A gale ranging in velocity from 40 to 60 miles an hour and bearing with it heavy snow, has demoralized traffic in Northern Ohio.

Passenger trains on the New York Central and Pennsylvania lines are running two to four hours lat. Practically no freight trains are moving. In the 36 hours ending at 8 o'clock 14.9 inches of snow fell at Columbus, O. This is the deepest snow on record there.

At 6:30 o'clock this morning the thermometer registered 17 degrees below zero at Pueblo, Colo., the coldest of the Winter, and the coldest weather on record in Pueblo so late in the Winter. Suffering of cattle on the range is reported.
