own, as follows

Permitting the assignment of homestead entries on Government reclamation proj-ects, after five years of residence,

Authorizing the survey of all ratiroad and grants, so lands can be taxed. Appropriating \$100,000 for surveys of agricultural and grazing lands in Alaska.

INAUGURATION CHANGE FAILS

Attempted Fillbuster in House Is

Stopped by Motion to Adjourn.

WASHINGTON, Jan. 14 .- An unexpected early adjournment of the House today probably saved from defeat the ary resolution proposing an amend-at to the Constitution changing the Henry

ment to the Constitution changing the date of Presidential inaugurations. Led by Perkins of New York, op-ponents of the measure showed unsus-not muster enough votes to obtain the required two-thirds majority for the adoption of the resolution in the ab-sence of several members who were committed to support it. Henry of Texas was determined to prevent a vote.

At 4 o'clock, after he had spoken for At 4 c'clock, after he had spoken for 40 minutes. The asked unanimous con-sent to continue for one hour. Shirley of Kentucky objected. Gaines of Vir-ginia then moved the previous ques-tion, and on a division, the motion prevailed by the close vote of 62 to 61. To prevent's vote Mr. Henry made the point of no quorum, but before the Speaker could order the doors closed and absentees brought in. Parker saved the day with a motion to adjourn.

Speaker could order the doors closed and absentees brought in Parker save discussion of the day with a motion to adjourn, which was carted without opposition. Declaring that the inauguration of the inauguration of the grown into an 'onormous assemblage and show," Perkins opposed the proposed amendment. He said all in favor of the change hind come from the City of Washington He salt satirically that he was just as anxious to amend the Constitution so as to have a pleasant day for inauguration as he was to insured a nice any for a three-tring circuis.
The first hour of the day's sestion was devoted to the reading of the President's conservation message which was enthmistatically received by here that here does furnished tickets by some unknown person in Chicago. THIEF WORKS ON OCEAN

Centralla's Passengers Submit to Search of Clothing and Baggage.

ABERDEEN, Wash., Jan. 14 .- (Special.)-Twenty-one passengers on the steamer Centralia, from San Francisco to Aberdeen, were lined up along the rail and submitted to thorough search of their clothing, shoes and hat yesterday just before the vessel tied up at the dock here, as the result of the theft of several watches and a suit of clothing while the vessel was enroute to this port.

Twenty-one trunks were forced open and ransacked from top to bottom and vallees and other hand baggage were examined. As sweeping a search of the steamer itself was made, but all proved fruitless. The crew was searched, too, without result.

CAB LEADS NEW ENGINES

Monster Locomotives for Southern Pacific Have Novel Feature.

Taft Announces Agreement. The President gave out the following

The President gave out the following statement of the understanding: ' 'It has been agreed between the reg-ular Republicans and the so-called in-surgents represented by Mr. Dwight on the one hand and Mr. Hayes on the other, after conference with the Presi-dent, that a cancus should be held to pass upon the question of the commit-tee in the Interior Department investi-gation with the assurance that the in-surgents, if they came into the cauons, would be treated fairly and that a com-mittee of acknowledged impartiality SACRAMENTO, Cal., Jan. 14 .- (Spe ial.)-One of the new Baldwin Mallett articulated oll-burning locomotives of the improved "4000" class has arrived in the Southern Pacific yards in this Three more are on their Away over the mountains. Two have been in service some time. They are different, however, as the new ones have the would be appointed. "A further agreement was foreshadcab and tender at the front end. The engineer is stationed directly over the

A further agreement was forestand-owed that cancuses would be held from time to time to which all elected as Republicans should be invited to take up the various measures recommended by the Administration as performance of party padage the subject of such of party pedges, the subject of each caucus to be announced in advance."

Dwight Gives His Version.

Dwight Gives his version. The statement of Mr. Dwight con-cerning the understanding between the regulars and insurgents follows: "The questions of the past have been forgoties. The tarify bill is no longer a matter for discussion. The Speaker-ship fight is ended. The question of the rules is not now an issue. We are confronted with the problem of redeem-ing the pledges of the Republican party to the people. "Last Friday there was a vote in this House which caused a Republican di-vision."

Mr. Dwight here referred to the vote and, Dought here referred to the vote on the Norris amendment, taking the appointment of the Ballinger-Pinchet in-vestigation committee out of the hands of Speaker Cannon and placing it with the House itself.

Both for Taft's Policies.

That was a matter of no consequence and a small subject in which the people could have but little interest," continued Mr. Dwight. "It showed a division in the party. The next day I saw Mr. Taft and laid the matter before him. "I told the Prosident that the so-called interests was presented to be been and the so-called

"I told the Prosident that the so-called insurgents were represented as being friends and supporters of the Adminis-tration and ready to help enact his rec-ommendations into law. I assured the President that the regular Republicans of the House were ready to do likewise. We were prepared also to go into caucus

(Constuded on Page 2.)

pilot, with smokestack at the rear end. This remedies a serious defect, for in the first two built it was found that in making curves the engineer could not see the track ahead of his monster engine. Sixteen engines of this type will be used on the Southern Pacific lines in California to pull trains over the mountain grades. Each engine has 2000 horsepower, or twice that of the largest engines in use heretofore. LIGHT KILLS CONVICTION

city.

Peculiar Decision Based on Crime's

Time; Verdict Set Aside.

OLYMPIA, Wash., Jan. 14 .- (Special.)-Taking judicial knowledge of the fact that in this latitude in August it is day! it nore than two hours before 7:30 A. M., the Supreme Court sets aside the convicion of Charles Gunderson, tried in Jefferson County for burglary, and orders the prosecution dismissed and the de-

fendant liberated. The information charged that in the

night time Gunderson and his pal had stolen articles from the ship Robert R. Hunt. Judge Crow, who writes the decision.

mays the only proof at the trial as to the time of the crime was that of the master that when he arose at 7:30 A. M. he discovered the articles were missing. As there were two hours of daylight during which the crime might have or-

urred. Judge Crow holds the state failed to prove its case.

0 0 ING-WIN WIND

gents concurred in the statement. Democrats of the House announced oday that they would hold a caucus Saturday night to nominate minority members of the committee to investi-gate the Ballinger-Pinchot affair, Rep-

resentatives Ollio James, of Kentucky; Slayden, of Texas, and Palmer, of Pennsylvania, were mantioned as possible ominees. The Democrats Insist upon their right to name minority men of the committee and, if the majority declines to allow it, there is a prospect of a Democratic-Republican alli-

ance upon the question. Insurgents say they are contending merely for a fair committee and care not who are its members.
