

SECOND YEAR SURE TO REPEAT SEASON

McCredie to Apply to California to Play Northwest Team Here.

CENSUS TO BE PASSED UP

Dugdale and Portland Magnate Confer Over Plan Said to Be Agreeable to All Concerned.

At the conference between Congressman McCredie and Judge Dugdale yesterday, "Dug" assured the Portland baseball magnate that Portland will be represented in the Northwestern League for at least another season.

The proposed plan whereby the admission of the Northwestern League into Portland would be agreeable to the California magnates, as conveyed to McCredie by Dugdale, is that McCredie submit a formal application to the Pacific Coast League for permission to play a Northwest team here.

Prompt Rehearing Sought. This was readily acceptable to McCredie, and as Dugdale assented, it was decided to send the petition to Judge Graham, the new president of the league, and request a rehearing of the subject immediately.

HOLLADAY WINS FIRST GAME. Elliot School Team Taken Into Camp by 20-to-5 Score.

In the first of a series of three post-season games between Holladay school and Elliot school football teams, champions, respectively, of the light weight and middle weight divisions of the 1909 grammar school league, Holladay won yesterday afternoon at East Thirteenth and East Davis streets by the score of 20 to 5.

The game was won on line bucks and end runs. Elliot's only score was made in the second half on a touchdown by Steurhorst and the score at the end of the half was 10 to 5.

The game had a number of spectacular features, pulled off mostly by the Holladay team and Eddie McAllen, their nifty fullback, was always on hand to assist in the fancy stunts.

The line-up was: Holladay. Position. Elliot. Murphy. L. E. Bumps. Searing. L. T. Hopper. Johnson. L. C. Holmes. Johnson. C. C. Burke. Strom. R. T. Ericson. Williams. R. E. Kilguff. Hall. H. H. Steurhorst. McAllen. F. H. Gertin. McAllen. F. H. Benson.

YOUNGSTERS WIN BY YOUNG HONORS. Jockey Bennett and Freddie Couture Lead Rose City Club's Programme.

10 ROUNDS ALL TOO FEW. Biggest Crowd of Season Approves. Cert Outboxed by Sullivan. "Kid" Bennett Goes Down Before Young Evans.

BY W. J. PETRAH. Any time the Rose City Athletic Club stages a return exhibition between Jockey Bennett and Freddie Couture, the promoters can rest assured of liberal patronage by the Portland without exception. These two lads easily carried off the honors in their portion of last night's rattling boxing staged at the Exposition Park.

In fact, all three bouts were interesting, though the Bennett-Couture was the best of all. It was with keen regret that the big crowd present failed to see only 10 rounds of this exhibition. To Bennett and Couture go the big portion of the honors of the evening.

The preliminary bout between "Kid" Bennett and Young Evans was an appetizer, and while it lasted only one of the scheduled four rounds, it was good even for that short space, when "Kid" Bennett (not Jockey Bennett) succumbed to a left-hook at the hands of Evans, and while the gong saved him from being counted out, Referee Jack Grant decided that it was sufficient and ended the bout.

The marks set did not indicate that the winners would have a good chance when pitted against the best men of all the Northwestern Y. M. C. A.'s. It is believed that each of the men to be sent will prove a point winner. Jordan Monday went 9 feet 4 inches in the pole vault, which is a good indoor record. Sheets did 2 feet 6 inches in the high jump, while St. John made 28 feet, 9/16 inches in three standing broad jumps.

The seniors won the local meet by the narrow margin of 51 to 48, the last event, the shotput, deciding the contest. There is great rivalry between the two divisions, which will meet again December 29, when the indoor athletic track meet is to be held. The results at that time will be entered in competition against those made by other Y. M. C. A.'s of the Northwest.

Then came the "rattler," Freddie Couture, the youngster who won the amateur bantam championship of the Pacific Coast in a Portland competition, was introduced with Jockey Bennett, and the big crowd present unanimously expressed its best match seen here in a long time.

Bennett, the veteran, and Couture, rapidly rising youngster, were in every way fitted to extend themselves and display fine points of the game. Both possessed good punches, and Bennett, probably because of his experience, displayed the greater cleverness in blocking and side-stepping. This fact, however, is nothing against the merit likely to be attached to Couture's exhibition. The experience of his opponent, who was equally clever, slightly overshadowed Couture, but it would have been a good draw in any land. Another feature, showing the cleverness of the lads, is the fact that neither was marked in the least during the speedy 10 rounds.

The exhibition between Gene Sullivan and Eddie Cerf, was not nearly so exciting as the preceding bout, and while it was interesting, it probably would have met with better favor had it been staged before that of the speedy youngsters. Cerf seemingly was not in shape for a grueling bout. Sullivan was in the "pink of condition." This caused Cerf to be on the defensive most of the time, and he was not bothered to an extent by the efforts of his four seconds, who tried to tell him what he should do.

Sullivan outboxed Cerf, but at that when he came to the clinch, and inside work. The Montana lad possessed an advantage in longer reach, and frequently used his left to advantage.

Cerf is outboxed. Sullivan outboxed Cerf, but at that when he came to the clinch, and inside work. The Montana lad possessed an advantage in longer reach, and frequently used his left to advantage.

Montavilla Delays Highland's March to Championship. The Highland school football team failed to land the championship of the heavyweights in the Grammar School League yesterday afternoon when they held by the husky Montavilla eleven to a scoreless game, the only one that has been played this season among the school teams.

Both teams used straight football mostly. In the two or three times that they passed were resorted to they were failures and worked to the advantage of the opposing side. Punting was almost entirely eliminated by both teams, each trying repeatedly to make its yardage on downs, but generally failing and giving the ball the other side.

The game was played at the Highland gymnasium, after the game last week, when Montavilla was defeated decisively by the score of 11 to 5. Another game will be played next Thursday. If Highland wins it will have the championship of the heavyweight division, but if Montavilla wins or the game is another tie, still another contest will be necessary to decide the winner.

Teed, the Montavilla right half, was the star of the game. He is fast on his feet and made several spectacular advances through the line and around the ends. Thompson, the Montavilla quarterback, was good. Lent, playing right half for Highland, performed agilely. Booth, the Highland left guard, was one of the best men in the game.

In the first half Highland had the ball on the Montavilla 12-yard line, but tried straight football instead of a place kick and gave the ball away. Montavilla attempted to get out of dangerous territory by the use of a forward pass but it was intercepted and was advanced by Booth and Lent to the Montavilla 20-yard line again only to be lost on downs.

Again, late in the second half, after the ball had surged back and forth in the middle of the field, it was carried again into Montavilla territory by the fierce attacks of the Highland backs. The ball was captured, however, by Montavilla and on big gains on delayed pass plays and end runs raced, for a minute or two, toward the Highland goal, but the ball was lost on a fumble and the half ended. The teams lined up as follows:

Montavilla. Position. Highland. Baxter. R. T. L. Booth. Logenbuhl. R. G. L. Crooks.
