HAWLEY GAINS VICTORY

House Committee Acts on His Motion to Table, and Measure Cannot Come Before Congress During This Session.

OREGONIAN NEWS BUREAU, Washington, April 13.—Satisfied from a money recently submitted that the Laffan apple-box and grading bill is both vicious and unwarranted, the House committee on agriculture, on motion of Representative Hawley, today tabled that measure, thus rendering impossible its further consideration during this or the next session.

The committee discussed the bill for half an hour today, reviewing the main features of the evidence on both sides, and when the vote was taken the bill was defeated, 9 to 6.

Of three absent members, two were opposed to the bill, so that in reality the vote was 11 to 7 against the bill. The members who voted to table the bill were Chairman Scott and Messrs. Hawley, Hagen, Cole, Howell, Rucker, Hann, Plumley and Lee.

A majority of the committee held that there was no occasion for adopting a standard box, especially such a box as the bill proposed, but they particularly objected to the unfairness of that section which undertook to establish grades.

HOUSEHOLD REMEDY Taken in the Spring for Years.

Ralph Rust, Willis, Mich., writes: "Hood's Sarsaparilla has been a household remedy in our home as long as I can remember. I have taken it in the Spring for several years. It has no equal for cleansing the blood and expelling the humors that accumulate during the Winter. Being a farmer and exposed to bad weather, my system is often affected, and I often take Hood's Sarsaparilla with good results."

Remember there is no real substitute for Hood's Sarsaparilla. If urged to buy any preparation said to be "just as good" you may be sure it is inferior, costs less to make, and yields the dealer a larger profit.
