Try a Pair of the "Nulise" Braces--Insures Fine Health

We are demonstrating the celebrated "Nulife" Shoulder Brace for women, men and children, and for which we are sole Portland agents-The best article of its kind ever placed on the market-Expert fitters to properly adjust them-Mail orders carefully filled

'Nulife'' is the latest scientific invention, substituting for old methods of physical and medical treatment a simple garment which immediately improves the wearer and brings him or her back to perfect health. "Nulife" is not a cure-all, or a secret of eternal youth or a miracle, but it is an aid to Nature, compelling you to breathe as you were born to breathe and as you should breathe. "Nulife" compels proper deep breathing, and every physician in the world will tell you that proper deep breathing is necessary for the preservation of health. "Nulife" is not a brace, made of steel, buckles and rubber, but a light-weight, washable garment that is pleasant to wear, and so simple that any child can put it on without assistance. "Nulife" cultivates and permanently maintains a strong, vigorous body, and the natural effect of wearing it is to become buoyant in spirit, muscular in body, active in brain, pleasant in manners, with the step of youth, the figure of health, the curves of beauty and everything that goes with health and makes for happiness. This is an opportunity you should not miss. Main floor.
