BONDHOLDERS MAY JOIN

OMAHA INDEPENDENT TELEPHONE AGENT HAS PLAN.

John Kiernan Calls Meeting to Discuss Nebraska, California, Oregon Collaboration.

John Kiernan, chairman of the committee representing the owners of Omaha Independent Telephone bonds in this community, has called a meeting of the bondholders at the Courthouse at 8 o'clock next Tuesday night. The purpose of the meeting is twofold. In the first place, the committee will submit a report detailing the success of its efforts toward pooling the bonds. This report will show that approximately \$200,000 of the \$400,000 in securities held by people of the Pacific Northwest have been placed in the hands of the committee. Secondly, the committee will decide on the advisability of sending a representative to Omaha to confer with the owners of similar bonds relative to co-operating with the Nebraska people either in instituting a plan of reorganization of the company or looking to the disposition of the bonds to the best possible advantage to the bondholders.

Members of the committee have received a communication from a similar committee representing holders of these bonds in Omaha, in which it is proposed that the interested bondholders of the Nebraska city, Los Angeles and Portland pool their holdings and unite in a practical plan for reorganizing the company. The Omaha people represent that if the interested bondholders can get together, consolidate their interests and proceed with the completion of several extensions to the Omaha plant before the franchisees covering those extensions expire, the property will be placed on a paying basis. In this way, it is figured that the bondholders will realize dollar for dollar on their holdings eventually. The pro-

ROSE CAMPAIGN IS ON

INVITATION CARDS READY TO SEND TO EASTERN FRIENDS.

Publicity Managers of Rose Festival Enlist Aid of All Lodges and Societies of City.

Chivalry will play a strong part in the publicity campaign which the women of the Rose Society are undertaking. It is already assured that they will find ready support in their efforts to sell the 50,000 invitations to the Rose Festival. The members of the Chamber of Commerce, the Commercial Club, the Manufacturers' Association, the East Side Business Men's Club and the United East Side Push Clubs are to be asked to assist in scattering these pictorial postcards among their friends in the East. Not only will these organizations be appealed to, but the Woman's Club, the Y. W. C. A., the Y. M. C. A., the Multnomah Club, the W. C. T. U., the Travelers' Protective Association, the United Commercial Travelers and every fraternal and secret body in the city will be asked to send out the cards.

The campaign of distributing the return postcards will not begin until next Tuesday, but President Emmet Drake, of the Rose Society, said yesterday that he believed every man in Portland would consider it a matter of personal pride to assist the woman members of the Rose Society to make this exploitation campaign the most successful one that the city has ever undertaken. "I should say offhand that I have had 40 or 50 telephone calls about the matter today," said Dr. Drake last night. "It is such an inexpensive thing that it seems to appeal to everybody and I want to say that in all the public enterprises in which I have been interested in the last few years there

WATKINS LEAVES BOARD

COUNCILMAN RESIGNS FROM MULTNOMAH DIRECTORATE.

Press of Business Duties, Together With Work for City, Requires All Time He Can Spare.

Frank E. Watkins, one of the most prominent and enthusiastic members of the Multnomah Amateur Athletic Club, has tendered his resignation as member of the board of directors for business reasons, and the club has appointed a committee to endeavor to persuade him to reconsider his decision. Mr. Watkins announces that his resignation is due solely to business reasons. It is the wish of his father, George E. Watkins, with whom he is associated in business, that he devote as much of his time as possible to the business of the concern, and as he is also a member of the City Council, representing the Fifth Ward, he finds he cannot conscientiously devote the required time to club matters. The loss of Frank Watkins to the board of trustees of the Multnomah Club will be keenly felt, for he is one of the most enthusiastic members and has worked hard and faithfully in the interest of the organization for over 15 years. In his early days as a member of the club he was one of its most noted athletes, and in recent years he has assisted the organization as manager of different athletic bodies of the club, and a year ago he was elected a director, and still has one year to serve.

Rands, of this city, died Tuesday night at the family home on Vancouver Heights after an illness of more than a year. The funeral was held yesterday. He had lived in this city the past five years.

CHAMBERLAIN'S COUGH REMEDY

Plans for the celebration of the annual "Rose-Planting day" are rapidly progressing. Governor Benson has accepted an invitation to be present and to make an address.

Chamberlain's Cough Remedy is not a common, every-day cough mixture. It is a meritorious remedy for all the troublesome and dangerous complications resulting from cold in the head, throat, chest or lungs. Sold by all dealers.
