Repairs to Manning Will Be Made at Portland.

FIRMS COMPETE

Naval Constructor Besselere Has Prepared Specifications and Contract May Be Let on Board Cutter This Morning.

Bids for the repair work on the revenue cutter Manning will be opened at it o'clock this morning on board the vessel. Captain W. S. Besselere, naval constructor, has prepared the specifications for the overhauling of the steamship and all day yesterday various contractors were received on board the ship and shown the nature of the repairs. While the Government reserves the right to reject any and all bids, it is practically safe to assume that one of the Portland firms will secure the job.

Work on the Manning will consist of some engine work, alterations in the cabin plans and some carpenter work, amounting in all to about \$8000. It will require about three weeks' time to complete.

Experience is a thing of quality as well as nantity. Years in practice are no true measure of a physician's skill. Medical specialists, as a rule, give prominent mention to the number of years they have devoted to the practice of the various specialties. In this regard I do not differ from most other specialists. I frequently state that I have treated men only for 25 years. This is a thing of

## Oh! My Poor Back!

No Trouble at All to Know When Your Kidneys and Bladder Are Diseased.

You don't have to have a doctor or anybody else to tell you that. When your kidneys and bladder become weak, exhausted and diseased, the symptoms are very plain and unmistakable. You must first understand that all kidney and bladder diseases are directly due to urie acid poison in the system.

Those wearlsome, continuous backaches -those excruciating, sharp, stabbing pains and "catches" in the back, hips and pains and "catches" in the back, hips and groins (when you attempt to lift something or to straighten up too quickly)—those rheumatic pains and (winges—all signify kidney and bladder disease. Then take warning—for footish neglect may soon mean serious and fatal consequences. DeWitt's Kidney and Bladder Fills have afforded prompt and permanent relief in every case of kidney and bladder disease—no matter how far advanced—where they have been given an honest where they have been given an honest trial. Uric acid cannot possibly resist the marvelously cleansing, antiseptic, sooth-ing, healing and curative action of these Pills. They insure positive relief Pills. They insure positive relief and freedom from all conditions or symptoms of kidney and bladder diseases, as above mentioned. They also prevent (or cure, if taken in time) many far more fatal diseases-such as diabetes, dropsy and Bright's disease

Mr. Wailace H. Brunner, 2214 Ohlo St., Omaha, Neb. states that these Pills cured him entirely of his kidney trouble. And Mr. Brunner is only one of many thousands.

E. C. DeWitt & Co., Chicago, Ill., want every man and woman who have the least suspicion that they are afflicted with kidney and bladder diseases to at once write them, and a trial box of these pills will be sant free by return mail
