

SEATTLE TEAM IS AFRAID OF 'AGGIES'

Dobie Thinks O. A. C. Will Spring Surprise, but Expects to Win.

HEARS WOLFF MAY PLAY

Washington Football Men. Now in Portland, Also Look for Hard Game With the State University.

Twenty husky young football players of the University of Washington, accompanied by managers, coaches and newspaper men, arrived in Portland last night en route to Corvallis to meet the Oregon 'Aggies' in the annual struggle on the gridiron which is scheduled to take place Saturday.

The Washingtonians are a formidable looking lot, and the machine-like tactics of this aggregation is picked to win the game at Corvallis with comparative ease. Coach Dobie, who was successful in turning out a championship team last season, and who is likely to do the same again this year, does not believe that the Washington eleven will have an easy time with either Oregon Agricultural College or the University of Oregon. He expects a close and possibly a no-score game at Corvallis tomorrow, for he believes the Oregon 'Aggies' are much stronger than they are touted.

Talks of Idaho Game.

Dobie also believes that the University of Oregon and the Idaho warriors will play a hotly contested game on Multnomah Field Saturday afternoon, for he says Idaho has branched considerably since the game with his team. Furthermore, Dobie does not think Washington could score half as many points against Idaho as the present time, for two weeks ago the team played a team which was not as good as the present one. "We are not going to Corvallis and underestimate our opponents," said Dobie last night. "We fully expect to have a hard game, for we are not going to be surprised when we are not to be found on the field when the game is over."

As for the Idaho-Oregon game Saturday.

As for the Idaho-Oregon game Saturday," continued Dobie, "I figure that Oregon should win, but by a small margin, for the Idaho team will be found much stronger than it was a few weeks ago. At that time the team was totally demoralized. It is different now, and the Idaho boys will be found a hard nut to crack. I do not think that they could score 20 points against them now."

Praise for Oregon Team.

"Coach Forbes has a fine aggregation at Oregon, and I am by no means sure that the Eugene bunch will not prove the surprise of the season. He has a heavier team than Washington, and with all those crack backs he ought to do things. We expect hard battles with both Oregon teams."

The University of Washington team

leaves at 7:20 o'clock this morning for Corvallis. The presence of the University of Oregon team, which was also quartered at the Oregon Hotel, caused that hostelry to resemble a college headquarters.

The Washington contingent comprises the following: Warren Grimm, Huber Grimm, Griffith, Tegmeyer, May, Takins, Mattson, Coyle, Muckleston, Beck, Taylor, Cook, Baker, Onick, Spargo, Howley, Wand, Deither, Pullen and Swartz. Coach Dobie, Assistant Coach Cutting, Graduate Manager Zednick, Assistant Manager Selzer and William Simonds, a newspaper man, are also in the party.

O. A. C. EXPECTS TO LOSE

Good Players Are Injured and Students Abandon Hope.

OREGON AGRICULTURAL COLLEGE, Corvallis, Nov. 11.—(Special.)—Outweighed 17 pounds to the man and weakened by the loss of three of its best linemen in the past week, the O. A. C. team will enter the game with the Washington team Saturday heavily handicapped. There seems to be no chance for a victory for the college men, and even a tie game seems a forlorn hope.

Metzger, disheartened and almost discouraged by the unprecedented run of bad luck which he has experienced, has stopped all practice work, and is closely guarding his little squad. It has reached the point where the loss of another man would be fatal, and the coaches refuse to take the chance.

The loss of Dingus and Hefway within a period of ten days made it necessary for Metzger to develop two more guards. This he did to the best of his ability, only to lose one of the new men, Fred Evenden, just three days before the game. This will probably necessitate the use of Clark.

The team will probably line up as follows: Wallace, right tackle, 172 pounds; Brenner, right guard, 175 pounds; Dunn, center, 178 pounds; Clark, left guard, 153 pounds; Evenden, left tackle, 178 pounds; Huntley, left end, 180 pounds; Reynolds, quarter, 130 pounds; Rasmussen, left half, 160 pounds; Emberg, right half, 178 pounds; Keck, fullback, 178 pounds.

The officials agreed upon at this time are Catts of Seattle, Hookerberry, of Portland, and Luck of Albany.

A mammoth open-air football rally will be held on the college campus Friday night. Members of the athletic board and class officers are busily organizing the students and preparing to make it the greatest celebration ever held at this college.

Speeches by the coaches, members of the team, prominent alumni, members of the faculty and students will constitute the programme. The cadet band will furnish the music and the cheer leaders, with 100 pairs of strong lungs to aid them, will participate in the demonstration.

A huge bonfire will also be a feature of the rally. The freshman class has purchased six cords of wood to be used in lieu of neighboring fences and sidewalks. The game is the most important that has been played in this city since the O. A. C.-University game three years ago.

BIG EASTERN GAMES AT HAND

Attendance at Football Matches Will Break All Records.

NEW YORK, Nov. 11.—Until six games of football are played, four on Saturday and two a week from then, the college game will be the chief topic of conversation in the East. The East and West championship will be decided on Saturday when the University of Michigan gives battle to the University of Pennsylvania at Philadelphia and Chicago University

OREGON CAN HERE

Forbes' Men Are Confident of Victory Over Idaho. Clarke May Not Play. Star Punter Is Still Handicapped by Injury Received in Game With Multnomah—Northwest Honors Expected.

HILDRETH HEADS WINNERS

One Stable Carries Away \$165,277 on American Turf.

NEW YORK, Nov. 11.—S. C. Hildreth's stable of horses won the most money on the American turf in the season of 1909, the amount being \$165,277. This includes about \$58,000 won in California, Canada and Pamplico.

O. A. C. BASES HOPES ON DEVELOPING PUNTER.

Full of confidence and imbued with the idea that they are to win the Northwest championship this season, the University of Oregon football squad, accompanied by Coach Forbes, Manager Goodman and Trainer Hayward, arrived in Portland last night and is quartered at the Oregon Hotel.

The gridiron warriors are here for the purpose of playing the University of Idaho on Multnomah Field, Saturday afternoon, and the Eugene contingent expects to be victorious in this contest. A close and exciting game is predicted, however, and Oregon will be satisfied to win by any old kind of margin. The Oregon boys have not been scored against this season.

All of the boys, with the exception of Dudley Clarke, the famous Oregon punter, are in first-class shape. Clarke is handicapped by a lame ankle, which was injured in the Multnomah game last Saturday, and will probably not play. He announces, however, the only thing that will prevent him from playing will be positive orders from Trainer Hayward.

Hayward declared last night he could see no obstacle between Oregon and the championship unless the University of Washington team, which recently defeated Idaho, is a great deal stronger than he thinks it is. He says the Oregon boys are in finer condition than ever before in the history of his connection with the institution. Hayward will not make his decision as to Clarke's playing until Saturday.

Robert Forbes, of Yale, coach of the University of Oregon, is optimistic over the possibilities of the Oregon squad. He expects victory, not only for the Idaho bunch, but over the Oregon Agricultural College and the University of Washington as well.

Louis Pinkham, Glenn "Chuck" Bill Main, T. Latsurette, Chandler, "Scott" Taylor, Dean Walker and the others are football players who have earned a reputation in Portland. Pinkham, Scott and Taylor are Portland boys. Pinkham was a member of the Portland High School team before going to Oregon, while Taylor was a member of the Hill Military Academy team. Last year Walker was fullback of the Colquhoun team, which was a factor in the Intercollegiate League championship.

Oregon and Idaho have agreed upon Varnell, of Northwestern University, resident of Spokane, as referee at tomorrow's game, while Tom McDonald, of the Seattle Athletic Club, a graduate of the University of Washington, has been selected as umpire. Frank J. Longenecker, of Notre Dame University graduate, will act as field judge. The head linesman, timers and other officials will be selected tomorrow. The game has been called for 2:30 o'clock.

IDAHO TEAM IS DETERMINED

Gem State Players in Better Shape Than in Earlier Games.

MORCOW, Idaho, Nov. 11.—(Special.)—Encouraged by their good showing against Washington State College last Friday and profiting by their early-season defeats, the University of Idaho football men are going to Portland determined to defeat Oregon or at least to hold Coach Forbes' proteges down to a scoreless game. The Idaho players are in better shape than they have been any time this year, and both Coach O'Neil and Captain Stokesbury are confident of giving Oregon a battle royal.

The Idaho team averages 172 pounds in weight—a trifle less than the Oregon team. The set-back center is showing good form in his favorite position, while Captain Stokesbury and Hayes, both exceptionally large men, are doing splendid work as guards. Williams and Dorsett are as good a pair of tackles as Idaho has for some years. Edmundson and Armstrong, the Idaho ends, are players of experience and it is certain that Oregon will make little or no yardage through their positions. The work of Idaho's back field the past three or four nights has been most encouraging to the coaches.

Coach Logan is being assisted by ex-coach Middleton and by a consequence a large amount of "open" playing is being engaged in. The poor showing made by Oregon against the Multnomah Club last Saturday warrants the belief that Coach Forbes' men will have their hands full when they meet Idaho.

Tigers Chew Up Cubans.

HAVANA, Nov. 11.—The Detroit American League baseball team again defeated the Havana team today 2 to 0.

HOLLADAY BEATS TABOR

GRAMMAR SCHOOL BOYS PLAY CLASSY FOOTBALL.

Eddie McAllen Stars With Two Touchdowns and Four Goals. Score 24 to 0.

Playing brilliantly and aided by luck in the first half, Holladay won from Mount Tabor by the score of 24 to 0 yesterday afternoon on Multnomah Field. This was the final gridiron game of the preliminary series in the lightweight section of the Grammar School League.

The first half was a walkaway for Professor Harrigan's charges, and three touchdowns with four goal kicks was the result. The Holladay back field ploughed through the Mount Tabor players almost at will, and the Holladay line was like a stone wall when the Mount Tabor boys tried to penetrate it.

The second half was a different story. The Mount Tabor boys took on some ginger, held plunges and marched down the field toward the enemy's goal, setting within striking distance twice, but losing the ball on fumbles. Holladay was played to standstill till the last few minutes of the half, when Eddie McAllen revived and scored another touchdown.

Eddie McAllen, Holladay's fullback, was the big show. He scored two of the touchdowns, kicked goal four times, punt-like a veteran, and carried the ball in several spectacular sprints for big gains. Hink Hall and Blain Gordon were each responsible for a touchdown. Murphy and McDougal, left end and right guard for Holladay, starred in both defense and offense.

Company B Is Victor.

Company B of the local Oregon National Guard defeated the Honeyman Hardware Company in a well-played game of indoor baseball at the Armory yesterday night. The game was a close one, being 7 to 7. The game was an even break until the last half of the fifth inning when the Guardsmen played a batter, held plunges and marched down the field toward the enemy's goal, setting within striking distance twice, but losing the ball on fumbles. Holladay was played to standstill till the last few minutes of the half, when Eddie McAllen revived and scored another touchdown.

Crystal Maid Regains Form.

CINCINNATI, O., Nov. 11.—Crystal Maid came back to form today and won the feature race at Latonia, a mile handicap from Bellweather, in a hard drive. The next meeting will be held on Monday, the track being engaged for the intervening days for an aviation tournament.

SCOTCH LASS WINS ON LINKS

Miss Campbell Defeats All Comers in Fine Matches. NEW YORK, Nov. 11.—Miss Dorothy Campbell, of Scotland, the British and American golf champion with the British players in her retinue, today defeated a team of women players from various metropolitan clubs, winning three out of the five matches.

STANFORD LINEUP TOLD.

STANFORD UNIVERSITY, Cal., Nov. 11.—Coach George Prentiss announced today the lineup for the Stanford Rugby football team that will face California in the 19th annual game Saturday next. The lineup is: Capt. Fitting, Horton, Minturn, Dole, Crawford, Pemberton, Thorpe, forwards; Cass, half; M. Mitchell, captain; S. Mitchell, five; Sanborn, center; Holman, Roth, wings; Brown, fullback.

OD RIVALS MEET TODAY

PORTLAND ACADEMY AND LINCOLN HIGH TO PLAY.

Football Teams Evenly Matched. Contest for Cellular Championship Promises Excitement.

On Multnomah Field this afternoon Portland Academy and Lincoln High School, the old-time interscholastic rivals, will fight to the very last ditch for the 1909 cellular championship of the Intercollegiate League. The teams are evenly matched.

The student bodies from both schools will turn out en masse, with a collection of yells and songs and the high school will have a hand.

The game will probably be a punting contest from the start. Cobb, quarter for Portland Academy, and Day, right half for Lincoln High School, are the star punters of the Intercollegiate League. They are both consistent and good for 45 or 50 yards at almost every try. Each has kicked the ball 55 yards several times in the games already played.

Both teams are reported to be in good condition. Cochran, a high school man, is out of the game on account of a broken collarbone, but his position will be well taken care of by one of the Day boys. Vesper will be on the side lines and will go in if necessary. Trine may be used in the second half in the back field. The Portland Academy lineup will be practically the same as usual.

If Lincoln wins today's game, it will bring on more games with The Dalles High School, November 20. If today's game is lost it will end the season so far as Lincoln High School is concerned.

Both Portland Academy and Portland Academy both played scoreless games with Salem High School. This indicates the two teams are evenly matched.

The lineups will line-up about as follows: Portland Academy, Lincoln High, Edwards, R. E. L., Toomey, Small, R. L. C., Gerson, O'Neil, Curry, L. B. H., Tyson, Lewis, L. B. H., Campbell, Tegar, L. B. H., Arnold, Staley, L. B. H., Hain, Cobb, H. H. H., Guller, Coolesingham, C. B. H., Stiles, Wilson, L. B. H., Jack Day, Condon, F. B., Oswald Day.

LUCAS AND O'NEILL LOSE

(Continued from First Page.)

meeting of the association. The vote on the question was nine for Chicago, five for Louisville, two for Rock Island-Moline-Davenport, and one for New York. The campaign for Chicago was led by President O'Neill, of the Western League. O'Neill voted the proxies of President Ewing, of the Pacific Coast League, and President Hermann, of the California State League, for Chicago.

A resolution that the National Association do all in its power to advance the welfare of the players was adopted, as was a rule providing that players must be under contract before they can play a game with a club. Formerly the time allowed to a player to sign a contract varied from seven to 15 days or games.

Jumpers Will Be Punished.

It was also decided to follow in the wake of the major leagues in the punishment of contract and reserve-jumpers. The new rule provides a suspension of five years for breaking a contract and three years for violating a reserve.

Furman Smith, of the Carolina Association, advocated the adoption of a flat grading price from the four classes of leagues, and the matter was referred to the National board for action, the idea being that if a player from a class D league is considered worthy of draft by a major league club, then he is worth as much to that club as a class A player.

Hains Objects to Place.

A. D. Hains, of the Roanoke, Va., league club asked that the classification of a league be based upon average population. His circular on the question was referred to the National board.

Hains said that the present rule is unfair to the leagues having only four to six clubs in their circuits.

Following is the present basis of classification and that proposed:

Table with 2 columns: Class, Present total, Proposed average. Class A: 1,000,000 to 1,500,000, Proposed average 1,250,000. Class B: 500,000 to 1,000,000, Proposed average 750,000. Class C: 250,000 to 500,000, Proposed average 375,000. Class D: 100,000 to 250,000, Proposed average 175,000.

California League Admitted.

Application of the Southern California League, with headquarters at Santa Ana, for territory and membership, acted upon favorably.

Application for territory and membership of the Southwestern Texas League, composed of Austin, Laredo, Bay City, Brownsville, Corpus Christi, Beville and Victoria, granted.

The claim of the Green Bay, Wis., club on the draft of Player Vance, which carried with it \$200, was allowed.

The National board appointed President O'Neill, of the Western League, a member to fill the vacancy caused by the resignation of Joseph D. O'Brien, president of the American Association, early this year.

The election of O'Neill to membership in the National board of arbitration now gives class A full representation on the board.

College Club to Give Comedy.

THE RELIABLE DENTISTS

Established in Portland 22 Years and Have Always Led in Progressive Work at Live and Let Live Prices

Dr. W. A. Wise, president and manager of the Wise Dental Company, is a recognized leader in the dental profession and has held for a number of years the highest position in the gift of the state on the Board of Dental Examiners, retiring from that position a few years ago. He is a dentist of recognized skill and exacts the same qualification from all of his associates. A visit to the office of this company will convince any person of the thoroughness of our work, the unequalled facilities we possess for promptly handling every case and that we have the skill and appliances to produce the best results in every case.

CROWN AND BRIDGE WORK

One of the most important branches of the dental profession we have brought to the highest state of perfection. Our bridges fit so perfectly that there is no pulling on the anchor teeth and they are set so firmly that they chew your food as well as a natural tooth. It is a shame to have an empty gap in your mouth when relief is so easy.

ARTIFICIAL TEETH

When you have no sound teeth and must have a plate, then it behooves you to get the best service possible as an ill-fitting plate will cause more annoyance and humiliation than anything else possibly can. Dr. W. A. Wise has always made this branch a hobby and takes particular delight in fitting you perfectly. Our plates are the kind that fit snugly, won't work loose, and will chew food to your entire satisfaction.

TEETH Without Plates.

READ OUR PRICES

Table with 2 columns: Item, Price. We will give you a good 22-k. gold or porcelain crown for \$3.50. Silver Fillings 50. Inlay Fillings of all kinds 2.50. Good Rubber Plates 5.00. The Best Red Rubber Plates 7.50. Painless Extraction 50. Molar Crowns 5.00. 22-k. Bridge Teeth 3.50. Gold or Enamel Filling 1.00.

330 EAST MORRISON ST. KODOL WORKS WITH NATURE

That Is Why It Acts So Quickly in Cases of Dyspepsia and Indigestion.

Undigested food is a dead weight on the stomach. You must get rid of it if you want to feel good. Don't get rid of it by purging, for in that way the needed nourishment is lost. Remove the weight by helping the stomach digest the food. The greatest help known to science is Kodol because it digests all the food at all times, and under all conditions. Every tablespoonful of Kodol digests 2 1/2 pounds of food. Kodol is a scientific preparation, pleasant to take, and is a liquid. It must be a liquid, because some elements for perfect digestion must go in liquid form.

Pepsin digests some foods, but not all foods. There is Pepsin in Kodol, but we cannot depend alone upon Pepsin. We rely upon other ingredients or else digestion would not be complete. Some preparations digest partly and they are only part good. Kodol contains the natural digestive juices that are found in a healthy stomach. It digests as Nature digests. The penalty of indigestion is nervous chronic dyspepsia that leads to catarrh or cancer of the stomach. Nearly all serious diseases are traceable to indigestion. Help your stomach do its work. Give it help at once. Our guarantee: Get a bottle of Kodol. If you are not benefited—the druggist will at once return your money. Don't hesitate. Give it help at once. Our guarantee: Get a bottle of Kodol. If you are not benefited—the druggist will at once return your money. Don't hesitate. Give it help at once. Our guarantee: Get a bottle of Kodol. If you are not benefited—the druggist will at once return your money. Don't hesitate. Give it help at once. Our guarantee: Get a bottle of Kodol. If you are not benefited—the druggist will at once return your money. Don't hesitate. Give it help at once. Our guarantee: Get a bottle of Kodol. If you are not benefited—the druggist will at once return your money. Don
