

JOHNSON BEATEN IN FIFTH BATTLE

Cleveland Weary of Contest Over Streetcar Fares and Will End It.

BAHR'S TERMS ACCEPTED

Johnson Concedes Defeat and Chief Supporters Fall With Him. Will Run Again Two Years From Now, He Says.

CLEVELAND, Nov. 2.—Tom L. Johnson, for four terms Mayor of Cleveland, was defeated today by Herman C. Baehr, Republican, County Recorder. Unofficial returns from approximately half the city indicated that Baehr's plurality over Johnson was at least 400 and might run to 600.

Johnson early conceded his defeat by Baehr. With him probably went the bulk of the Democratic ticket, those Councilmen who have been conspicuous in their support of the street railway programme suffering most.

Johnson Will Run Again.

Herman Baehr, the first Republican to be elected Mayor of Cleveland in ten years, declared that his election was due to dissatisfaction of the people with the methods of handling city business.

The Mayor, in conceding his defeat, announced that he would be a candidate for Mayor two years hence. Rumors that he would remove to New York were denied by his friends, but Johnson did not comment on them.

Settle Streetcar War.

The election of Baehr is believed to mean a certain settlement of the long street railway war which Johnson began eight years ago when he demanded a cent fare. Baehr has pledged himself to a settlement on the basis of a 6 per cent return on the stock of the Cleveland Railway Company, all earnings over that to go to the reduction of fare and the improvement of service. The company has accepted these terms and Mayor Johnson has tentatively done so, reserving the right to fight the settlement at a referendum election.

The acceptance by the voters of the proposed 7-year franchise for a subway system, was indicated by the early returns.

REPUBLICANS WIN BAY STATE

Massachusetts Majority Cut to Lowest in Many Years.

BOSTON, Nov. 2.—The Republicans carried Massachusetts in a state election today by the narrow margin in nearly a quarter of a century.

The party ticket was re-elected, but Governor Draper's plurality of 60,000 in the last election was cut to 300.

Complete returns for Governor follow: Draper (R.), 150,045; Valley (Dem.), 151,661; Republican plurality, 832. The following state ticket was elected: Governor, Eben S. Draper, of Hopkinton; Lieutenant Governor, Louis A. Frothingham, of Boston; Secretary of State, William M. Olin, of Boston; Treasurer and Receiver-General, Elmer A. Stevens, of Somerville; Auditor, Henry E. Turner, of Malden; Attorney-General, Dana Malone, of Greenfield.

REPUBLICANS BEAT REFORM

Rotan Elected District Attorney of Pennsylvania.

PHILADELPHIA, Nov. 2.—Philadelphia today re-elected Samuel P. Rotan, District Attorney on the Republican ticket by a large majority. His opponent was D. Three years ago the same candidates opposed each other, and Rotan was victorious by 11,494 votes. Today Rotan's majority was more than 20,000.

The vote was the largest in the city's history, and the interest was intense.

On the state ticket the Republicans elected J. A. Stober, State Treasurer; A. E. Sison, Auditor-General, and Robert Moschizker, Judge of the Supreme Court. Against the latter, C. Loris Munson, Democrat, made a spirited campaign, and returns indicate that in many counties Munson ran ahead of his ticket.

Two years ago John O. Speats, Republican, was elected State Treasurer by 148,124 plurality. Today the Republican majority was somewhat under these figures, but will exceed 100,000.

DRYS TAKE FOUR ILLINOIS COUNTIES

Saloons Now Driven Out of 40 of 102 Counties in Sucker State.

SOME ELECTIONS CLOSE

Wets Make Desperate Effort to Retake Jacksonville, but Only Cut the Dry Majority—Menard Wipes Out Wet Spots.

CHICAGO, Nov. 2.—(Special)—Four more Illinois counties were added today to the conquest of the anti-saloon element of the state, when Morgan, Pope, Scott and Menard Counties joined the ranks of the "drys," leaving no wet precincts in the territory in question. In the state now 40 of the 102 counties are wholly barred against saloons.

In Jacksonville, which already was dry, the hottest fight of the day took place. The saloon forces had perfected one of the most compact organizations ever experienced in Morgan County, but the "drys" won in the city by 202 votes compared with 74 two years ago, when the county first swung into line with the anti-saloon crowd. Mercedis, the only wet precinct of the last two years, was voted dry by 25 majority.

Goconda Bars Saloons.

In Pope County, Goconda was won by the dries by a majority of 79. That city never before had put up the bars against saloons. Two years ago the saloon element won by five votes. Five saloons are driven out of business.

In Menard County the only two wet precincts—Petersburg and Athens—went over to the other side, making a clean sweep in the county. Petersburg was against saloons by only four votes. In Athens the no-license proposition carried by 29. Ten saloons will have to retire from business.

Drys Sweep Scott County.

Scott County went with clean skirts into the dry column when South Winchester, Exeter and Naples decreed that the saloons must go. South Winchester carried for dry by 89. Exeter by 18 and Naples by 23. Naples' two saloons are forced into the discard.

Wets Annex Dry Town.

MOUND CITY, Ill., Nov. 2.—This town voted "wet" in the local option election today by 19 majority. For two years it has been "dry."

DIXIE CRIES DEEPER RIVER

Southern Convention on Record for 14-Foot Channel.

NEW ORLEANS, Nov. 2.—The closing session today of the Lakes-to-the-Gulf Deep Waterways Convention was marked by enthusiastic expression of faith in an attainment of "14 feet through the valley," further pledges of support of the movement and additional estimates of benefit.

Participating in the programme were representatives of several of the Latin-American countries which will be directly affected by the construction of a deepened channel through the Mississippi Valley to the Great Lakes. This session was open to the public.

Following the convention's adjournment nine die, boats conveyed the delegates to the United States naval station, where in the largest floating drydock in the world, they enjoyed an elaborate luncheon. Congressman Richard Barthold, of St. Louis, proposed that the committee of 500 provided for yesterday should be headed by President Kavanaugh and that a sub-committee of 12 be named to present the claims of the 500 to the proper officials at Washington. Mr. Barthold explained that the committee of 500 could not get into the White House.

"Well, let 'em stand outside," said ex-Governor Francis, of Missouri. The convention agreed with Francis and the 500 will go to Washington on December 8.

Sir Thomas Encouraged.
