Practice at Santa Maria Develops New Sensation in Joe Smith.

KRATZBERG WILL REMAIN

Bid From "Muggsy" McGraw Refused-Regulars and Yannigans to Contest in First Tryout Game Today at Santa Maria.

SANTA MARIA, Cal., March 4 .- (Spe cial.)—The advance guard of the Port-land team has been here a week today and all of the early arrivals have worked themselves free of all soreness. The only players complaining of stiff muscles are Nig Perrine, Tom Seaton and Tommy Murray, but they are being cared for by "Doc" Cornell and will be ripe for tomorrow afternoon's game between the Ragulars and the Yannigans.

McCredie expects George Ort and the players who were stalled at Ogden some time tomorrow, for he believes they were sent around by way of Portland, as were the Chicago White Sox. The manager has not heard a word from Billy Rappa, Garber or Hall, all of whom should have been here before this.

Infield Pleases McCredie.

Today's workout was one of the most satisfactory this week and the marvelous speed shown by Casey. Perrine, Joe Smith and Al Lodell in infield practice pleased McCredie immensely. Smith is a fielding sensation, and if he can acquire a knack of hitting there is no chance for anyone to beat him out of a regular position at the difficult corner. regular position at the difficult corner.

Ben Kratzberg has received another telegram from "Muggsy" McGraw, of the New York Giants, requesting him to have MoCredle put a price on him. "Kratz" showed McCredle the telegram and the tall manager only smiled and said: "Ben you have shown me too much in the short time you have been here to permit me to sell you now."

Kratzberg Keeps Job.

This means that McCredle has decided to have Kratzberg as one of the regu-lars. Catchers Armbruster, Fisher and Murray agree in saying that Kratzberg has more than all the rest put together. Kratzberg is a young giant and Mo-

Credie likes big pitchers.

The makeup of the two teams for to-morrow's game will be as follows: Regulars—Garrett, pitcher; Fisher, catcher; Lodell, first base; Casey, second base; Smith, third base; Perrine, shortstop; McCredle, Bryan and D. Ryan, outfields.
Yannigans—Kratsberg, pitcher; Armbruster, catcher; Murray, first base; Guyn, second base; W. Harkness, third base; Turk, shortstop; Lexie, Hartman, Seaton, outfielders.

BAN JOHNSON LIKES CITY

American League President, \$25,-000 Man, Guest of Comiskey on Trip-Party Enjoys 20-Minute Stay in Portland.

The Chicago White Sox special, carrying the Chicago American League baseball squad, on its way to California for-early Spring training, stopped in Portland 20 minutes yesterday and allowed a bunch of Portland fans an opportunity to shake hands with Comiskey's pets.

Most of the members of the squad seemed to be pleased with the country and with the trip in some respects, although they all expressed themselves as anxious to proceed to their training quarters without further delay.

The special arrived in Portland yesterday at 1:20 o'clock about two or three hours behind scheduled time. The train had left Ogden at 12 o'clock Wednesday night, after being stailed there 26 hours, on account of floods on both the Oregon

on account of floods on both the Oregon Short line and the main line of the Southern Pacific between Ogden and California. The train was routed over the Southern Pacific but was finally sent around by way of Portland because the main line was still tied up by floods. Comiskey Gets Anxious.

The White Sox train pulled out of Chicago last Saturday night at 19:45 o'clock. A delay of about ten hours was caused near Denver by a derailed en-gine and Ogden was not reached until Tuesday noon. Here the train was stalled Tuesday noon. Here the train was stalled and unable to proceed over any line until Wednesday night and president Comiskey was seriously considering the proposition of starting training in Ogden.

President Ban Johnson, who is the guest of Comiskey on the trip south when seen, said this was his first trip to Oregon and that he was delighted with the country.
