**Warriner Admits Having Paid Much Blackmail.**

**TO HIDE FORMER CRIME**

**Big Four Official Bled by Man and Woman Who Know of Former Shortage—Has Given Them About \$75,000.**

CINCINNATI, O., Nov. 4.—C. L. Warriner, deputy local treasurer of the Big Four Railroad, is said to have confessed today that the shortage in his accounts, variously estimated at from \$10,000 to \$100,000, was due to his paying blackmail to a man and a woman for the last three years.

Warriner is said to have declared that he paid the blackmailers in all \$75,000. The man to whom this money was given is said to have been an old employe of the Big Four, and to have had knowledge of an earlier shortage in Warriner's accounts. For keeping silent about this shortage he demanded and received from Warriner large sums.

While the whereabouts of Warriner have not been disclosed, it was given out today that he had returned from New York with railway officials with whom he has been conferring regarding his accounts.

There was a conference today between local officials of the Big Four Railroad Company and representatives of the company which bonded Warriner. A report that \$50,000 had been paid in by the bonding company on the Warriner account was neither confirmed nor denied.

Warriner's son, Willard P. Warriner, declared today:

"I will stand by my father throughout the trouble, and he will come out all right."

**AID SHIPS IN DISTRESS**

WASHINGTON, Nov. 4.—All revenue cutters on the Pacific Coast have been assigned to new stations since their return from Hering Sea and the Arctic Ocean.

A new system for cruising these vessels has been inaugurated with the intention of making every vessel of special value in assisting mariners in distress. For this purpose the cutters have been stationed along the Washington, Oregon and California coasts, and each has been given particular cruising orders.

The Tahona will be in Puget Sound and the vicinity of Cape Flattery; the Snohomish at Neah Bay, Wash.; Strait of Fuca, the Manning at Astoria, Or.; the McChesney at San Francisco; the Perry at San Pedro, Cal.; the Bear at San Diego and the Thetis at Honolulu. Revenue cutter officials believe this disposition of the service on the Pacific Coast will prove of much benefit to commerce generally.

### PRINCE ITO BURIED

**Diplomat Followed to Grave by Royal Family.**

**COREANS SEND FLOWERS**

Ambassador O'Brien Gives Wreath for President Taft—Mikado's Representatives Attend—Many Nations Pay Tributes.

TOKIO, Nov. 4.—Followed by representatives of the Emperor and Empress of Japan, foreign Ambassadors and others, the body of Prince Ito was conveyed to its final resting place today.

The burial, conducted with impressive Shinto rites, took place at the mausoleum erected at the late country residence of the Prince in Omori, a suburb of Tokio.

The state funeral was conducted with magnificent solemnity. It began with simple ceremonies at the Ito city home at 7 A. M. Only members of the family and personal friends were present. At 9 o'clock a procession was formed, headed by the imperial band playing Chopin's funeral march, and moved to Kiyba Park, where public services were held. The park was crowded with men in evening dress and women gowned in black. Many of these were foreigners.

A special shrine had been erected and in this the catafalque rested. The ceremonies occupied three hours. A wreath was presented by Ambassador Thomas J. O'Brien on behalf of President Taft, while similar floral offerings were made in the name of their governments by British Ambassador Macdonald, Count Montenegro, German Charge d'Affaires, and representatives of France, Russia, Austria and Italy. There also were floral tributes made by Field Marshal Lord Kitchener in the name of the British Army and by the delegation of Koreans now in this country.

At the conclusion of the rites the catafalque was again placed upon the gun carriage, and at 2 o'clock the march to Omori, where the interment was to be made, was begun. Along the route of six miles a great throng looked on in silence. The interment was made at dusk in the presence of the family, a few personal friends, representatives of the Emperor and Empress and others of the royal family.

Coreans Honor Prince Ito.

SEOUL, Nov. 4.—The state funeral in honor of Prince Ito was conducted here during the same hours that services were held over the body at Tokio. The Korean funeral rites were used and all Korean officials and most prominent personages of the city were present.

**AFTER THE GRIPPE**

**Vinol Restored This Man's Strength**

"Several years ago I was attacked by a severe case of grippe, which left me with a hacking cough, soreness in my chest, and bronchitis. I took nearly every kind of cough syrup sold on the market, besides medicine given me by physicians.

I received no permanent relief until my druggist asked me to try Vinol, and after taking three bottles I was entirely cured.

I believe Vinol to be the greatest blessing ever offered to the public, as it does what is claimed for it." R. E. R. Hicks, Maplesville, Ala.

The reason Vinol cures chronic coughs, colds and pulmonary troubles is because it contains tonic iron and all the healing and body building elements of cod liver oil but no strength.

Vinol is also unexcelled as a reliable builder for old people, delicate children, weak and run-down persons, and after sickness.

railways ask a temporary injunction forbidding the enforcement of these rates. Judge Hook heard arguments on the plea of abatement filed by state officers, who declare the railroads have not exhausted their relief in the state courts and that the Federal Court had no jurisdiction in the matter. Judge Hook said he would hand down an opinion Monday or Tuesday next.

**COTTON BULLS REALIZE**

Market Grows Weak When Big Operators Refuse to Buy.

NEW YORK, Nov. 4.—Persistent rumors that the bull leaders were gradually selling out their cotton, accompanied by further heavy realization sales, resulted in a severe break in the cotton market today.

Weakness in Liverpool caused a lower opening, and the market became excited because of absence of any support from the bull leaders. Selling became general, stop orders were uncovered and January contracts broke to 14.63, or 43 points under the closing figures of last night, or \$3.35 per bale below the high record of yesterday. It seemed the general impression that all some of the leading bull operators had largely, if not entirely, liquidated their lines, the combined profits of which were estimated a day or two ago at New York some few millions, or nearly \$3,000,000.

**NICARAGUA TALES MIXED**

GOVERNMENT AND REBELS ARE CLAIMING VICTORY.

Friends of Estrada Say His Forces Are Marching on—Zelaya Wires of Victory for His Troops.

NEW ORLEANS, Nov. 4.—After a lapse of several days the local Central American Colony received news from the front today. From Bluefields and the Atlantic ports of Nicaragua came reassuring advices to the sympathizers of General Estrada, leader of the revolutionists, saying "The Liberator" was daily gaining strength in men, arms and ammunition and that President Zelaya was making no move to regain the territory taken by revolutionists.

From Managua, the capital, and from Pacific Coast points came still more news to the local friends of the administration. President Zelaya himself cabled that there had been a severe engagement near

El Chile, and that the enemy had been defeated. He gave few details but said it was a glorious victory.

President Zelaya's cables were directed to Consul-General Aitchison.

"President Zelaya assures me," said the consul, "that there has been some terrific fighting and that the enemy is thoroughly panic stricken. No list of casualties is given, but the rebels have been badly beaten. President Zelaya says that the work of his Maxim guns is more than satisfactory."

**NICARAGUA TROOPS MOVING**

Zelaya's Forces Advance Toward Rebel Stronghold.

NEW ORLEANS, Nov. 4.—Cable messages received this morning by Consul Aitchison of Nicaragua, signed by President Zelaya, state that the Government forces have fought their way through Paso de la Jara, near El Chile, and are now advancing toward Rama, one of the principal bases of the revolutionists.

## Of Our 400 Brands of Tomatoes

### Del Monte is the Best Value

We are the world's largest canners of Tomatoes. This year we put up more than a million bushels. These were of varying grades and packed under 400 different labels. Some were for dealers who own their own brands. Many belong to us. But our choice brand, the one under which we pack the selected Tomatoes, using only those that are large, vine ripened and firm is Del Monte. Some few dealers have us put up for them a few of the Del Monte quality. A cap of Del Monte Tomatoes is principally solid tomato meat. We drain off all extra water. Most of our other brands, those that must sell on the cry of cheapness, are not so carefully packed and contain a great deal more water.

You will always be safe if you insist on Del Monte. While we probably put up whatever brand is offered you, you will not be sure of getting our choice unless it is Del Monte. Del Monte carries our name and guarantee. Most dealers can supply you. The price is 12½ cents a can everywhere.
