noon and adjourned while a committee was sent for a final conference with the fusion forces in the hope of reach-ing an agreement upon candidates, that his name was presented.

After the conference, Timothy L. The Independence League delegate withdrew from the conference yesterday because the League would not be a party of "berealining for offices" as the disto "bargaining for offices," as the dis-senting delegate expressed it. Notwith-standing the Independence League's defection and some minor friction among the fusionists, the Republican leaders say that the alliance in opposition to Tam-many is still formidable.

The fusion sub-committee adjourned to, night without formally indorsing the Republican ticket as selected, but in view of Mr. Woodruff's announcement, its sup-

OLD BUILDING IS RETAINED

Oregon City Is Expected to Preserve First Methodist Church.

OREGON CITY, Or., Sept. 28.—(Special.)—There is no likelihood of the old Methodist Church building being moved to Salem and being placed on the campus of Williamette University, though the Methodist conference, which was in session last week at Cottage Grove, passed resolutions toward that end. be in excess of \$1000.

It was reported that it was not possible to secure a site in Oregon City for the preservation of the building, but it now develops that this report was circulated in order to stimulate an interest in the matter here, for there has been no effort made at any time to obtain a site. This was admitted this morning by Rev. R. C. Brackwell, paster of the Methodist Church, who has just returned from conference and who made the report on the situation. He believes that the building should be placed on the public square on the bluff where the McLoughlin home now

It is the way in which the tobaccos are blended that makes Imperiales Cigarettes a full, rich, satisfying smoke of delicate fragrance. That's why so many men of discrimination prefer them.
