SCRATCHED HEAD TELL IT WAS RAW

Eczema Broke Out on Baby's Head Causing All Her Hair to Fall Out—Could Not Sleep—Spread of Fearful Disease Averted and Easy, Economical Cure Effected, for

A FRIEND ADVISED USE OF CUTICURA

"When my little girl was four months old her head broke out with eczema. I tried everything but nothing did her any good. She could not sleep at night and she was scratching her head, which was like a raw piece of meat. All of her hair fell out. A friend of mine told me about Cuticura and I bought a box for her little boy. After the first cake of Cuticura Soap and box of Cuticura Ointment I used just two cakes of Cuticura Soap and two boxes of Cuticura Ointment and my little girl's head is cured. Her hair is growing fine and long and her skin is like velvet. Friends say that my quick action in using the Cuticura Remedies saved the eczema from spreading all over her body."

"I still use the Cuticura Soap and always keep a box of Cuticura Ointment in the house. I used them for my hands, which were so badly chapped that the skin would crack and bleed. I would cry with pain. My hands are entirely cured now. You certainly have my permission to publish this letter in any paper, for I know how wonderful Cuticura is. Mrs. F. Davis, 2929 E. Indiana St., Chicago, Ill., Jan. 18, 1909."
