SAN FRANCISCO, Oct. 20.—(Special.)—Portland rooters had plenty of chance to pull for their team today. The Beavers were as much to the front in the game as the Seals were the day previous, and the contest ended with identically the same tally, the Beavers winding up with a score of 5 to 0.

"Speck" Harkness was the star who blanked the Seals and held them to a single hit, but he was admirably supported in the field and two fast doubles took away whatever chances the leaders had for gaining runs. The Seals, on the other hand, were decidedly ragged in their fielding. Durham had no control to speak of and Eastly, who followed after the sixth inning, was in the same boat with his teammate. The Beavers earned one run, the first they made, but after that the tallies came mixed up with bases on balls and errors.

Durham Hit From First.

Right off the reel the Beaverites commenced to hit Durham. Cooney, with two strikes called, slammed the ball into right field and was sacrificed to second by Olson. Jack Graney drove the leather to the fence for two bags and Cooney scored.

That was all of the run-getting for five innings. Miller, who made the only hit of the game for San Francisco, started the second inning with a clean-cut single to center, but after Melchoir fanned, Tennant hit into a double and the hopes of the San Francisco supporters were extinguished. Again in the third Berry opened with a walk, but a rapid-fire double, with Ort as the pivot, again stopped the Seals when they might have accomplished something.

After that it was altogether a Portland affair. In the sixth, with two out, Graney hit to right and would have been caught napping off first, but Tennant dropped the ball.

Barry Makes Error.

Ote Johnson walked and McCredie singled to center. Graney tried to score and was successful, for, after a perfect throw home by Miller, Claude Berry dropped the ball. Johnson went to third on the play and came home when Fisher singled through the infield.

There was more scoring in the eighth. Olson lifted a fly to Red Davis, but Eastly, who was now pitching, walked Graney. Johnson walked, but Graney was caught trying to steal third. Then McCredie was deliberately passed and when McArdle bobbed a grounder from Fisher, the bases were filled up. Ort's drive to center scored Johnson and McCredie came home on a poor throw from the outfielder that went wide of the plate. That was in reality the closing up of the game.

VERNON STRONG ON MOUND

Sacramento Loses 2-to-1 Contest. Seamlock's Error Costly.

Reidy Causes Oakland to Lose Game by Talking Back.

LOS ANGELES, Oct. 20.—Umpire McGreevey awarded the game with Oakland to Los Angeles at the beginning of the fourth inning this afternoon because of the refusal of William Reidy, the Oakland manager, to leave the ground within three minutes after so ordered. McGreevey says that Reidy was constantly abusing him from the bench and for this reason ordered him from the grounds. Reidy failed to leave within the time limit and McGreevey awarded the game to Los Angeles, 9 to 0. It was then announced that the teams would play an exhibition game.

No runs had been made up to the time the incident occurred, but Los Angeles had made two hits off Nelson, while Oakland had secured but one off Miller. Score:

ZYBSCKO DUMPS FRENCHMAN

European Wrestling Champion Wins Right to Meet Gotch.

KANSAS CITY, Oct. 20.—In two straight falls Zybscko, champion wrestler of Europe, won a match from Karl Alberg, the French champion, here tonight. It was announced that he thereby received the right to meet Frank Gotch, champion of the world.

Zybscko won the first fall with a headlock in 11 minutes and the second with a barlock and crotch-hold in 5 minutes and 10 seconds.

Both bouts were fast and rough, but the winner clearly outpointed his opponent.

MULTNOMAH FOOTBALL CAPTAIN IS CHOSEN.

Jack Latourette.

At a meeting of the Multnomah Club football team last night, Jack Latourette, who has been playing quarter, was unanimously elected captain for this year. Latourette was captain and quarter of the University of Oregon team in 1907. He is a fast player and a good general.

HARD GAME PROMISED

THE DALLES TEAM WILL PLAY MULTNOMAH.

Portland Club Expects to Put Up Its Best Playing in Saturday's Contest.

When the football players of The Dalles Athletic Club visit Portland next Saturday to play the Multnomah Amateur Athletic Club eleven, the husky lads from east of the Cascades will find the clubmen prepared for a hard battle. Multnomah remembers the strong defense and offense style of play put up by the boys from The Dalles gave the winged "M" players all they could do to gain a decision by a narrow margin.

On the occasion of the meeting of the two clubs last year the football enthusiasts of Portland did not think much of The Dalles team, for they had not seen it in action, but after the bunch had executed one or two plays, and had succeeded in stopping the rushes of the Multnomah team, they sat up and took notice. After the game was over, and Multnomah had won by a narrow margin, all voted it the hardest game they had seen that season. This year the boys from up the Columbia are said to possess an even better team than last year. This means that Multnomah will be put to it in order to maintain its supremacy over the hustling lads from The Dalles.

Last night Manager McMillan had the team out for another rousing practice, and the improvement shown is quite pleasing to him, as well as to the club members, who watched the team in action. Last Saturday's game gave the boys a good tryout, and the rough edges displayed then are being worked off by strenuous practice.

Saturday's game will be called at 3 o'clock and all lovers of football should be present at Multnomah Field, for the game will be well worth while. The Dalles boys will be accompanied by a large crowd of admirers, who, on their last appearance here, were very much in evidence.

JEFFRIES NEARS AMERICAN SHORE

Sends Wireless Message He Expects to Fight Negro for Large Purse.

JOHNSON ON WAY EAST

Coffroth Goes Also to Arrange Match at Colma—Predicts Gate Receipts Amounting to $50,000 for Fight.

ON BOARD STEAMER LUSITANIA, AT SEA, Oct. 20.—By wireless, via Halifax, N. S., to the Associated Press, New York.—"I am feeling fine and shall be glad to get home. I can say nothing definite before reaching America. I expect my fight with Johnson to take place before a responsible club, offering the largest purse.

(Signed) "JAMES J. JEFFRIES."

The foregoing wireless telegram came from Jeffries tonight. He will reach New York on the Lusitania late Thursday night or early Friday morning. Jeffries is returning from the continent after having taken the waters at Carlsbad and a brief course of preliminary training at Neuilly, near Paris.

His arrival at New York is awaited with a great deal of interest in sporting circles and it is confidently believed that the details of a match with Jack Johnson will be arranged within the next few days. Tuesday night of next week has been set for a meeting between Jeffries, his manager, Sam Berger; George Little, manager of Johnson, and James Coffroth, the promoter. Coffroth, it is said, will come prepared to make an offer of a large purse for the fight to take place in San Francisco.

JOHNSON GOING TO MEET JEFF

Black Champion Favors Colma as Scene of Fight.

SAN FRANCISCO, Oct. 20.—(Special.)—Jack Johnson and Jim Coffroth left this morning for New York on the Overland Limited. Johnson wants to have a talk with Jeffries and his manager and cinch a championship match. Johnson said that, despite disparaging remarks made about him by Jeffries, he was convinced that Eastern sports would see in his easy victory over Ketchel that he could hold his own with Jeffries.

Johnson seems to fear Jeffries will run out of the fight by demanding impossible conditions, whereas Johnson, as champion, is entitled to make demands.

Coffroth said he was going to New York to secure the Jeffries-Johnson fight and, if possible, a match between Langford and Ketchel for Thanksgiving day afternoon at Colma. Coffroth takes the ground that in no other place in the country can these two fights be staged with perfect assurance of fair play and that they will be pulled off without police interference.

He thinks a gate of $50,000, which could be secured at Colma, should satisfy Jeffries and Johnson. In fact, it is known that Johnson prefers San Francisco to any other place for this fight. None of the Nevada mining camps are in financial condition to offer a big purse, so Coffroth has a good chance. The Langford-Ketchel bout would draw nearly as big a crowd as the other fight.

"I will offer Jeffries either a guaranteed purse or one made up on the percentage basis," said Coffroth. "I intend to make my offer as tempting as possible, and I believe my chances for landing the match are very good. Of course, there will be some lively bidding for the attraction, but in view of the big houses that San Francisco has always pulled to big fights, I do not see how anyone can offer more than I."

Smith to Wrestle Buzukos.

Peter Buzukos, the young Greek wrestler, who scored over "Strangler" Smith in a recent bout at Astoria, has consented to give the longshoreman a return match which will be held at Dreamland Hall tomorrow night. Smith is delighted at the chance, and says that he is confident of his ability to defeat Buzukos.

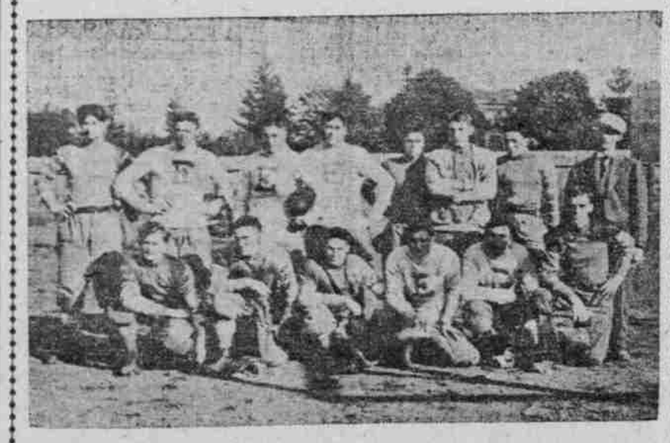
EUGENE HIGH SCHOOL FOOTBALL TEAM ASPIRES TO STATE CHAMPIONSHIP.



Reading from left to right, the players are: Lower row—Morrison, right end; Gray, fullback; Abshire, left end; Dustin, quarterback; Rae, left guard; Scott, right guard.

Top row—Simms, substitute; Pengra, center; Jenkins (captain), right half; Koch, right tackle; Bradshaw, left tackle; DeBar and Eppes, substitutes; Nesmith, manager.

UNIVERSITY OF OREGON, Eugene, Oct. 20.—(Special.)—With the advantage of having been coached for three years by their principal, George Hug, a former star center on the University of Oregon eleven, and weighing an average of 155 pounds to the man, the football team of the Eugene High School will put up a stiff fight for the state championship this year.

The Eugene players are fierce tacklers and in their first game of the season, against the Oregon freshmen last Saturday, though beaten 18 to 0, they played a remarkable game for a high school eleven. Manager Nesmith has arranged the following schedule: October 30, play Portland Academy at Eugene; November 12, Washington High School at Portland; November 15, Astoria High School, at Astoria; November 25, Salem High School at Salem. Eugene was state champion two years ago. At present the team is being coached by Fred Moullen and Zacharias, former Oregon players.

CUT OUT GIRLS IS EDICT

"QUEENERS" WILL BE DROPPED FROM FOOTBALL SQUAD.

Trainer Hayward Insists Oregon Men Must Train Hard—Ordered in Rooms at 9 o'Clock.

UNIVERSITY OF OREGON, Eugene, Oct. 20.—(Special.)—The football candidate at the University of Oregon who gives more than a platonic nod and gruff "hullo" to any co-ed of his acquaintance after tomorrow night will do it at the risk of losing his place on the football squad. This is according to an edict for stricter training rules issued by Trainer "Bill" Hayward this afternoon, which forbids "queening" on all nights of the week but one.

Some of the football men have found it difficult to keep up the social obligations and remain in football training at the same time. Hence the rule. Not to crush the gridiron heroes too completely, "Bill" has tactfully set aside Saturday or Sunday, when calling will be allowed.

Hereafter football men must also be in their rooms by 9 o'clock each evening, instead of 10 as formerly. Any player breaking the rules will be put off the squad. "These fellows must train, and train right, or they will not have any football team," said Hayward today in explaining the purpose of his rules. "There has been too much laxity and overconfidence on the part of some of the men. That doesn't win football games. If the girls interfere with football prospects, the football players will have to get along without them till the season is over, that's all."

Five more men have been named by Coach Forbes to eat at the training table, making 13 there at present. The new players are: Halfback Taylor, Quarterbacks Latourette and Chandler, Fullback Walker and Bill Klitz, end, Gordon Moores, the star end of three years ago, has joined the squad and is assisting Forbes in the coaching. Pat McArthur, Speaker of the Oregon House and secretary to Governor Benson, and a former football manager, was out today watching the practice. He was greatly pleased with Oregon's prospects.

SCALER HERE FOR RING BOUT

Principals in Training for Thursday Night's Exhibition.

"Kid" Scaler, accompanied by his trainer, Frank McDonald, better known as "Molly," arrived in Portland yesterday morning, and has commenced limbering up for his sparring match with "Kid" Harrison at Tracy's gymnasium. Scaler is working out with Tommy Tracy and so is Jack O'Keefe, who is to meet Chester Brown before the smoker of the Rose City Athletic Club next Thursday night.

McDonald, who is one of the best-known trainers in California, was anxious to see Portland and the Northwest, and when Scaler was importuned to appear in an exhibition bout before the Rose City Club, he decided to accompany the boy North. McDonald and Tracy are old friends and yesterday was the first time they had met in a number of years. They had a long chat over old times while some of Tracy's boys worked out with Scaler and O'Keefe.

Jack Barnes, who is another well-known follower of the boxing game, is looking after the interests of Harrison, and has quartered his entry at an East Side club for the purpose of keeping him in condition for several matches he is scheduled to have in San Francisco about Thanksgiving day.

GAME IS PREVENTED BY RAIN

Several Grammar School Contests Set for This Week.

The grammar school football game scheduled for yesterday afternoon between Stephens and Creston on the field at East Twelfth and East Davis streets was postponed on account of rain. The game will be played the latter part of this week or the first of next. A game is scheduled for this afternoon between Irvington and Highland in the heavy-weight class, and one for tomorrow between Shaver and Elliot in the middle-weight class. Both of these games are to be played on the grounds at East Twelfth and East Davis streets at 4 P. M.

The game which was to have been played Tuesday between Montavilla and Arleta was called off because the Arleta boys objected to playing a team that averaged 16 pounds heavier than they. The Arleta team averages but 112 pounds and claims the game forfeited to them. The matter will not be straightened out until Robert Krohn returns from his trip to Los Angeles.

TENNIS FUND IS REFUSED

Oregon Students Fear Money Will Be Needed for Football.

UNIVERSITY OF OREGON, Eugene, Oct. 20.—(Special.)—Intercollegiate tennis at the University received a severe setback at the third student body meeting of the year this morning, when the students refused to appropriate $200 asked by the tennis men to help towards building an asphalt court. After heated arguments in which opponents of tennis declared that Oregon is likely to run in debt on football this year, owing to the action of the athletic council in refusing to play O. A. C. in Portland again, the tennis men were not given the money.

"Bill" Hayward, the veteran trainer, who has never lost a track meet at Oregon, was honored when the student body enthusiastically passed a resolution recommending to the University regents that the new gymnasium be called Hayward Hall. This is a marked departure from precedent, all the other college buildings being named for dead professors or regents. Hayward, however, is very popular on the campus.

Officers of Army and Navy Game.

ANNAPOLIS, Md., Oct. 20.—Mindful of the delays and trouble experienced in getting together the men who officiated at the big football game at Philadelphia last year, the athletic council at West Point and the executive committee of the Navy Athletic Association have already settled this question for this year. The two bodies have selected the following officials:

A. L. Sharp, Yale, referee; E. K. Hall, Dartmouth, umpire; W. S. Langford, Trinity, field judge; Ed Smith, field coach at Pennsylvania, head linesman.

Whole Town Will See Game.

UNIVERSITY OF OREGON, Eugene, Oct. 20.—(Special.)—Patriotic merchants and business men of Eugene have agreed to declare a half-holiday and close their places of business on the afternoon of November 19, when the University of Oregon football team plays Oregon Agricultural College here. This action was taken last night at a special meeting of the Merchants' Protective Association.

GREAT GAME EXPECTED

CASEY'S MEN WILL PLAY STRONG LOCAL BUNCH.

Pacific Coast and Northwestern League Players Will Meet the J. G. Macks Next Sunday.

Sunday afternoon there will be a baseball game on the Vaughn-street lot between the members of McCredie's Pacific Coast and Northwestern League teams who are wintering in Portland and the J. G. Mack Company's team, a clever local aggregation which has made a fine record during the past season.

The leaguers comprise Pearl Casey, manager of the Northwestern team; Charley Armbruster, catcher for both Portland teams at different intervals; Big Bill Chenault, one of McCredie's best twirlers; Buddy Ryan, the clever outfielder, who was incapacitated by an accident; Charley Moore, formerly of the Aberdeen Black Cats; Ed Kennedy, John Bassey and Fred Adams, of Casey's Colts, and Win French, a former Portland favorite.

Manager Casey, who will captain the aggregation of leaguers Sunday, expects the game to be a hard-fought and closely-contested affair because of the presence of several former league stars in the line-up of the J. G. Mack team. With such players as Phil Nadeau, Joe Fay, Collie Druhot, Harry Gardner, Harry Newell, Ray Hinkle and the others, who have shown their ability on many a field, the "carpet-baggers" should present a formidable front and make a strong stand against the "leaguers."

The teams will line up as follows:

Casey's Champs	Position	J. G. Macks
Armbruster	c	Shea
Chenault	p	Druhot, Lake Gardner
Kennedy	1b	Montag
Casey	2b	Nadeau
Moore	ss	Fay
Adams	3b	Newell
Bassey	lf	Hinkle

Duffy Gets Jones' Job.

CHICAGO, Oct. 20.—Hugh Duffy, part owner and manager of the Providence team in the Eastern League, and formerly a member of Comiskey's and Anson's teams, will succeed "Billy" Sullivan as leader of the Chicago Americans next year. Duffy and Comiskey came to terms at their two hours' session Monday, and the former confirmed the news at Mount Clemens last night. The salary called for is said to be one of the biggest ever paid for a first-year job, being close to $12,000.

Gladstone Team Wins.

OREGON CITY, Or., Oct. 20.—(Special.)—The Gladstone football team won its second game of the season yesterday afternoon by defeating McLoughlin Institute by a score of 6 to 5. Each team secured a touchdown and the Gladstone men converted theirs into a goal, which was kicked by Hughes. The Gladstone team defeated the Oregon City High School last week by a score of 3 to 0.

Rain Spoils Latonia Card.

LATONIA, Oct. 20.—Favorites took three of the races at Latonia today. A continuance of rain spoiled a good card, only one race proving close enough to be interesting. This was the fifth event in which Dargin won by a short nose, in the last race, Alice, the heavily-backed favorite, was left at the post, but managed to finish in third place.

Pennant Winner Charged.

MEMPHIS, Tenn., Oct. 20.—Former Manager William A. Smith, of Atlanta's pennant-winning Southern League baseball team, has been cited to appear before the directors at the annual meeting here November 8, to sustain charges he is alleged to have made to the effect that Atlanta baseball officials dismissed him because he would not "darw a fine finish on the pennant race for the past season." Smith is at his home in Springfield, O.

Practicing for Vanderbilt Cup.

GARDEN CITY, L. I., Oct. 20.—Mile-a-minute practice spins were indulged in for the first time today on the 12-mile circuit over which the Vanderbilt cup automobile race is to be run on October 30. Four of the cars entered were sent around in fast time.
