Klamath Lake Navigation Co. Asks \$50,000 Damages for Barrier.

STRAIT BLOCKED ALLEGED

Southern Pacific Extension From Weed, Cal., to the Falls Is Defendant—Government May Be Drawn Into Case.

Suit for \$50,000 damages and an injunction against the offending corporation was filed in the United States court yesterday by the Klamath Lake Navigation Company against the California-Northeastern Railway Company, the California Oregon Express Company and the Southern Pacific from Weed, Cal., to Klamath Falls.

It is alleged in the complaint filed yesterday that the Harrisman line by the construction of a trestle across Klamath Strait, necessary to be built by the building of its line from Weed to Klamath Falls, has established a barrier to the further operation of the complainant's line of steamboats between the Klamath River and the lower Klamath Lake, and because of this interrupted navigation that damages are claimed in the amount of \$50,000. The Klamath Lake Navigation Company seeks to join further maintenance by the Harrisman corporation of the obstruction complained of.

WORKER WEDS, WYATT SAD

Assistant U. S. District Attorney Loses Servant He Can't Replace.

United States Assistant District Attorney Wyatt was crestfallen yesterday. Industrial efforts on the part of his co-workers in the federal building in an attempt to cheer up the despondent Assistant Prosecutor proved unavailing. He refused to be comforted. It was finally ascertained that the cause of his disappointment was a dam which had come to regard her as one of the family. But that is the way in this present day of scarcity of domestics, you no sooner succeed in acquainting a young woman servant with the duties of her position than some vigorous specimen of young America, in the name of being along looking for a helpmate and it is up to the employer to look for another housekeeper. Under present conditions it is no snap to replace a faithful servant.

George H. Marsh, Clerk of the United States District Court, will leave today for Medford where he will attend United States Judge Wolverton, who left yesterday for the Jackson County metropolis to hold the first special Southern Oregon session of the Federal Court.

PARASITE HEAVILY FINED

Arnold Martinehl, Who Boasts of His Earnings, Gets 140 Days.

Arnold Martinehl, a male parasite who admitted with bravado in the Municipal Court yesterday morning that he had received money from Lillian Thompson, got severe punishment from Judge Bennett, and was sent to the rockpile for 90 days and fined \$100. Unable to pay the fine, Martinehl will have to serve 30 days in jail, making his imprisonment 140 days in all.

HEART CAUSE OF DEATH

Blow From Beer Glass Does Not Kill Man Who Weds and Dies in Jail.

As a result of a post-mortem examination held by City Physician Ziegler yesterday afternoon at 2:30 o'clock, upon the body of George Derby, a carriage-painter, who died in the City Jail Sunday night, after having been struck on the head with a beer glass by his wife, Beulah Derby, the police have withdrawn a charge of manslaughter against Mrs. Derby. Dr. Ziegler announced last night Derby's death was due to heart disease only, and that the wound upon his head was superficial.

slaughter against Mrs. Derby. Dr. Ziegler announced last night Derby's death was due to heart disease only, and that the wound upon his head was superficial. Mrs. Beulah Derby, who was also arrested in connection with this case, upon the suspicion of having robbed Dominick Genesotto, an Italian laborer, of \$75, will probably be cleared of the charge against her as well, for Genesotto's tale of robbery, according to the police, may have been the result of an imagination inflamed by too much drink. After the urgent denial of the Hamilton woman of the charge against her, Detective Carpenter and Price searched the Italian and found his money secreted in his shoe. The woman had been arrested in the Alberta rooming-house, 2114 First street, where she had been living. Mrs. Hamilton took the Italian into the Derbys' rooms to get a drink, the Derbys being plentifully supplied with bottled beer. After the visitors had the Derbys got into a row in which he was struck over the head. The police feared the blow had caused death. When it was learned the

OLD RESIDENT OF EAST SIDE PASSES AWAY AFTER LONG AND HARD ILLNESS.

Mrs. Angie Wensley, an old resident, died in the Sellwood Hospital Saturday, October 18, after a lingering illness of several months. She was born in Pagetown, Ohio, October 14, 1839, and came to Oregon with her husband over 25 years ago. They lived at La Grande for a few years and then moved to Portland, making their home here ever since. Mrs. Wensley is survived by her husband, A. H. Wensley, and the following children: Mrs. L. Dreyfuss, of Portland; Albert H. Wensley, of Seattle; George H. Wensley, of The Dalles. She was a member of Mizpah Presbyterian Church, and the funeral will be held in this church tomorrow afternoon at 2 o'clock.

Hamilton woman and the Italian had been in the room also, they were arrested, and the Italian asserted he had been robbed.

Derby not only died but was married in jail. He had been in trouble frequently, owing to his fondness for liquor, and two years ago, when he and Mrs. Derby had been arrested for a drunken escapade, wound up the affair by promising a better life to the Judge, who united them.

PHONE NUMBERS SECRET

Portland Not Alone in Time-Saving Plan—Information Bureau Planned by Young.

From an inquiry conducted by Postmaster Young, of the Portland postoffice, it has been ascertained that Uncle Sam's local postal station is not the only one in the principal Western cities, as follows: Los Angeles, San Francisco, Denver and Omaha. Each of these offices, however, is provided with such clerical help as enables it to maintain an information bureau. In Seattle, Spokane, Tacoma, Butte, Oakland and Salt Lake, however, the postoffices do not give their telephone numbers in the directories, and Salt Lake only gives out its number to business firms.

CREMATORY TO RISE SOON

Mayor Says Withdrawal of Bid Will Not Cause Delay.

"Portland will have a garbage crematory without much delay," said Mayor Henderson yesterday, after the withdrawal of Chicago, withdrew their bids and certified checks, which they tendered to the Board of Health recently. The action of this firm does not mean, however, that we are going to investigate the crematory subject until we are certain as to what system we want, and we will then build one. The city has plenty of money here, and we will carry forward this or any other project, and the crematory will be installed just as soon as we have the information necessary to enable us to know which is the best kind for successful operation."

DRY PENDLETON REVIEWED

Communication From Secretary Oregon Prohibition Committee.

PORTLAND, Oct. 18.—(To the Editor.)—The writer desires to reply to some of the assertions made by M. C. Dickinson of this city, in his address to the Western Hotel Men's Association at San Francisco. In his opening statement, Mr. Dickinson makes assertions about prohibition running business, that it does not prohibit, etc. These statements are old as the eternal hills and he should have had a few days' rest before he had passed the lips of many a worshipper at the shrine of Bacchus before he reached the podium. I take for granted that the statements made by the speaker are correct. For instance, the oldest sort of logic to assume that Oregon is a dry state, with a population of 42,000 souls and Portland, Or., 249,000, is a dry city, is a very poor one. Little Portland has but 480. Assuming, as I could say with equally good logic that Portland, Or., is not as large as Chicago, because Chicago has a population of 2,900,000. The author, being a prohibitionist, might assert that the law has a population of no more people is because it is a license state. This would be equally as good as the statement that prohibition has kept Portland, Me., below the 100,000 mark. The following statement of facts was taken from the American Prohibition Year Book: In Maine the total commitments for drink-liquor in 1896 were 173. In 1900 they were 123. In 1904 they were 100. In 1908 they were 82. In 1912 they were 65. In 1916 they were 48. In 1920 they were 32. In 1924 they were 22. In 1928 they were 15. In 1932 they were 10. In 1936 they were 7. In 1937 they were 6.
