

GRAIN RATE CUT BY RAILROAD

State Commission Permits Modification of Order Effective November 1.

O. R. & N. MAY MEET CUT

Northern Pacific's Rate Effective Only to Seattle and Tacoma, but Corresponding Reduction Westbound Expected.

OLYMPIA, Wash., Sept. 28.—(Special.)

The Northern Pacific has agreed to cut grain rates, effective November 1. The State Railroad Commission today made the following announcement: "As the result of a conference between Judge Hold, of the Northern Pacific Railway Company, and the railroad commission yesterday, an agreement was reached on the wheat rate case. The Northern Pacific petitioned the commission for a modification of its order so as to make the order apply only to rates from the interior to Seattle and Tacoma. The complaint challenged the reasonableness of these particular rates and the evidence was directed towards these rates only. As a result of a conference the commission modified its order so as to read that the old rate of 19 1/2 cents per 100 pounds be made 17 cents; the 18-cent rate be made 15 1/2 cents; the 17-cent rate be made 15 cents; the 16-cent rate be made 14 1/2 cents; the 15-cent rate be made 14 cents; the 14-cent rate be made 13 1/2 cents; the 13-cent rate be made 13 cents; the 12-cent rate be made 11 1/2 cents; the 11-cent rate be made 11 cents;
