TAILOR FINED FOR STABBING. — After hearing the testimony of the various witnesses yesterday morning in the Municipal Court, in the case where J. A. Malo, a tailor, and Ben Berg, foreman of the Crown Tailor shop, were on trial for a vicious fight with shears on Monday afternoon, Judge Bennett fined Malo $50 and allowed Berg to go without punishment. Other workmen in the shop swore that Malo attacked Berg and struck the first blow, inflicting an ugly wound in Berg's cheek. Although Malo had been stabbed in the back and also in the head, none of the men in the shop was able to tell how he had come by his injuries. Malo asserted that Carl Freedman, the proprietor of the shop, held him while Berg stabbed him. Judge Bennett, however, did not believe this statement. In giving his decision the judge said that while Berg had been guilty of fighting he thought that he had the right to defend himself when attacked and therefore would hold him blameless.

SELLWOOD CLUB RALLY TONIGHT.—The Sellwood Commercial Club will hold a big rally tonight in Strahlman's hall, on East Thirteenth street and Spokane avenue. An invitation has been issued to all residents of the suburb of Sellwood to attend this meeting. A short musical programme will be rendered. Miss May Conyers, Mesdames Whitmore, Stokes and Fixon and D. Johnson will sing. The Misses Glosser will give a piano duet, and there will be two readings. C. C. Chapman, of Portland, and prominent men of Sellwood will address the meeting. This mass meeting is to be held to promote the interest of the Sellwood Commercial Club. It now has 122 members, but there are many others whose names the club desires to secure. The erection of the new clubhouse is going forward and will be completed before the first of the year.

WANTS BROADWAY BRIDGE EXPEDITED. —The Arbor Lodge Push Club, at its meeting Monday night, adopted strong resolutions condemning any opposition to the immediate erection of the Broadway bridge, and appointed a committee to confer with similar committees to expedite its erection. At this meeting the matter of making a street out of the Willamette boulevard, betwen Morris street and St. John, was discussed by S. C. Beach and others. Mr. Beach favored the change, setting forth that by making a street out of Willamette boulevard the city would have authority to lay sidewalks and improve it. At present it is a county road. A resolution was passed urging the Board of Education and the Park Board to secure the vacant lots between the Jefferson High School and Killingsworth avenue.

CARETAKER FINED FOR ASSAULT.—William Castleman, chief lineman for the Portland Railway, Light & Power Company, and William Gorman were before Judge Bennett yesterday morning in the Municipal Court charged with fighting. Gorman is caretaker of a building, at Second and Davis streets, which is being torn down. Castleman was sent there to remove electric wires. Gorman refused to allow Castleman to enter the premises and a tussle ensued. When the police arrived Castleman had Gorman on the floor administering a severe drubbing. Because Gorman had been the aggressor Judge Bennett fined him $10 and allowed Castleman to go.

BUSINESS MEN TO VISIT FAIR.—Members of the East Side Business Men's Club will go to Gresham Friday afternoon to attend the Grange Fair. Cars for the trip have been chartered by the club, and the only cost to members will be admission to the Fairground. Friday afternoon was selected as the time for the trip as on that occasion there will be many interesting events. Stock will be shown on the grounds, there will be a special floral display, and there will be "broncho-busting." The cars will start from the intersection of East Water and East Morrison streets, at 1 P. M. Badges will be furnished.

EVEREST FUNERAL TODAY. — Funeral services of John Everest, who died at Salem last Sunday night, will be held in the East Side Funeral Director's Chapel this morning at 11 o'clock, under the auspices of the Woodmen of the World. Mr. Everest died at the age of 47. He was well known in Portland and was the director for several years of the Everest orchestra, and was also director of the Third Infantry Band, O. N. G. He is survived by his wife and three children, Carl C., Earl B. and Lillian May, his mother, one brother, Alfred Everest, and three sisters, Mrs. A. Opitz, Mrs. H. Brown and Miss May Everest.

Next Saturday will be the 50th anniversary of John Brown's raid on Harper's Ferry, and "His Life and Influence" will be the general subject for discussion during the evening. Salmon Brown, a son of John Brown, who lives in Montavilla, will be present.

Mr. Fletcher has been confined in the hospital for three weeks now and yesterday his condition became much worse and now gravest fears are expressed as to the outcome. While this meeting has been planned principally for the members of the church, all persons calling Grace Church their church home, are invited to be present. The Woman's Home Missionary Society of Grace Church will hold its regular meeting at the residence of Mrs. Philip Buehner, east end of Hawthorne avenue today. The business session will begin at 2 P. M. The programme following will be of especial interest consisting of musical numbers by Miss Burns, saprano soloist of Grace Church, and a talk on "Alaska," in which Mrs. C. R. Templeton will give her personal impressions of the work among and needs of the Alaskan Indians.

TOOL THIEF GOES TO JAIL. — Fritz Schneider, a tool thief, was sentenced to four months in jail yesterday morning by Judge Bennett in the Municipal Court. Schneider was convicted of stealing $35 worth of tools from the shop of G. A. Steffi, a tinner at Twenty-fifth and Upshur streets. Schneider pawned the proceeds of the robbery and through his visits to the pawnbroker's his identity was discovered. He said a strange man handed him the tools and asked him to sell them. His story was so palpably untrue that he was interrupted by a Deputy District Attorney and not allowed to finish it. Among the things Schneider found in the shop were a pair of brass "knucks" which he had in his trousers pocket when taken into custody. In addition to the sentence for stealing the tools Judge Bennett fined him $35 for carrying the "knucks." Schneider was unable to pay the fine and will have to serve out his fine in jail.

FINE DAHLIAS ON DISPLAY.—An interesting and unusually handsome display of dahlias grown by the Routledge Seed & Floral Company is attracting much attention in the windows of Woodard, Clarke & Co., at Fourth and Washington streets. The exhibition is an extensive one, embracing over 50 varieties of this hardy and decorative flower. Especially interesting is the new variety the peony dahlia, the latest introduction in the dahlia kind, originating in Holland and being shown in Portland for the first time this season. Nearly all of the Routledge Company's dahlia bulbs are grown near Vancouver, Wash., where it has an extensive field of three acres of these flowers, comprising between 25,000 and 35,000 bulbs.

MISSIONARY SOCIETY TO MEET.—Beginning at 2 o'clock this afternoon, the regular meeting of the Woman's Home Missionary Society of the Grace Methodist Church will be held at the residence of Mrs. Philip Buehner, 276 East Fifty-fifth street. In the regular business session several matters of importance will be taken up, and following this a programme of musical numbers and lectures will be given. Solos will be sung by Miss Irene Burns, and Mrs. C. R. Templeton, of the First Presbyterian Church, will tell of the missionary work being done among the Indians of Alaska, illustrating her talk by maps, pictures and curios. An invitation is extended to all members and friends of the church to be present.

GUN-PLAY GAINS FINE.—After a drunken rampage in the North End on Monday Dave Hudson, a citizen of Seaside, was arraigned before Judge Bennett yesterday morning in the Municipal Court. Hudson had entered a saloon and in imitation of the cowboy of tradition had pulled out a revolver, making reckless flourishes with it in the direction of Tony Martin, the bartender. Because Martin did not serve the drink ordered by Hudson in a manner to suit the Seaside resident, he threatened to blow Martin's head off. Hudson was fined $50 and his revolver was confiscated.

WOMEN FINED $25 EACH. — Margaret Henry and Anna Graham, the women who, with Mrs. Mabel Thomas, were found in the disorderly house conducted by Charles Jones, proprietor of the Idle Hour saloon, pleaded guilty yesterday morning before Judge Bennett in the Municipal Court to being disorderly women and were fined $25 each. The testimony of the two women being deemed as important in the forthcoming trial against Jones in the Circuit Court they were put under bail as witnesses in this case.

COUPLE OVER 70 MARRIED.—J. S. Day, 74 years old, and Mrs. Mary Brown, aged 72, the widow of a rancher who died several years ago, were married by Rev. Mr. Robinson, at 2 o'clock yesterday afternoon, at the home of John P. Gerardy, 780 East Twenty-ninth street. Mr. Gerardy is Mr. Day's grandson. The groom retired from active business some time ago.

LOTS SOLD FOR $30,000.—Lots at the northwest corner of Eighteenth and Savier streets, belonging to Thomas Wells, have been sold to Edgar M. Lazarus, the architect. The consideration was about $30,000. The sale was made by Dabney & Dabney. It is understood Mr. Lazarus has bought this as an investment.

DAHLIAS ONE DAY MORE.

For the benefit of those who missed the grand display of dahlia flowers in Woodard, Clarke & Co.'s window, we will show them one day more in our window, at 169 Second street, between Morrison and Yamhill streets. Routledge Seed & Floral Co.

THE OREGON STATE BOARD OF DENTAL EXAMINERS will hold their semiannual examination November 15, 1909. All applicants call at the office of Dr. J. M. Yates, the Dekum bldg., on the morning of November 10, to register. Dr. H. H. Olinger, secretary.

NOAH GASOLINE ARRESTED.—Noah Gasoline, whose explosive name is strangely apropos of his character, was arrested yesterday afternoon, by Patrolman Leisy, at Third and Burnside streets, for begging. Leisy was dressed in plain clothes when approached by the man for alms and when the officer refused to gratify his request Gasoline broke out with a volley of expletives. He talks fast and sputters so that when asked his name and he replied "Gasoline," the jailor thought he was fabricating. Gasoline does not know the derivation of his name and never heard of any other person of the same name. Gasoline was given a prominent place in the "drunk" cell to await his explanation before Judge Bennett this morning.

ELKS TO HAVE DANCES.—Following the custom of holding a series of dances during the Winter months instituted last season, Portland Lodge, No. 142, B. P. O. Elks, will hold the first affair of the present season, at Muriark hall, on Friday night, October 29. Last year the lodge held several most enjoyable affairs. All members of the lodge and their wives, mothers, sisters and sweethearts are invited. At the last meeting of the lodge the following committee was appointed to take charge of the first affair: C. C. Bradley, chairman; Guy Haines, A. E. Jenkins, Herman A. Politz, Will Harris, Dr. T. Perkins, Edward Krull, George Williams, T. I. Swivill and T. B. McDevitt, Sr.

RELIGIOUS MEETING DISTURBED. — The police were called out shortly before 6 o'clock last night to quell a disturbance, at Third and Burnside streets, where they found a religious meeting thrown into an uproar because William Ditchweller, a drunken laborer, was haranguing the speaker. Some of the onlookers had resented Ditchweller's remarks and were about to mob him when Patrolmen Wanless and Shaffer appeared upon the scene and took the man into custody.

LAY CORNERSTONE NOVEMBER 7.—Rev. W. T. Euster, pastor of the Sunnyside Methodist Church, said yesterday that the cornerstone of the new church building will be laid Sunday, November 7. He is now making arrangements for that event. Work is progressing rapidly on the basement walls, and by that date the first floor will be completed.
