Eastern "trado reports are that fiberts are slightly lower in Sicily, but much higher in Nuples for both round and long. Brazilis are firm. Fecan prices are nomi-nal. The crop in Texas is said to be a all one, and the hurricane in Louisiana is reported to have greatly damaged the crop in that state.

held.

onsul Nason, at Grenoble, France, writes

Consul Names, at dresholds, France, writes of the walnut crop there: The crop is new in process of harvesting and drying. The first shipments for the United States will probably begin about October 20. The crop is an average one in quantity, and genorally good in quality. The nuts are rather smeller than usual, attributable to unfavorable weather for do-velopment in the cirty Spring, at the same time, they appear to be well filled with ment.

IIONEY-Choice, \$3.25@2.50 per case.

and Butter Weak.

TO

DATS

time, they appear to be well filled with ment. From information received, contracts have already been made in the United States for forward delivery on the basis of 58 and 90 frames (\$16.05 and \$1710) per 100 kilos (220 pounds) c. 1. New York. The opening prices, if is thought, will rule higher than inst year. Farmers are asking as much as 76 frames (\$14.59) per 100 kilos, as against 55 frames (\$12.55) the previous year. This is probably due to the recent and animated damant on the part of American buyers for walnuts of inst suscents croj.

SOUTHERN POTATO MARKETS WEAK

Accumulation at Los Angeles

Fruit Trade Active.

The truit trade was of fair volume yesterilay and must lines, except grapes, fleaned up. Tokays continued weak, but cleaned up. green varieties were firm. Local Concords were slow. A scar of Tokays and blacks was due just night.

The market is almost bare of Eastern cranharries, but two cars are due early tok. Const crunherries are in fair The Eastern market is firm.

California advices nots a firmer tone in the orange market. Among receipts from the South yesterday were a car each of Bellflower apples and sweet polatees.

The potato market is weak and sluggish. Reports from Los Angeles yesterday were that there are 22,000 eacks on that market, while at San Francisco 17 cars of potatoes were on the track. The San Francisc market was quoted in private wires at 90 cents to \$1 on Oregon stock Buyers at this end are not offering more than 500 doc at country points.

ance. Officials of the corporation were dis-posed to frown on this suggestion, without offering any definito statement on the subject. The resumption of special appropriations for additions to property was read as a con-tradiction of reports of an intention to fund such past appropriations into a bond lesse. Developments in the monry marker were called favorable and an easier tone was per-ceptible, both for call and time funds. It became known that the City of New York has effected the sale recently of large amounts of revorue warrants and placed them with new enterted the sale recently of large amounts of revenues warrants and placed them with purchasers in Paris. This has the effect of providing for the maturity of similar war-rants to the amount of \$25,060,060 which are held abroad and which fail due November 1. Foreign exchange, after running of in the Top Prices Lately Current Are Not SEATTLE DEALERS OFFERING GRAIN IN CALIFORNIA. heig abroad and which fail the November 1. Foreign exchange, after running off in the intraing, recovered strongly. Gold flowed into the Bank of England and a rise in the private digrount rate in London testified to the growing effectiveness of the bank rate. The easing of the local money market sent modes upward the latter part of the day and cluster origins were well above last night. Car of Medford Apples Condemned by Fruit Inspector-Eggs clusing prices were well above last night. Bonds were irregular. Total sales, par value, \$3,740,000. The run of stock at the yards yesterday The fun of stock at the yards yesternay was the heaviest in a long time. Trade was fairly active, but top prices were not real-ized on anything offered. The receipts for the day were 428 cattle, 50 calves, 1929 ogs and 200 goats. hogs and 200 goars. The heavy arrivals of hogs were at-tributed to the recent advance in price. The quality did not average up as well, however, as some of the best lately brought in, and this, with the big run, chused some weakness in the market. Nothing over \$7.90 we obtain the day Was pold during the day. Cattle were rather dull, but steady, and the sheep market held its own. A big bunch of goals brought \$2.50;

the sheep market held its own. A big bunch of gaals brought \$2.50; Shippers at the yards were: J. E. Reyn-olds, of Condon, with three cars of cuttle and hoys: L.
