OREGON DEFEATS UTAH

STATE UNIVERSITY IS VICTORIOUS IN DEBATE.

With Announcement of Unanimous Decision of Judges, Speakers Are Carried From Platform.

UNIVERSITY OF OREGON, Eugene, Jan. 14.—(Special.)—Before the largest crowd that ever attended an intercollegiate debate in Eugene, the University of Oregon debating team tonight defeated the University of Utah in a hotly-contested forensic battle. The decision of the three judges was unanimous.

The Oregon students, fired by enthusiasm at their victory, rushed on the platform when the decision was announced and carried the winners from the hall amid cheers. Their spirit was the more intense because this is the first intercollegiate debate Oregon has won in two years.

The Oregon debaters, Percy M. Collier and Carlton E. Spencer, defended the affirmative of the question, "Resolved, That all corporations engaged in interstate business should be required to incorporate under Federal law, it being mutually conceded that such legislation would be constitutional and that a system of Federal license shall not be available as an alternative solution."

Utah was represented by S. H. Hammon and C. H. B. Anderson. The judges were Alfred C. Schmidt and President H. M. Crooks, of Albany College, and R. D. Hettell, of Oregon Agricultural College.

BAKER HIGH WINS DEBATE

Defeats Ontario in First of Series of Triangular Contest.

BAKER CITY, Or., Jan. 14.—(Special.)—By unanimous decision Baker High School tonight defeated Ontario in debate on the question of substitution of life imprisonment, with restricted powers of pardon for capital punishment in Oregon.

VANCOUVER LOSES DEBATE

Puyallup Too Strong for Girl Representatives of High School.

VANCOUVER, Wash., Jan. 14.—(Special.)—Puyallup won 2 to 1 in the debate on the commission government of cities which was held in Puyallup tonight between the high schools of Vancouver and Puyallup.

LUNN TALKS ON POULTRY

O. A. C. Instructor Says Chicken-Houses Should Be Ventilated.

Alfred G. Lunn, assistant instructor in the department of poultry at the Oregon Agricultural College, who has been on a tour of inspection during the week of the poultry yards of the Portland Junior Poultry Association, lectured last night before the association in the Y. M. C. A. assembly hall. The
