing arm is in bad shape. The entire team suffered from the heat in Los Angeles, and "Red" Davis complained particularly that he was unable to sleep on account of the warm weather. All Portland has to do is to keep plugging and the tables may turn.

MPIRE JIMMY TOMAN, who formerly played shortstop for Los Angeles, is the best umpire in the league today and next year he will be a grea deal better than this year. Nearly al selves unite in saying this.

There is a world of difference in the playing of the two Portland teams. The Beavers are more lively, not only in playing the game, but on the coaching

"Little" Jack Grancy made a desperate try for Howard's hit in the second inn-ing that went for a three-bagger. Jack got within reaching distance after a long run but couldn't squeeze the sphere.

Olson made a couple of dandy stops yesterday that would have gone for hits ordinarily. The way he pegs to first reminds one of the days of Jakey Atz, now in the big league.

Guyn surely had everything on the ball yesterday and he had great control as well. Not a man reached first by the gratis route during the game.

Frank Dillon was on the bench yesterday but was not in uniform, though he expects to be in a few days. He is laid up as the result of being spiked.

Ort was busy boy around the initial He handed 17 put-outs with out a bobble.

Speas has about as good a whip as any outfielder in the league. He made a perfect throw from the fence to third base in the second inning of yesterday's game in an effort to catch Howard but the latter beat him there by a close, margin. He also made some nice pegs to the home plate during practice.

Keep it up Oakland! Every game you win from San Francisco means one notch nearer the rag for us.

SPOKANE, Sept. 21.-Manager Brown tried out three youngsters today and every one made good. Bonner, a big youth from Lewiston, the home town of Gregg, who was sold to the Cleveland Americans for \$4000, was entitled to a shutout, the run coming on an infield error followed by Davis two-bagger. Four hits, one a gift, were made off his delivery. Vancouver's loose fielding enabled Spokane to win easily.
