This Is Still Strong.

Butter prices will drop three cents a box in the lower market this morning. The new quotations on grades have been ordered for early today, amounting to 33 cents. Butter has been a factor in the market above 43 cents, leading to the 50 cent figure. The months of March and April of this year have been dull, with large stocks in transit. The market has been rather strong and in a new position.

OIL STOCK JUMPS

As a matter of fact, a number of the stocks in new territory are reported to have made a fairly large advance, and elsewhere there has been a good deal of excitement. One of the stocks which has been moving up in the market recently is the American Oil Company.
