

B. C. ADOPTS MOST RIGID LIQUOR LAW

Hotels Can't Sell Intoxicants to Chauffeurs, "Joy-Riders" or Spendthrifts.

TOTS HAVE SAY ON LICENSE

Petitions Must Bear Signatures of Children and Women—Tax on Resorts Made Higher—Inspectors Most Powerful.

VICTORIA, B. C., Feb. 14.—(Special.)—High license and the strictest supervision and control of the liquor traffic generally to be found in any part of British America, are adopted in the new provincial liquor law...

Under the new law, hotel license may only be obtained after careful investigation of the character and qualifications of the applicant and upon petition in his behalf...

Attorney-General's Creed

"I am a firm believer in high license and in the strictest regulation and control of the licensed trade. Under the act more can be done in the control of license and the elimination of abuses arising out of the liquor trade...

Every hotel barroom must be separate and apart from any other room. Every hotel must also have independent sitting rooms...

No one in any part of the province is permitted to sell or give liquor at any time to a chauffeur. No woman may be served with drink in any public bar or in an enclosed "box" or room of such nature.

No hotel may have more than one barroom. No gaming shall be permitted on any licensed premises, nor any nickel-in-the-slot device of any sort whatever. Licenses shall be required for every observation car or diner on railways operating in British Columbia.

No officer nor any member of the crew of any steamship may be served with drink at or from the bar of any such steamship. No debt is recoverable for less than \$5 for liquors purchased at one time.

No hotel may sell liquor in any other quantity than one quart, except for consumption on the premises. No liquor may be served in hotel, even to a bona fide traveler, during prohibited hours, except with meals.

Police Powers Great. All bars throughout the province must close at 11 P. M. Saturday, remaining closed on Sundays, and such bars must be locked and arranged that all may see they are empty and deserted.

No liquor may be at any time sold or given to dispensation; persons of drunken habits; persons addicted to excess or debauchery; persons who notoriously waste their money in drink or riotous living; vagrants or tramps; prostitutes or Indians.

In addition to the above general prohibitions, the superintendent, inspector or any chief of police in the province may at any time, without sworn information or any formal proceeding, forbid by notice to licensees, the supplying of liquor to anyone who, by excessive drinking, misleads, wastes, or lessens his estate, injures his health, or endangers or interrupts the happiness of his family.

No liquor may be adulterated, mixed, re-bottled or re-labeled. No sale of liquor whatever may be made at any time in city, town or country to "joy riders."

No hotel may refuse feed or lodging to any traveler capable of paying for the same, at any hour of the day or night.

In addition, no brewery or wholesale house is permitted to contract or dictate the purchasing policy of any retail house, this striking at the tied-house system that has proven a curse in England, and is just gaining a foothold in this province.

Grays Harbor Appropriation Favored by Army.

RED TAPE CAUSES DELAY

As Soon as Estimates on Work Reach Washington, D. C. It Is Expected Money Will Be Forthcoming for Improvements.

ABERDEEN, Wash., Feb. 14.—(Special.)—Recommendations for \$1,000,000 appropriation for Grays Harbor are favored by Major C. B. Kutz, chief of the United States engineers for this district, according to a statement which he made to the Secretary of the Chamber of Commerce over the long-distance telephone today.

He further said that he had no doubt but what the appropriation would be made. He also stated that the San Francisco office is favorable and that everything would be settled just as soon as the estimates reached Washington.

The delay in getting the data in shape to send to Washington together with the red tape incident, which has been responsible for its not reaching the National capital sooner.

The delay in getting the data in shape to send to Washington together with the red tape incident, which has been responsible for its not reaching the National capital sooner.

HEYBURN ISSUES DENIAL

IDAHO SENATOR NEVER WAS CUNNINGHAM ATTORNEY.

Open Letter From Solon Declares Attacks on Him Are "Ill-Natured Vapors."

BOISE, Idaho, Feb. 13.—(Special.)—Emphatic denial is entered by Senator William B. Heyburn to the charge and insinuation which have been made against him linking his name with the Cunningham-Alaska coal land grab as counsel for the claimants. This denial is made in an open letter to the press...

The Heyburn letter is in part as follows: "I never was Cunningham's attorney in the matter at all and never knew until certain date that he considered I was or would be. As soon as that fact was brought to my knowledge I immediately wrote him a letter, which was placed in evidence at the Seattle hearing, and of which the newspaper world had full knowledge, in which, in the most positive terms, I stated that I was not, had not been and would not be his attorney."

"My professional connection with Mr. Cunningham for many years was antagonistic. The newspapers have full information in regard to this matter, but a few disreputable papers and journals have seen fit to publish the contents of a memorandum in regard to my employment and have refrained from or declined to publish my refusal to be employed by the government in any capacity, but not in any way, lost a license within three years."

WESTON FOLK ARE BUSY

NORMAL SCHOOL ISSUE WILL BE PUT BEFORE VOTERS.

Committee Is Named to Draft Initiative Bill and to Outline Publicity Campaign.

WESTON, Or., Feb. 14.—(Special.)—At a meeting of the local normal school committee this afternoon the following executive committee was appointed: C. A. Johns and J. L. Rand, of Baker City; W. M. Jones and Turner Oliver, of La Grande; J. H. Raley, R. Alexander, Dr. C. J. Smith, James A. Fee and Frank Salling, of Pendleton; C. A. Barrett, of Athena; A. W. Worthington, of Portland; C. W. Steen and A. B. Shumway, of Milton; T. A. Llewellyn, of Adams; O. M. Richmond and D. F. Lavender, of Weston.

To this committee was assigned the duty of drafting an initiative bill for the Eastern Oregon State Normal School and of outlining and directing the campaign. It was also empowered to appoint such sub-committees as may be considered necessary.

A local finance committee was also appointed consisting of William Mackenzie, L. A. Barnes and J. H. Price. The sum of \$300 was subscribed at the meeting as a nucleus for the fund needed to get the initiative measure properly before the people.

Whether an independent bill will be drafted as was done at Monmouth or an effort be made to secure a three-school measure by co-operation with Monmouth and Ashland are matters left entirely to the judgment of the executive committee, which will meet at Pendleton Saturday, February 25.

\$1,000,000 IS SPEED

Grays Harbor Appropriation Favored by Army.

LUTHERAN PREACHER DIES

Rev. Lars Otto Lindh, of Clark County, Passes.

VANCOUVER, Wash., Feb. 14.—(Special.)—Rev. Lars Otto Lindh, aged 71, a native of Sweden, died at his home in Hookinson, in Clark County, this morning of diabetes. The funeral will be held from the Hookinson Lutheran church at 11 o'clock Wednesday morning, Rev. J. E. Norling, of Portland, conducting the services.

EUGENE WAITER ARRESTED

Frank Beth Caught at Roseburg Charged With \$25 Theft.

EUGENE, Or., Feb. 14.—(Special.)—Frank Beth, who had been employed in the Vincent restaurant, was arrested at Roseburg this morning, on the charge of having stolen \$25 from Miss Myrtle Clark, a waitress in the same restaurant, and \$50 from the restaurant keeper.

EUGENE TO GET CHURCH

Christian Congregation to Erect \$50,000 Edifice This Year.

EUGENE, Or., Feb. 14.—(Special.)—At a meeting of the congregation of the Christian Church held yesterday, it was unanimously decided to erect a new church building on the site of the present church to cost not less than \$50,000, while many of the members were in favor of building a new church at a cost of \$75,000.

LA GRANDE DINES BENSON

At Commercial Club Banquet Covers Are Laid for 200.

LA GRANDE, Or., Feb. 14.—(Special.)—One of the events of the season in the commercial life of this city was the banquet of the La Grande Commercial Club tonight, at which Governor Benson delivered an address. Plates were laid for 200. All the business and professional interests of the valley were represented, and the list of toasts covered a wide range.

Native of Clackamas Dies

OREGON CITY, Or., Feb. 14.—(Special.)—The funeral of the late T. M. Cross, who died yesterday morning at Molalla, was held here this afternoon. Deceased was 51 years old and was born near Canby, Clackamas County. He was the son of Lorenzo D. Cross, an early resident of Oregon City. He was married at the age of 20 years to Miss Mary Willette. Fifteen years ago Mr. Cross moved from Oregon City to Molalla. He is survived by a widow and

A GOOD TONIC

Sometimes Necessary to Restore Lost Strength and Health.

Dr. Williams' Pink Pills Are the Best and Safest Tonic as is Shown by This California Woman's Experience.

Whenever the blood becomes thin and watery or impure the whole system suffers, energy is lacking, vitality is low and the victim falls an easy prey to any disease which happens to be prevalent, such as the grip or acute fever.

To keep the system in normal condition, the appetite good, the step vigorous, the brain clear and the muscles strong, a tonic is sometimes necessary. With the body thus toned up and the organs active there is a greatly reduced danger from prevalent diseases since the germs are overcome and passed off as nature intended they should be.

The tonic effect of Dr. Williams' Pink Pills is well shown in the following statement of Mrs. Mary Wilder, of No. 1866 India street, San Diego, Cal.: "I have found Dr. Williams' Pink Pills to be the best tonic I have ever tried. For several years I was always run down during the spring months and was subject to attacks of the grip. I would be completely exhausted and hardly able to do any work. Every muscle in my body would ache. I had no appetite and it seemed that I could find nothing that would strengthen me."

"A friend told me about Dr. Williams' Pink Pills and I began using them. Before I had taken the first box I felt better. I kept on taking them and gained in strength until I was cured. The tonic treatment with Dr. Williams' Pink Pills by building up the blood so that it can nourish and strengthen the weakened system has made hundreds of cases in the most severe disorders. This record of cures should merit a trial for the remedy which is guaranteed free from opiates and is entirely harmless."

Dr. Williams' Pink Pills are sold by all druggists, or sent by mail, postpaid, on receipt of price, 50 cents per box; six boxes for \$2.50, by Dr. Williams' Medicine Company, Schenectady, N. Y. Send a postal for a copy of our book, "Diseases of the Blood." It is free.

STREAMS FOR PUBLIC

JUDGE M'BRIDE, OF SUPREME COURT, DISSENTS.

Jurist Gives Opinion Against Decision That Bars Splash Dams. Precedent Overrode Him.

SALEM, Or., Feb. 14.—(Special.)—The dissenting opinion of Supreme Court Justice McBride in the case of D. F. Filan and N. W. Moon, respondents, against William Vaughn and J. A. McDonald, appellants, has not only comment among attorneys, but has also attracted the attention of the Circuit Court of Cook County, Illinois, on the ground that the storing and sudden releasing of large quantities of water crosses the banks and carries away large quantities of land, destroys fences and does great damage otherwise. The Supreme Court affirmed the Circuit Court's decision in an opinion written by Justice King. Justice McBride, however, dissents from the majority opinion, and in a somewhat remarkable discussion on riparian rights. The dissenting opinion says, in part:

"I am willing to subscribe to the doctrine that a stream, incapable by the natural flow of its waters of transporting logs for any considerable period, cannot be made navigable by artificial increase of such flow, but where a stream, in its natural state, is conceded to be navigable for a part of the year for such purposes, it is not to be held that the same rules should apply, so far as improvement to facilitate such purposes is concerned, that would obtain upon the Willamette or any other of our large commercial streams. In other words, the fact that a stream is navigable for logging purposes a portion of the time removes it from the class of streams to which the rule of the banks and bed of the stream are just as much a part of the stream as the water is."

"The fact that a stream is navigable for logging purposes a portion of the time removes it from the class of streams to which the rule of the banks and bed of the stream are just as much a part of the stream as the water is."

"The fact that a stream is navigable for logging purposes a portion of the time removes it from the class of streams to which the rule of the banks and bed of the stream are just as much a part of the stream as the water is."

Deserted Family Suffers.

LA GRANDE, Or., Feb. 14.—(Special.)—Samuel Nelson, who has been working as a repairer in a local shoe store for some time, disappeared about two weeks ago and has not been located since. His family, having been left to shift for itself, is said to be in a destitute condition, the wife being in delicate health.

Eight Teachers at Albany.

ALBANY, Or., Feb. 14.—(Special.)—Eight of the 28 applicants for certificates who took the Linn County teachers' examination in this city last week failed to pass. Two others failed to secure certificates of the grade they were applying for and took those of a lesser grade.

COLONIST RATES TO OREGON and the Great Northwest

The management of the Oregon Railroad & Navigation Co. and Southern Pacific Co. (Oregon Lines) takes great pleasure in announcing that the low rates from Eastern cities, which have done so much in past seasons to stimulate travel and settlement in Oregon, will prevail again this Spring DAILY from March 1 to April 15, inclusive.

People of Oregon

The railroads have done their part; now it's up to you. The colonist rate is the greatest of all homebuilders. Do all you can to let Eastern people know about it, and encourage them to come here, where land is cheap and homebuilding easy and attractive.

FARES CAN BE PREPAID at home if desired. Any agent of the roads named is authorized to receive the required deposit and telegraph ticket to any point in the East.

REMEMBER THE RATES—From Chicago, \$33; from St. Louis, \$32; from Omaha and Kansas City, \$25. This reduction is proportionate from all other cities.

WM. McMURRAY, General Passenger Agent, Portland, Or.
