

VANCOUVER RAID NETS 16 PLAYERS

Chief Sericist Pounces Upon 3 Poolrooms, Alleged Gambling on Full Blast.

COUNTLESS CHIPS SEIZED

Two Prisoners Stay in Jail All Night, Resort Owners Supply Bail for Twelve Others—Japs Are Caught—Trial on Today.

VANCOUVER, Wash., Feb. 20.—(Special.)—Following a well-laid and secret plan, Chief of Police Sericist and two of his patrolmen raided three pool rooms here this morning about 1 o'clock and arrested 14 prominent young men and two Japs. Innumerable poker chips and other evidence pointing to wholesale gambling said to have been carried on in the poolrooms after the saloons closed, were confiscated.

Two of the captives, Walter McCurdy and Ernest Hawkins, were kept in jail all night in default of bail. The two Japanese supplied their own bail and the other prisoners were released under \$20 bail each, supplied by the owners of the establishments where they were arrested.

A shrewd system of marked chips and tablet marks were used to conceal gambling, and Chief Sericist and marked chips report the Chief, were kept in the table drawers or the pockets of the players, while plain chips were used in the saloons. On a system of marking was found by means of which the alleged gamblers are said to have kept track of each stack of chips bought.

Saloons Close, Games Begin. Chief Sericist said this morning that the big gambling was done after the saloons closed at 11 o'clock. From that hour until almost daylight, poker games were run full blast. Gambling has been talked of about the city for some time, but not until this morning was the definite evidence collected.

The poolrooms raided were the Imperial, Allen's and the Railway Club. Players in these places invariably say they play only for cigars. At the Imperial the men arrested were: Walter McCurdy, Ernest Hawkins, C. E. McCarty, Robert Page and Harvey Hutton. Bail for them, though tardy for two, was supplied by N. Jackson, owner of the resort.

Five were caught in Charlie Allen's place. They were: Peter La Casa, William Ernest, Ole Larson, H. T. Johnson and L. Geneau. Allen furnished bail for them. In the Railway Club the two Japanese and four white men were found. They were: Robert Page, J. A. Schillatre, John D. Hull, Jesse Armstrong, John Anderson, Frank Wakawita and Mito Matowaka.

Captives to Appear Today. Police authorities say they do not desire to interfere with the social games played for cigars, even though, under the ordinance, they, too, are misdemeanors. One minor was also found in a poolroom this morning. Starting revelations are expected to develop when the alleged gamblers are summoned before the Police Judge tomorrow.

ATTORNEY NEED NOT PAY Washington Court Modifies Ruling to Release Lawyer From Costs.

OLYMPIA, Wash., Feb. 20.—(Special.)—On rehearing, and by a divided vote, the State Supreme Court on Saturday decided that Attorney W. H. Abel need not pay a part of the civil damages for contempt in the famous case of the Nicomen Boom Company against the North Shore Boom Company. Long ago the courts decided the North Shore concern had no rights in the North River. Abel, as attorney, took an appeal to the Supreme Court, and advised his clients to ignore the injunction pending appeal. He lost and the Nicomen company claimed it had been damaged, and under the civil contempt statute recovered judgment against the company, its officers and Abel. As Abel was merely an attorney, not an officer, the Supreme Court relieves him from paying damages.

Constable Runs Wrong Way When He Passes Them—Victims Soundly Rapped With Guns When They Try to Resist.

TOWN'S BIG FAMILIES MANY

SPOKANE, Feb. 20.—(Special.)—In the shadow of the City Jail J. W. Quinney, of the "Fried" Wood Company, of Fernie, B. C., and Thomas H. Baird, head grocery clerk for the firm at Coal Creek, B. C., store, were last night held up and robbed of \$1800 in cash and checks, when leaving the store. The robbers escaped. Quinney, as usual on pay nights, went to Coal Creek to get the day's collections, and Baird started to accompany him down the hill to the midnight train for Fernie, when two masked men held them in the shadow of the little jail near the store on the road to the sliding, where the miners on the afternoon shift board the train, the moon casting a heavy shadow. Both believed themselves victims of practical jokes, and attempted to draw their own guns, but were soundly rapped with the highwaymen's guns. Search of their pockets disclosed \$1900 in cash, the remainder in stamps and voucher checks and bills. Quinney's solid gold watch and chain were taken. After being robbed, the victims were forced back up the hill at the point of the robbers, and when at the top the robbers broke and ran, firing a shot in their flight. They passed Constable Varlow when running to the train, but thinking the trouble was at the store, the officer hurried there, returning too late to catch the train and the fleeing men. Chief Provincial Constable Samson and Constable Johnston joined the Fernie police and took a special train to Coal Creek, but returned without the pair. The coal company payroll yesterday footed \$175,000, of which \$85,000 was paid out at Fernie and Coal Creek.
