Causes Sharp Break in Wheat Options at Chicago.

ALL MARKETS ARE EASY

Bearish Weekly Statistics Influence the Selling-Receipts in Southwest Double Those of Year Ago.

CHICAGO, Oct. 25 .- Wheat prices broke sharply today, owing to general liquidation prompted by a slump in the price of cash grain here and at other important centers in this country. Weakness predominated the greater part of the session and prices moved over a range of % to 1%c. Bearish weekly statistics contributed to the welling weekly statistics contributed to the sching pressure to a considerable extent. Receipts today at Kansas City and St. Louis wers nearly double those of the corresponding day & year ago, while the movement in the Northwest was also much in excess of last year. December sold between \$1.04% and \$1.05% and closed at \$1.04%.
