I. I. Boak, head consul of the Woodmen of the World, will arrive in Portland this morning and will be at the Portland Hotel until Monday morning, when he will leave for his home in Denver, visiting in Pendleton on his way home. Mr. Boak will here make arrangements for the next head camp session, which is to meet in Portland next July. J. J. A campaign for new members is being launched, and the committee expects to host the Mount Tabor Institution, in which 300 candidates were initiated in one night. THEATER DECLARED SAFE

**PERMISSION GIVEN TO OPEN
PORTLAND OCTOBER 18.**

At First Performance in New Shubert House Mayor and City Officials Will Be Guests.

The City Executive Board yesterday afternoon granted permission to the owners of the former Heilig Theater, now the Portland, to reopen that house October 18. This was done upon motion of John F. O'Shea, chairman of the fire committee, after the reading of unqualified indorsements by Building Inspector Dobson, Fire Chief Campbell and Deputy Fire Marshal Roberts. These officials stated in written reports that the building, as remodeled, is absolutely safe, their only stipulation being that the gallery be not used.
Mayor Simon announced during the day that he had accepted an invitation to be present and occupy a box at the opening performance, Monday night, the invitation also including members of the Executive Board and the City Council. The Mayor was among an official party that inspected the theater building yesterday morning, and he is personally satisfied with the repairs that have been made since it was closed by ex-Mayor Lane several months ago.
The board adopted the report of the police committee, recommending the acceptance of the harbor patrol boat Eildor, and confirming the appointments of certain officers for the crew. The craft will be in service along the river front and will be operated day and night.
The contract for improving Ravensview Drive was awarded to the J. W. Swensley Contracting Company for \$12,000. Several other paving awards were also made for various sections of the city.
The board ordered a payment of \$5000

SELLWOOD TO RAISE FUND

Branch Y. M. C. A. Hopes to Erect \$12,000 Building.

Preparations are being made to start the canvass of Sellwood for funds for the proposed branch Y. M. C. A. to be established in that suburb. At a meeting of the general committee, which has the matter in hand, Wednesday night, a plan was outlined. A full list of business men and residents of Sellwood is being made up for the use of the canvassers. The real work of securing funds will be started about November 1, and it is expected to secure about \$2000 in Sellwood.
Rev. D. A. Thompson, who is the prime mover for the establishment of this branch Y. M. C. A., said that it is expected to erect a building costing between \$2000 and \$12,000, but that it would not be built on the lot purchased some time ago on Unatilla avenue. Two lots are wanted for the building, and it is expected to secure a quarter block on East Fifteenth street and Spokane avenue. An option on two lots at this corner has been secured, and both will probably be bought.
Rev. Mr. Thompson is very optimistic over the proposed branch Y. M. C. A. and is confident it will succeed.
The branch will be under the direction of the Portland Y. M. C. A., which will furnish a secretary, and it will contain many of the features of the main building.
