

BEST LEARNING, DR., HAYWARD DECLARES

Disappointed at Defeat of Oregon at Seattle, but Finds No Complaint.

HOME MEN SCARCELY FIT

Post-Season Game Between Multnomah and Varsity Talked of, Contingent Upon Consent of Faculty at Institution.

BY W. J. PETRAINE.

Trainer Bill Hayward, the famous hand of the athletes of the University of Oregon, returned to Portland yesterday after attending the Oregon-Washington game at Seattle Thanksgiving day. Hayward, while disappointed, expresses no regrets at the defeat of his men at Seattle, declaring the game was won by the best team. According to Bill's logic, there is no use complaining when you are beaten by a better team.

"Washington had it on us," said Hayward yesterday, "but at that time they beat us with one play, and it was a corker. This is something new at the forward pass formation, for Doble's bunch had Oregon going all the time by the use of this pass in a sort of a cross-formation. The only complaint of the pass was shown because they made from eight to ten and fifteen yards every time they used it.

"To be exact, it was a sort of a double pass—to one side—and when the opposing team is brought to that side in following the ball it is suddenly sniped to the other side where there is practically no interference except the safety players, and good yardage was made almost every time. Oregon seemed absolutely unable to break it up, and it is a play that will get the 'goat' of most any football eleven in the Northwest. I doubt if the Washington players themselves could break it up successfully if used against them.

"Had it on us all the way."

"Anyhow, they had it on us all the way, and deserved to win, so we have no reason to complain. Doble has whipped a great football team together here, and he deserves the credit. Bob Boyles has done splendidly with his new material at Oregon, but the experience of the Washington men told against us practically every play of our team. Dud Clarke was also unable to do himself justice, and it was impossible for him to struggle along, his ankle bothering him all the time.

"Eakin, Washington's punter, was in grand shape, and that was another point against us. In fact, the Washington team was far more fit for a hard battle than was the Oregon team, for Lou Pinkham, who played the greatest game of his career, was practically the only Oregon man in condition for a grueling battle.

"We had a fine place at American Lake for training purposes, and the team was much benefited by working there for the two days we remained."

Trainer Hayward will remain in Portland a day or two, before returning to Eugene. "Chuck" Taylor and Dean Walker, two of the Oregon players, came down with Hayward, and the other members of the team will probably return tomorrow.

OREGONIA TEAM IS VICTOR

Vancouver Juniors Go Down to Defeat on Own Floor.

The Oregonia basketball team defeated the Vancouver Juniors yesterday afternoon, at Vancouver, 21 to 9, in the second of a series of three games. The first game was won by Vancouver a week ago by the score of 18 to 12.

The game was exciting and closely contested, except in the latter part of the second half, when the Vancouver boys went into the game and gave the captain, Captain Wolfe of the Oregonia team, an exceptionally brilliant game in shooting baskets from difficult positions. The teams lined up as follows:

Oregonia: Position, Vancouver: Forward, G. J. Schalm (captain); Forward, G. J. Schalm; Center, G. J. Schalm; Forward, G. J. Schalm; Forward, G. J. Schalm; Forward, G. J. Schalm.

DEMAREST WINS GAME

CHICAGO BILLIARD CRACK BEATS FRENCHMAN.

NEW YORK, Nov. 26.—Calvin Demarest, of Chicago, defeated the French champion billiardist, Firmin Cassagnol, tonight, in one of the hardest-fought games of the world's championship 18.2 ball tournament at Madison Square Garden. The Frenchman was in his best form but was unable to get the better of the American's tuck and skill.

The American game between Harry P. Cline, of Philadelphia, and Albert G. Cutler, of Boston, went to the Philadelphia 50 to 42.

Demarest and Cassagnol went 28 innings before Demarest won out with an unfinished run of 100, winning by 100 to 47. Demarest began poorly, with only two points for the first five innings and for the first part of the game he lagged behind Cassagnol with defeat apparently certain. He did little brilliant work until the game was nearly over. In his 25th he let himself out for a thrilling 100 and four innings later, through a lucky kick, he got a corner, a hit and missed his second object ball on his 188th shot.

Cassagnol jumped up and shook the hand of the young player, and Demarest started the run that ended the game in his favor.

Score by innings: Demarest—0, 0, 0, 2, 0, 50, 39, 40, 10, 25, 0, 12, 2, 2, 0, 24, 9, 7, 70, 0, 4, 12, 102—100; high runs, 102, 70; average, 17.2.

Cassagnol—0, 17, 0, 4, 0, 8, 1, 8, 2, 23, 2, 21, 4, 102; 0, 5, 0, 4, 45, 0, 28, 0, 1, 2, 2, 2, 45—102; high runs, 101, 95, 77; average, 16.10-29.

RECKARD BIDDING FOR FIGHT

Goldfield Man, With \$25,000, Says Backers Will Put Up \$75,000.

CHICAGO, Nov. 26.—Bearing a certified check for \$25,000 to be applied on a bid for the Jeffries-Johnson championship battle, G. L. Rickard, of Goldfield, Nev., whisked through town yesterday en route to Philadelphia for a conference with Jeffries. The man who engineered the Gans-Nelson combat, an affair of fistie history, is after the heavyweight contest and is enthusiastic over his prospect.

"I am going to land that fight," said Rickard during his stopover here, "if money and protection can secure it. If I get the fight the battle will in all probability be held in Salt Lake, Utah. We have things arranged. I have the certified check in my pocket for \$25,000, and a certified order to bid as high as \$100,000 for the fight."

WHITMAN TEAM CAPTAIN BEST IN WEST, COACH SAYS

WALLA WALLA, Wash., Nov. 24.—"Vincent Borleske, captain of the Whitman College football team, should be given a place on the All-American team," said Coach Kienholz, of Washington State College, today. "I have seen nearly all the big games in the East and Middle West in action and have no hesitation in saying that Borleske would have no difficulty in making any football team in America."

"Whitman's great halfback, in my opinion, is the only football player in the country able to keep company with Coy. Yale's phenomenal fullback."

Coach Kienholz is a graduate of the University of Minnesota, where he was a teammate with Gilmore Doble, University of Washington's coach.

LET MINOR FIGHTERS ALONE

Advice of Old Sports to Big Ones About Challenges.

NEW YORK, Nov. 25.—The posting of \$10,000 by Sam Langford to get a match with Jack Johnson, and the known desire of Al Kaufman to meet Jeffries before the boiler-maker meets the colored champion, is creating considerable discussion among sporting men. Many doubt that it would be wise for either Jeffries or Johnson to take on these men previous to the championship battle. Some think that it would be an easy chance for the fellows to win some money and at the

KANSAS CITY, Nov. 26.—After reading the details of his provisional sale to the Philadelphia National League club, John A. Kling said tonight that he would not entertain any offers the club might make for his services. Neither would he play with any other club in the league.

"I am out of baseball for all time," said Kling. "My business interests are here. I am making money. Therefore here I shall stay."

It was learned tonight that Kling had just signed a seven-year lease for a site for a baseball park here, where his semi-professional baseball club will play.

WRESTLERS WILL MEET IN PRIVATE EXHIBITION, DECEMBER 8

Eddie O'Connell, the clever wrestling instructor of the Multnomah Amateur Athletic Club, is matched to meet "Strangler" Smith in a return wrestling match in private on December 8.

Smith and O'Connell met once before about a year ago and at that time the Multnomah instructor failed to throw Smith. It was thought by those who framed it that it would be wise to give that much time to the dairy interests in which to prepare their business for compliance with its terms.

A meeting of dairymen, especially those engaged in the sale of cream, was held yesterday afternoon, the ordinance being under discussion. It was the belief of those present that, in at least one respect, the new law is a trifle too stringent, but they made no request of the Mayor to veto the ordinance. Representative dairymen called at the executive office in the City Hall after the meeting and told Mayor Simon that they

AMERICAN PATENT WINS

GERMAN COURT INTERPRETS LAW AGAINST CITIZEN.

Letters Must Be Renewed, Under Reciprocity Agreement Made Last February.

BERLIN, Nov. 26.—The Imperial Supreme Court today gave a decision in a patent case in which it interpreted the patent agreement between Germany and the United States in favor of an American company, which has a branch office in Berlin.

This branch office obtained letters of patent under the German law, but it failed to place the invention on the market within three years as specified by the German statute. Thereupon a German brought suit to vacate the patent rights and the patent office decided in his favor.

The court today declared that the patent office must renew the letters of patent, as the German-American agreement guaranteed reciprocal treatment of patents.

The German-American patent agreement was signed at Washington on February 23. It relieves American manufacturers of the requirement of the German law, that to sell their products in Germany they must manufacture them on the basis of patents in Germany.

It also relieved Americans from the restriction which declared patents forfeited if not actually worked in Germany within three years.
