FIGHTERS WILL NOT FAKE

\$10,000 Offered to Charity if Anyone Can Prove Any Crookedness in Arrangements, Says Man Behind Big Deal.

BOSTON, Mass., Dec. 9.—(Special.)—Tex Rickard, accompanied by his wife, arrived in this city late today, and although in fairly good humor waxed very sore when asked about the story that Jimmy Coffroth was behind him in the Johnson-Jeffries fight.

"As for referee there is but one man from California whom I would consider. That man is Eddie Graney, and I am willing to have him act in that capacity. I am running the fight and will have something to say about it. The story which has been circulated to the effect that the fighters have arranged to stall in order to win which pictures more realistic is a fake and I have \$10,000 to give to any charity if it can be proven true."

TEETH GONE, HE RIDES ON

SERIES OF SPILLS HURTS RACES IN SIX-DAY RACE.

NEW YORK, Dec. 9.—A series of spills tonight robbed Rutt and Clark and Foot-Fogler of two hard-earned laps and slowed down the pace of the six-day bicycle race at Madison-Square Garden.

Under the rules a lap four-fifths won give credit in a spill. It must be a full lap to count, but there is always a chance for a distanced tail-ender to rob the leaders by a deliberate fall.

Five minutes later Clark, of the reconstructed team of Clark-Rutt, shot out from the bunch in a furious sprint and passed six miles into the race.

The Way of the Transgressor is Lard

The wise housewife specifies *Cottolene* every time in place of lard. Anyone with a particle of respect for his stomach would prefer a pure vegetable product to one made from the fat of a hog. *Cottolene* is always pure; lard isn't.

Cottolene will make more palatable food than lard, and food that any stomach can digest with ease. Lard is a foe to digestion. You can prove every word we say by trying a pail of *Cottolene*. All good grocers sell it; all the great cooking authorities of America recommend it.

COTTOLENE is Guaranteed Your grocer is hereby authorized to refund your money in case you are not pleased, after having given Cottolene a fair test.

Never Sold in Bulk Cottolene is packed in pails with an air-tight top to keep it clean, fresh and wholesome, and prevent it from catching dust and absorbing disagreeable odors, such as fish, oil, etc.

Ghirardelli's COCOA

From the time the beans mature on the trees, to the time the aromatic brown cocoa is put in tins retains its natural purity and full flavor.

Don't ask merely for cocoa—ask for Ghirardelli's.

The following is the first known cocoa advertisement: It appeared on the 16th of June, 1657, in the London Public Advertiser. "In Bishops-Gate Street, in Queen's Head Alley, at a Frenchman's house, is an excellent West India drink called chocolate, to be sold, also unmade at reasonable rates."
