

CLAIM OF MILLION PRESSED ON CHILE

Legation to Be Closed Unless Settlement Is Made Without Delay.

ULTIMATUM NOT DESIGNED

Action Is Protest Against Long Delay in Closing Up of Alsop Case, Justice of Which Is Admitted.

WASHINGTON, Nov. 18.—The Alsop claim against Chile for more than \$1,000,000, pending for 35 years, has assumed a critical stage. Mr. Dawson, American Minister to Chile, is now on his way to Washington, having left Mr. Pierpont in charge of the legation.

It is not improbable that, if the Chilean government does not consent to a final settlement within the next few days, the American legation in Santiago will be closed and its archives placed in the hands of the American Consul for safekeeping. Intimation to this effect has been given to Minister Cruz, representing Chile in Washington.

This action on the part of the State Department is not to be taken as an ultimatum to Chile, but this government's purpose in withdrawing its diplomatic representatives from that country is a protest against Chile's interminable delays concerning this claim.

It is not thought probable that Chile will willingly continue to be exhibited before the world as a country which resorts to every possible effort to avoid the payment of admittedly just debts. Only a week or ten days ago Minister Dawson entered into an agreement with the Chilean Foreign Office as to the form of a protocol which was to be the basis

for a reference of the Alsop claim to the Hague tribunal.

The Chilean government, however, refused to comply with conditions agreed upon, and in effect, repudiated its own Foreign Office.

BOY OUTLAWS SENTENCED

Smith Gets Ten Years, Nevins Four, for Bank Robberies.

SAN JOSE, Cal., Nov. 18.—In the Superior Court here today Frank Smith and Leo Nevins, boy bank robbers, were sentenced, the former to serve ten years in San Quentin Prison and the latter to serve four years.

Smith has been identified by two of the bank officials at Everett, Wash., as the youth who robbed a bank in that town a year or more ago of \$1500 after shooting the cashier.

The two youths on August 3 held up the Valley Bank at Santa Clara, near here, and started off in an automobile with \$712 in coin, but were soon overtaken and captured with their loot.

While very little is known of the two youths here, the police ascertained without a doubt that both Smith and Nevins, in company, spent the greater part of last summer in this city, going direct from here to California. While here they were regular habitués of the North End. They are remembered by clerks in the Ben Selling clothing store as having purchased two suits of clothes there in July.

TEXANS TO FILE PROTEST

Citizens Object to Abolition of Professional Tick Feser Line.

FORT WORTH, Tex., Nov. 18.—It was stated at a conference of stockmen of Texas here today that livestock representatives of 41 states held a secret meeting in Chicago, October 19, and took action to induce the Federal Government to abolish the provisional quarantine area.

If this is carried out, it was declared, it would throw Texas back into the infected area.

Steps were taken to protest at Washington against this proposed action.

MAIL TELLS MURDER

Letters From Convict to His Father Show Other Crime:

SIRE TOOK ALIAS TO SAVE

Detective, Intercepting Messages From Robber, Finds He May Be Deputy Sheriff's Slayer. Prison Informed.

SAN FRANCISCO, Nov. 18.—By intercepting letters between W. G. Barr, of this city, and his son, Charles, now serving a sentence in the Colorado Penitentiary for robbing a streetcar in Pueblo, Detective Redmond, of the local police department has identified the son as the murderer of Deputy Sheriff William Larkin, who was shot to death in Humboldt, Nevada, last year.

The letters reveal what is probably the only case on record where a father assumed an alias to save his son from prison.

The elder Barr has been operating a real estate business here for some time under the name, W. G. Southern. When the police of Pueblo sought to identify the man they had arrested there for robbery, Redmond was informed that his father lived here and search established the fact that Southern is an alias for Barr. The local detective department informed the Colorado officers that their prisoner is the man wanted in Nevada for murder.

RENO, Nev., Nov. 18.—All the Sheriffs of Nevada have been continuously on the watch for the alleged murderer of Sheriff Lamb's deputy, William Larkin, at Winnemucca, some months ago.

Larkin held a warrant for the arrest of Barr and went after him. As the deputy approached Barr turned around quickly and fired at the officer, killing him instantly. Barr then made his escape.
