The Greater Meier & Frank Store

Portland's Largest and Best Retail Establishment

We ask the entire population to come and view the enlarged store, the comforts, luxuries and conveniences on every side. It is an exhibition, a city in itself, an institution of commerce that is unique. Here is every contrivance and invention that forethought could devise to make shopping something more than shopping has ever been before in this Far West, and to establish The Meier & Frank Store in popular regard as the pleasantest resort apart from buying, and, of course, the best of buying places in Portland.

Plan to be with us tomorrow evening, October sixth, from 7:30 to 10:00
