BEND, Or., Oct. 18.—(Special.)—The Bend baseball team yesterday wound up its practice preparatory to the forthcoming all-county contest, and with the finishing touches applied to the playing of every position, left today for the Prineville County Fair. A purse of \$100 and a large silver cup awaits the Crook County team which carries off the pennant in the tournament at the county-seat, which is to form an important part of the week of fun-making attending the fair.

After La Grippe

"I had suffered several weeks with LaGrippe. Had pains in my head and eyes. It felt as though there was a heavy weight on the top of my head, until it seemed that my brain would burst. I was so nervous that I could not rest or sleep. When I dozed off I would awake with a sudden jerking of my whole body. Dr. Miles' Nervine, Heart Remedy and Nerve and Liver Pills cured me. A number of friends have since realized the same benefits."

MRS. ALVIN H. LOCKS, Seabrook, N. H.

The after effects of LaGrippe are often more serious than the disease, as it leaves the system in a weakened condition that invites more serious troubles, such as pneumonia, etc.

Dr. Miles' Restorative Nervine should be taken for some time to thoroughly restore nerve strength.

Dr. Miles' Nervine is sold by all druggists. If the first bottle does not benefit, your druggist will return your money. MILES MEDICAL CO., Elkhart, Ind.
