Durbrow, of San Francisco, the company entered a plea of technical and unintentional guilt. The maximum penalty would have been \$10,000. SAN FRANCISCO, Oct. 1.—S. K. Fitzhugh, formerly an Army Captain and lately a constructing engineer for the Warren Improvement Company, was arrested here yesterday on the charge of having forged the name of George Chadwick, of the firm of Chadwick & Sykes, to a check for \$500. Sibyl Speers, a 16-year-old girl, who had attempted to pass the forged check at the Crocker National Bank, was instrumental in the arrest of Fitzhugh. He declared that she had met him at a restaurant in Oakland, that he had posed as a rich man, used the name of George Chadwick, courted her, promised to marry her and had given her the check to purchase a trousseau. The prisoner said his arrest was a mistake, and that he had never had any dealings with Miss Speers. He stated that he had a wife and two children in Alameda, Cal., and that he was formerly a Captain in the Thirty-sixth United States Infantry.

NEW YORK, Oct. 1.—Joseph Garretts, managing editor of the Cincinnati Times-Star, who was among the passengers to arrive on the steamer Mauretania last night, brought word from Sir Thomas Lipton that he would sail from England for New York October 9, to make a tour of the country and to issue a challenge to the New York Yacht Club. Referring to his plans, Sir Thomas, according to Mr. Garretts, said: "I will race for the cup if I am permitted to do so on even terms. But I will not engage to sail a marine frigate across the ocean to compete against a skimming dith. "When the Shamrock crossed the ocean she came within an ace of sinking with all hands and I shall never ask another man to subject his life to such useless risks." Sir Thomas said that he hoped the New York Yacht Club would permit a race

### REMEDIES ARE NEEDED

Were we perfect, which we are not, medicines would not often be needed. But since our systems have become weakened, impaired and broken down through indiscretions which have gone on from the early ages, through countless generations, remedies are needed to aid Nature in correcting our inherited and otherwise acquired weaknesses. To reach the seat of stomach weakness and consequent digestive troubles, there is nothing so good as Dr. Pierce's Golden Medical Discovery, a glyceric compound, extracted from native medicinal roots—sold for over forty years with great satisfaction to all users. For Weak Stomach, Biliousness, Liver Complaint, Pain in the Stomach after eating, Heartburn, Bad Breath, Belching of food, Chronic Diarrhea and other Intestinal Derangements, the "Discovery" is a time-proven and most efficient remedy. **Dr. Pierce's Pleasant Pellets** regulate and invigorate stomach, liver and bowels.
