Regular values to \$38.50, sp'l Friday. **\$14.98**

We bought 200 of them from our best manufacturer in New York and got them at a price absurdly low--then as we decided that the regular stock we had on hand, about 200 more, would not sell at the regular marked prices, we put in the whole lot at these prices.

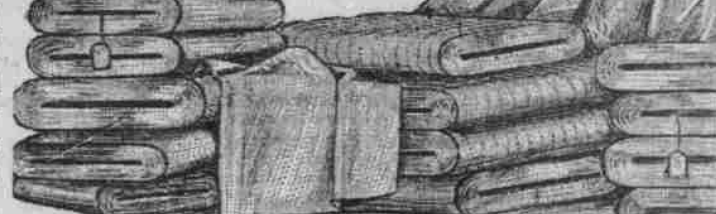

## 12,000 Yds. Fancy Silks 85c and \$1.00 Values on Sale Friday at Only 47c Yd.

We bought these silks at the lowest price the large jobber from which we secured the lot ever sold fabrics of equal quality. When we first made this low offer, it was firmly refused, but, finding no other buyer that would take the entire assortment, we got them all at our price. This is the second huge purchase of the season, and women who neglect this rare chance to save will have to pay much more for silks of like quality. There's no end to the assortment in the way of color or combinations of colors as well as pattern. The weaves are louseines, taffetas and messalines. They come in dots, stripes, checks and figures. You may use them for many purposes, waists, entire costumes, shirtwaist suits, children's dresses or fancy work. Remember that you can anticipate your holiday needs and make some one a handsome present with a waist or dress pattern of these silks. We'll fill mail orders if you'll send, stating what pattern you want and sending money for the amount wanted. We can't cut samples, so please don't ask for them.
